24 M – So that’s caused little bit problem with me and him and also you know always mom’s son’s
25 side and you know and also that woman whatever he cheating me is uh she working for uh Linda
26 too she the secretary. She do all the translation for her.
27
28 B – Oh okay
29
30 M – So very close to her I believe so you know they call everyday each other I mean well probably
31 more closer than me.
32
33 B – What, what’s this person’s name?
34
35 M – Oh her name Jenny Chen, Jenny, G
36
37 B – How do you spell that?
38
39 M – G-E-N-N-Y
40
41 B – Okay
42
43 M – C-H-E-N
44

1 B – And
2
3 M – And she live in Chicago
4
5 B – Okay
6
7 M – And uh
8
9 B – And she is
10
11 M – Uh-huh
12
13 B – Linda’s secretary?
14
15 M – Yeah that’s what they I don’t know they knew him for like a uh a quite a bit too and actually
16 one time I live in California around 2008 her, she bring her own mom and dad a visit and Linda
17 together for all of them come to visit us and I cook for her like Korean food and invite my house
18 and, and I don’t know until 1st time I find out her and uh my husband got a little bit something going
19 on is Denver you know.
20
21 B – Septem, you found out when?
22
23 M – That Denver, we live in Denver, I found out 2008, end of 2008 cuz I saw uh my husband talk to
24 her all the time in California and stuff so this time I almost I warning her one time too you know
25 don’t call my husband you know and uh.
26
27 B – In 2008
28
29 M – Yeah and uh I just found out not too long, not too long ago this year around or on uh May 26th
30 you know. My mom found little bit upset because I have to find uh the information from her
31 telephone you know, you know her, my husband that time don’t have under the my name on tel, she
32 got it on the, Linda’s phone, that my mom’s phone so they can talk each other like uh T-Mobil so
33 they got free talk each other all for the time you know.
34
35 B – Okay when you say your mom, you talking about Linda?
36
37 M – Yeah
38
39 B – So Linda has a phone under
40
41 M – Her name be with Don
42
43 B – So Don has a phone
44

1 M – Yeah used two different number
2
3 B – So Don has two phones?
4
5 M – Yeah right now it's one but used to have another phone
6
7 B – Okay
8
9 M – But I broke down that one, I got piss, I got a little bit mad
10
11 B – Okay
12
13 M – Yeah
14
15 B – All right so on May 26th
16
17 M – Uh-huh
18
19 B – What, what was that about?
20
21 M – Well I find out that he, he got a girlfriend, that Jenny Chen
22
23 B – Of this year?
24
25 M – Yeah
26
27 B – Of this year
28
29 M – Yeah so I'm try to work it out with him
30
31 B – Now Misook I, I, I just want to make sure I understand
32
33 M – Yeah
34
35 B – I thought you said in 2008
36
37 M – Yeah
38
39 B – You found out he was having a girlfriend
40
41 M – Yeah that time they just talking the telephone each other
42
43 B – (Sneezes) excuse me, I'm sorry
44

1 M – Yeah but I just find that they talk, I thought that was a friend of his but
2
3 B – Oh okay
4
5 M – But I know then you know I nearly found out see sometimes he go to like you know like you
6 know day before like at night time go to Chicago and come back next day. I thought that he, he told
7 me all the time that uh I gotta go see my mom cuz she live in like Crest Hill, like almost by
8 Chicago.
9
10 B – Right
11
12 M – That's what I believe, but later I find out maybe that's, maybe you know
13
14 B – Okay
15
16 M – Yeah so
17
18 B – So in 2008 you found out that
19
20 M – I knew that they were
21
22 B – Maybe, maybe Don had a girl
23
24 M – Yeah
25
26 B – That he was just talking to on the phone
27
28 M – Yeah
29
30 B – But then in May of this year you found out there might be more to it than just talking on the
31 phone.
32
33 M – Yeah, yeah
34
35 B – Is that right?
36
37 M – But that's pretty long time they phone each other today starting like in like 2000 what 9 or 10
38 all along till now, even now you know.
39
40 B – Now this is Labor Day weekend last weekend right?
41
42 M – Yeah
43
44 B – What, how did you find out your mother in law was missing?

1
2 M – Oh uh from Don
3
4 B – From Don?
5
6 M – Yeah Don called me that Labor Day night
7
8 B – What night?
9
10 M – The Labor Day, Labor Day
11
12 B – Labor Day?
13
14 M – Yeah that night he don't tell me his missing nothing but he just telling me about uh something
15 wrong with my mom. So I say why he say well did you I you know I cannot hold of her and I say
16 maybe she maybe be with him maybe because weekend I thought Labor Day maybe out of town
17 maybe he be with maybe Larry go out or something you know or something just wait you know.
18 That's it you know then he say no my mom never do like this before so must be something's wrong
19 he told me this I said Don don't, don't I thought he joke around me something. I mean just the one
20 day you know some people do that you know. I remember one time that happened too one time
21 Linda not call him like a couple day so he got panic about it oh my mom never call me, something
22 like this. Then later on you know they got a fighting each other and why you don't call me,
23 something like this so maybe that happen too so I said maybe I just tell him maybe he, he spend
24 time with the Larry together maybe they go watch a movie or something just wait for it maybe,
25 maybe she just don't hear your phone call you know so.
26
27 B – Now that was Labor Day, you know about what time?
28
29 M – Uh probably around 8 o'clock
30
31 B – At, in the evening?
32
33 M – Yeah
34
35 B – Okay so he calls you or you called him?
36
37 M – He call me, yeah
38
39 B – Now where was he at?
40
41 M – He's California
42
43 B – Why was he in California?
44

1 M – Uh he had to get the drive license, get a new drive license from there.
2
3 B – Driver's License?
4
5 M – Yeah a new
6
7 B – When was he coming back?
8
9 M – Uh he's supposed to come back 6th, like uh Tuesday, 9:30, 9:35 from American Airline I
10 believe so.
11
12 B – And did he come right home?
13
14 M – No
15
16 B – Okay so he comes back, did he come back on the 6th?
17
18 M – I believe so
19
20 B – Okay
21
22 M – I didn't see him so I don't know
23
24 B – Sure I understand
25
26 M – But he say he come back so, he try to get into airplane a little bit earlier but he cannot later I
27 find lout he cannot get in so he had to come uh 9:35.
28
29 B – Okay
30
31 M – You know, but I don't know who is picking him up either
32
33 B – Okay
34
35 M – I believe his girlfriend
36
37 B – Did you ask, did you ask him?
38
39 M – Yeah
40
41 B – What'd he say?
42
43 M – Uh I guess it's his girlfriend but he told me he I don't know he always lie to me something like
44 that so I don't trust it, I don't know. Which I wanted picking him up too because I kind of worried

1 to, I hear what mom says so he always ignoring me something like that so makes me really sad
2 because you know so. But I just want to find out what's going on too then he told me he gonna you
3 know whatever talk to policeman whatever and he never tell me who's picking him up until now, I
4 wondering too.
5
6 B – When did he come home?
7
8 M – He come home next day, Wednesday
9
10 B – About what time?
11
12 M – Uh probably afternoon time
13
14 B – In the afternoon
15
16 M – Yeah because I remember before 3 o'clock which we were together to get my son and he
17 already got the telephone record from what mom talk to people.
18
19 B – Okay
20
21 M – Yeah
22
23 B – So he had like a record of who his mom had talked to?
24
25 M – Yeah, yeah, yeah
26
27 B – Okay, did you guys look at that or anything?
28
29 M – Yeah, yeah I did he show me everything
30
31 B – Anything unusual?
32
33 M – Uh actually we saw a three different number from New York. Two people he already find out
34 who he is but one person that is you know that is, that's why we think maybe that calling from
35 whatever mom got you know. What, what he told me today maybe it's not Cubs Food, maybe it
36 can be different place I'm not for sure but uh he told me maybe mom suggestion about the Cubs
37 Food too, because people doesn't know not much Cubs Food but mom always know, know that cuz
38 she live in Bloomington long time that, then the he said 1, 917 from New York number, they got
39 disconnect. He tried to call and also the cop here, detective already left a message there.
40
41 B – Okay
42
43 M – Yeah but that's disconnect so he told me he got a call the F.B.I. to find out the number, I don't
44 know that's kind of thing I don't know, that's what I hear from him.

1
2 B – So basically
3
4 M – Yeah
5
6 B – What you’re saying is he had a list of phone numbers that
7
8 M – Uh-huh yeah
9
10 B – His mom had talked to
11
12 M – Yeah, yeah
13
14 B – And you guys looked at that and there was 3 numbers
15
16 M – Mm-hmm
17
18 B – That kind of looked kind of suspicious
19
20 M – Yeah, yeah
21
22 B – And two of them you were able to
23
24 M – Yeah find out who it is
25
26 B – Figure stuff, but one you were not
27
28 M – No
29
30 B – And um
31
32 M – But some other numbers we know everybody you know who said like a Larry, me, mom, I
33 mean my husband, everybody knowing number.
34
35 B – Okay
36
37 M – You know but except that one number you know kind of little bit stranger
38
39 B – Now when was the last time you saw Don?
40
41 M – Last time?
42
43 B – Yeah
44

1 M – Like at
2
3 B – Before, before he came back from California
4
5 M – On Sunday, Sunday morning we have breakfast together at the Cracker Barrel.
6
7 B – Okay
8
9 M – Yeah
10
11 B – What time was that?
12
13 M – That’s around probably 11 o’clock yeah 11 o’clock and I have to come back to my store to uh
14 have to work yeah little bit work so I have to come back to my office store working but he left at the
15 moms house he, that morning he want to go see the mom that why he left.
16
17 B – So did you guys take 2 cars to Cracker Barrel then?
18
19 M – Yeah, yeah
20
21 B – What car did he leave in to go see his mom?
22
23 M – The same car that the uh the Lexus
24
25 B – The Lexus
26
27 M – Yeah
28
29 B – Okay and you drove your Mercedes
30
31 M – Yeah, yeah
32
33 B – Okay, what time you think you guys left the Cracker Barrel?
34
35 M - Probably around 11:30 around there, before 12 o’clock believe so yeah I’m not for sure exactly
36 timing.
37
38 B – And that was this Sunday uh
39
40 M – Yeah Sunday morning
41
42 B – Not yesterday but a week ago yesterday
43
44 M – Yes, yes, yeah

1
2 B – Which would been
3
4 M – Before, because he go, he left at that time Sunday because Monday uh, Sunday night he have to
5 go to airport so mom, Linda have to take him to airport before reason he left that day.
6
7 B – So that was September 4th, the day before Labor Day
8
9 M – Yeah, yeah, yeah
10
11 B – Okay, okay and then uh what did you do then?
12
13 M – I come to office, yeah
14
15 B – Kim's?
16
17 M – Yeah cuz I work on some until pretty late that night
18
19 B – What, where was Donovan?
20
21 M – Donovan with me
22
23 B – Okay
24
25 M – He always be with me
26
27 B – Okay

30 we got a Wii like a playing you know game thing so he like to play there. And sometime he get
31 tired, he want me to go home then I take him home we have a Sega there so he can play Sega yeah
32 always like, yeah.
33
34 B – So what time do you think you left Kim's?
35
36 M – Uh probably around 8 o'clock I believe so, yeah actually I remember because that night yeah I
37 think 8 o'clock because I, I not, they not supposed to be my friend come down there to give it to me

36
37 B – Sure
38
39 M – So I don't really hang out or
40
41 B – So Sunday I just want to make sure I understand
42
43 M – Yeah, yeah
44

1 B – Sunday you have uh, you eat with Donovan and your husband at Cracker Barrel.
2
3 M – Mm-hmm
4
5 B – Sometime before noon you guys leave
6
7 M – Yeah
8
9 B – Your husband leaves to go to his moms
10
11 M – Yeah
12
13 B – In Crest Hill because he’s going, he’s leaving to go to California
14
15 M – Yeah, yeah
16
17 B – And then you and Donovan go to your office
18
19 M – Yeah
20
21 B – And you did some work

24
25 B – Then you gone home, what time that, about you?
26
27 M – Around 8 o’clock
28
29 B – About 8 o’clock
30
31 M – Yeah
32
33 B – Then um the next day around 8, 9 o’clock you leave to go to
34
35 M – Chicago
36
37 B – Chicago to the Korean part of town on Kimball, the Korean Grocery Store on Kimball
38
39 M – And Chinatown too
40
41 B – And Chinatown
42
43 M – Yeah
44

1 B – Um and you went there with just you and Donovan
2
3 M – Yeah, yeah
4
5 B – And then um
6
7 M – Most the time I hang out with my uh son together which I mean, sometime my friend wanna go
8 with me to buy grocery, sometime she do but that day I don't have a chance to do that so you know
9 so.
10
11 B – Okay so then you
12
13 M – That day
14
15 B – So then you come uh back, you leave Chicago about 3
16
17 M – Right
18
19 B – You get back home, the Bloomington/Normal area after 5
20
21 M – After 5 probably yeah
22
23 B – Do you stay home then?
24
25 M – Yeah, yeah
26
27 B – Then the next day you get up, you get Donovan off to school then you go to work
28
29 M – Yeah
30
31 B – You leave work around 3
32
33 M – Mm-hmm
34
35 B – Pick up Donovan, you take him back to work with you, you work a little later and then you go
36 home.
37
38 M – Yeah
39
40 B – And that's the same way it goes all the time
41
42 M – Yeah more than not.
43
44 B – Except for Wednesday

1
2 M – Uh-huh Don come back
3
4 B – Don came back home
5
6 M – Yeah, yeah
7
8 B – Okay, when was the last time you had an argument with Don?
9
10 M – Always
11
12 B – Always okay
13
14 M – Even now, no we just fighting for little I mean sometimes you know that though sometimes my
15 thinking, he's thinking different like you know something like this happen I just don't like that he sit
16 down there and don't do nothing but you know he just you know I mean it must be, I know it's his
17 mom but I love mom too you know it's my grand, my you know my grandmother for my son so he
18 don't even know what's going on.
19
20 B – So you loved Linda also?
21
22 M – Oh yeah, oh yeah of course we are very close after all this happened, the girlfriend thing
23
24 B – Uh-huh
25
26 M – You know, you know because I thought uh this girl is the secretary of mom's, mom already
27 know that you know but uh mom even don't know about they, they together like that either.
28
29 B – Oh she didn't
30
31 M – Yeah no so
32
33 B – So you would describe your relationship with your mother in law as close?
34
35 M – Very close yeah because I don't even my mom I, my real mom died 2 year old
36
37 B – When you were 2?
38
39 M – So I don't know my mom so I'm very close to her really you know and also I more talk to more
40 better than I talk to my husband she more understand me. So a lot of time I have a problem with my
41 husband I talk to her first you know like at um my son have last week have a lot of problems at the
42 school and I talk, I call mom I talk to her too you know my Donovan has a problem what should I
43 do mom you know something like that you know.
44

1 B – Okay
2
3 M – Yeah
4
5 B – When was the last time you talked to Linda?
6
7 M – Oh Sunday, Sunday he left yeah because she don't wanna talk to me that time because she got
8 a little bit mad at me such you know I always call her even that week before, actually I visit her
9 house. I don't know did my husband ever tell you that or not uh they live in Crest Hill, me and
10 Donovan it's almost around uh it's around like 10 o'clock I even visit their new house you know
11 wanna talk to mom because she got sometime you know I don't want to she mad at me or
12 something.
13
14 B – In the morning?
15
16 M – No at nighttime, yeah
17
18 B – At night
19
20 M – It's a Thursday night you know but she don't open door for me she got a little bit upset about
21 me so she don't door open for me and that her husband and the Larry so me and my son outside
22 wait a little bit then had to come back home you know that night. Yeah that time last, that time I
23 talking to telephone after, that's a Thursday night and the Sunday morning after uh Don left after
24 my uh Cracker Barrel then I talk to her too you know, you know.
25
26 B – Okay so you talked to her after Don left?
27
28 M – Yeah I called her and mom I miss you something like that you know which sometimes she mad
29 about sometimes I tell her I love her then she can be little bit calm down and you know, you know.
30
31 B – Okay
32
33 M – She tell me she love me too and you know she just always tell me I don't want you two fighting
34 each other be pissed for life like you know.
35
36 B – Now did you uh talk to her anytime before that?
37
38 M – That's the Thursday night
39
40 B – But that was in person right
41
42 M – No
43
44 B – Is that the time you went there in the house

1
2 M – Yeah but I don't talk, I don't even see her
3
4 B – Oh okay
5
6 M – She not let me get in
7
8 B – Okay, okay.
9
10 M – Yeah that time she mad that's one reason I call Sunday because I want to try to
11
12 B – So did you call her?
13
14 M – Outside her house
15
16 B – Okay so you called her out from outside
17
18 M – Yeah she be talking to telephone call
19
20 B – Okay
21
22 M – But she don't, I don't see her
23
24 B – Okay
25
26 M – I saw her husband
27
28 B – Okay
29
30 M – Larry tried to, I push bell with Donovan then Larry the husband tried to look at the outside and
31 then I, then he saw me then he said oh he talk to Linda then I call her mom can I see you (inaudible)
32 then she said no I don't want to feel like to see you right now so you know we talk like a 20
33 minutes.
34
35 B – Why wouldn't she let you see, I mean you drove all the way up there why wasn't she wanting
36 to see you?
37
38 M – She just mad at me because why uh because I you know I talk to the Raymond guy the
39 whatever the Imperial Buffett that the owner, owner guy.
40
41 B – Okay
42
43 M – I talk to him about that Don has girlfriend and stuff so she got mad all about the why those
44 information so she got a little bit...
45

00:46:05

1 B – So you talked to someone from Imperial?
2
3 M – Yeah and also somebody told me that whatever they working at the Imperial Buffett the one
4 lady come to me one day but you should not talk to this one about Don, that Don should of not
5 known that but this lady worry about me and that woman told me that Don has girlfriend you know
6 and give me information too actually. Because you know because she worry about me, she know
7 she is very close, I'm not close to her but she very close Don but she worry about me it's the same
8 woman so she kind of feel bad.
9
10 B – What's her name?
11
12 M – Uh her name is Julia, Julia Guo, G, G-U-O, Guo or something like that yeah.
13
14 B – Julia
15
16 M – Yeah Julia, she still working at the Imperial Buffett
17
18 B – And she tells you about?
19
20 M – Yeah, actually I invite her one time so she come down and she talked to me about you know
21 that time uh Hee Jung Yun my friend she be with me together so we listened to her together what
22 she said that she told me that Don has girlfriend and she come down stop by there 2, 3 time. I mean
23 they, she gave me all the information that's why I got a little bit upset that time. Then uh I don't
24 know Don and her, his mom got a big time argument about that though girlfriend Jenny, cuz her,
25 this Jenny girl I believe she still have husband too, that's what I hear from mom and uh they just
26 maybe separate, I don't know that but they're still married and mom told me that and talk to you
27 know my husband how can you be with somebody still married you know.
28
29 B – Right
30
31 M – You want to be with somebody why not just divorce then you go for you know
32
33 B – Sure
34
35 M – I mean you know so then uh he got a mad at my mom that time big time argument with each
36 other and
37
38 B – So Don argued with
39
40 M – Don and uh Linda
41
42 B – His mom
43
44 M – Yeah because uh Don got mad why you talk to Misook about the uh her husband girlfriend

1 husband then mom got a mad at me too why you talk to Don about that you know so I mean that
2 time.

3
4 B – Wow

5
6 M – I know I just mess it up that time you know yeah. But at that time I'm also a little bit upset
7 because somebody talk to me what did, he promised me he not gonna see her because you know he
8 wanted I tried to make my family you know I want to be, I don't want to my son growing up
9 without a father too you know. And a uh I tried to save this you know family too so I ask him you,
10 you not you know you not going to see her no more then we can be together okay no problem.
11 Then I find out from that Julia told me he's still seeing her and uh talk to her and stuff the in, she
12 gave me the infor, then little bit I got upset that's when I talk to him how can you be with somebody
13 still married you know.

14
15 B – Mm-hmm

16
17 M – Then you know he got mad about my mom you know cuz she talk to me about it

18
19 B – Okay

20
21 M – Information, which is that girl information mom know everything cuz they been very close and
22 you know and so I don't know that much about her really you know.

23
24 B – So you went up Friday to talk to, Thursday to talk to Linda

25
26 M – Thursday night yeah

27
28 B – Thursday night just to

29
30 M – But I don't see her

31
32 B – Just well what'd you want to talk to her about?

33
34 M – I just wanted you know she that she's not gonna be mad at me. I just want to explain to her you
35 know cuz I have to talk to Don about this woman so she, but I don't understand why mom have to
36 be mad at me about it you know so you know. I tried to explain to her you know what happened
37 you know then she don't want to hear that night or she's just mad at me and she don't want to see
38 me. Even I talk to her about, mom here your grandson outside the, it's very cold now you know
39 nighttime why not just let your grandson see you a little bit then she said oh I don't feel like to see
40 nobody so I have to go. Then you know the Larry whatever you know that the husband oh we
41 gonna call the cop so I got afraid you know so I had to leave there I don't want to get in any trouble
42 you know so I left right away to come home. And but I talked to Don though that day I talked to
43 Don uh what happened I go mom's house, he know everything about what's going on so. I come
44 home around after 12 o'clock.

1
2 B – And then so after you talked to your, to Linda
3
4 M – Mm-hmm
5
6 B – Thursday night
7
8 M – Mm-hmm
9
10 B – Which would have been, let me just think, probably August 30th
11
12 M – Yeah, no September, September
13
14 B – September 1st
15
16 M – Yeah
17
18 B – Right
19
20 M – Yeah
21
22 B – September 1st, you talked to her on the phone
23
24 M – Yeah
25
26 B – Because she wouldn't come to the door
27
28 M – No
29
30 B – Wouldn't let you in
31
32 M – No
33
34 B – The next time you talk to
35
36 M – It's a Sunday
37
38 B – To Linda
39
40 M – Yeah
41
42 B – Was Sunday after brunch
43
44 M – Yeah

1
2 B – Or after you ate at Cracker Barrel
3
4 M – Yeah, yeah around 11 something I believe so that's it, that's last time I talk to her. So one thing
5 I know that she's that time she is still there I mean you know.
6
7 B – Uh-huh
8
9 M – So nothing happened that time
10
11 B – Sure, was she nice to you when you talked to her?
12
13 M – That time yeah cuz I tried to tell her mom I still love you and you know I don't want you to be
14 mad at me and yeah so I don't think she's really upset about me or anything. Usually she's not that
15 upset but you know that Thursday night you know she...
16
17 B – Now you know that um Don, you said Don had a print out of all the phone
18
19 M – Yeah
20
21 B -- Things
22
23 M – Yeah
24
25 B – And, but I don't think your phone number was on one of them
26
27 M – That's
28
29 B – Is there a different phone number?
30
31 M – No that's an unknowing number is my number that comes unknowing number.
32
33 B – Now how, how can you do that?
34
35 M – I don't know that's, my number it's a private number cuz I don't put out my name. Usually
36 you see the caller I.D. it usually call me like Ms. Wang but I don't want to put up my name so you
37 know I just private number but they coming up unknowing number, I don't know why.
38
39 B – So your phone is programmed that anytime you call someone
40
41 M – Yeah
42
43 B – It will be, it would just say unknown caller?
44

1 M – No, no regular time I just call, even now I called you, you can see the private number, it's not
2 gonna be my I.D. Some people doing that.
3
4 B – So if you call me
5
6 M – Yeah
7
8 B – What, does it say a number that you called from?
9
10 M – No, it's not showed up anything
11
12 B – Okay
13
14 M – Yeah
15
16 B – And that happens for every one of your phone calls?
17
18 M – Yeah, yeah it's specially
19
20 B – So you don't have to do something every time?
21
22 M – No, no
23
24 B – You can just program your phone; look I don't want people to know
25
26 M – Yeah, yeah
27
28 B – See my name or my phone number when I call
29
30 M – Yeah, yeah
31
32 B – Okay
33
34 M – Cuz you can go to um, first time you get the number, that you can make it something like that
35 too a block, just like a blocking. So some people like you know uh one of my friend call me all the
36 time so people my number it has show up my name, Ms. Wang and the number. But the uh now I
37 call like my sister or my friend or whatever that's called private number it's not show. Sometimes
38 they, they don't know who they are so they don't answer phone.
39
40 B – Right
41
42 M – You know so it's the same with my husband's number too Don's number, same thing.
43
44 B – His number doesn't show up either?

1
2 M – No, no his number is probably the private number too yeah. But my 562 number maybe come,
3 showed up my name so.
4
5 B – And that's the phone you had in Cal, the California number or something?
6
7 M – Yeah, yeah
8
9 B – Now where's that phone at?
10
11 M – I, I have it
12
13 B – So you have two phones?
14
15 M – Yeah, mm-hmm
16
17 B – And the California one is 562-686-5999
18
19 M – Yeah
20
21 B – And the one that comes back uh with the private number is
22
23 M – 1187 number
24
25 B – 299-1187
26
27 M – Yeah, mm-hmm
28
29 B – Okay and you think your husbands, Don's, 622-1341 comes up private?
30
31 M – I think so too yeah
32
33 B – Okay
34
35 M – I'm not for sure but I, I believe so
36
37 B – Well does he, does he have another number
38
39 M – That's, I don't know maybe he hide, I don't know
40
41 B – You said you broke a phone
42
43 M – Yeah that's his old, old one the uh he have a T-Mobile, yeah
44

1 B – Okay what was that number?
2
3 M – 9, I don't know it's uh 6, let me see 309-950-0988, last number is 0988. 950-0988 that the
4 phone number
5
6 B – 0988
7
8 M – Yeah 309-950-0988 I believe so, yeah that number is old number.
9
10 B – So did Don know you were going to go talk to his mom on Thursday night?
11
12 M – Yeah, yeah because his mom called him already and I talked to him Thursday night also he
13 know I talk to mom Sunday too.
14
15 B – So before you left Bloomington
16
17 M – Yeah
18
19 B – And you took Donovan to go to Chi, Crest Hill
20
21 M – Yeah
22
23 B – You told Don you were gonna go talk to his mom?
24
25 M – No actually not, I called mom before I left you know but he doesn't want
26
27 B – No I'm asking, I'm asking though did Don know?
28
29 M – Yeah Don know
30
31 B – How'd he know?
32
33 M – He probably his mom call him yeah that's what I'm assuming
34
35 B – Okay do you know for a fact she called or are you just guess, do you know for sure.or are you
36 just guess?
37
38 M – I think for sure yeah cuz he called me back and why you go to mom's house and I say well I
39 wanna see mom.
40
41 B – So that was after that you went to your, his mom's house?
42
43 M – Yeah, yeah
44

1 B – So he calls you afterwards says what are you doing at my mom's house
2
3 M – Yeah, yeah
4
5 B – So he might not have known, he didn't know then
6
7 M – I don't know that's, that, I think that he know because his mom probably call him oh Misook is
8 here you know something like that you know. I don't know, I don't know what's going on but I,
9 later he call me you know, he's in Champaign that day he told me he go Champaign with his friend
10 house so.
11
12 B – Okay, it doesn't sound like you're too happy with Don
13
14 M – I am
15
16 B – You are happy with him?
17
18 M – Yeah because I don't have any problem with him actually you know I mean he's not that uh I
19 mean he's not making good money and stuff but still it's my baby's husband and we live in 13 year
20 for like you know family together like that. He take care of my father for like 5, 6 year together live
21 in California until now. So I just hopefully and you know just I don't know what happened to my
22 family right now just.
23
24 B – Let me, when did Julia tell you that Don was still seeing, or still has a girlfriend?
25
26 M – That woman told me
27
28 B – When?
29
30 M – That Julia
31
32 B – When?
33
34 M – Uh that's uh, that's uh probably Wednesday, Thursday, Wednesday yeah
35
36 B – Wednesday of
37
38 M – Yeah
39
40 B – Last week?
41
42 M – No that the, I go the Thursday night I go to mom's house right
43
44 B – Okay

1
2 M – Wednesday, that day before yeah, yeah
3
4 B – Okay so that would be August 31st
5
6 M – Yeah, yeah I remember August 31st, end of day I remember
7
8 B – What do you think happened to Linda?
9
10 M – I don't know, what I'm thinking is uh I hope, I don't want to think of think something
11 happened to her so far. You know I uh I live in with 2 years over uh the Lucky Garden, you know
12 where Lucky Garden? He that time Don almost went working for the Lucky Garden too, I
13 remember the time the Lucky, they opened the Lucky, new Lucky Garden uh 3 that uh, that uh
14 Fukienese people, 3 guy come to their house you know. They had the owner guy his names Lein
15 and uh they go to their house and they have a 3 kids there, they're you know 1 daughter and a 2 son
16 they all you know rip up their hands and tied up everything then they steal their uh big uh like a
17 what a safe. They have like a lots of money, cash money and a jewelry and everything and more
18 than 100,000 dollar they took over there. You know that time he almost tried working for the
19 Lucky Garden but I hear that those people, uh Fukienese people I don't know the Chinese people
20 like I don't know that much about Chinese culture and everything cuz I'm Korean, totally different
21 than but all those Chinese people know is the Fukienese people very bad that's what I hear. So uh
22 oh they have that kind of experience I hear that what happened that time so I don't know that 917
23 that number from New York, that's what I hear from my husband so maybe somebody taking her to
24 like drove there from New York. We don't see the car yet they mean you know I hopefully mom's
25 still okay so maybe they, they you know those people maybe can speak English and maybe you
26 know they don't have enough vehicles something. Maybe they take mom to New York, something,
27 somewhere that's what I'm guessing, hopefully that happens then maybe they let go mom you
28 know, you know.
29
30 B – So you think that she's the Fukienese people might have just taken her to
31
32 M – New York, something I don't know
33
34 B – And you hope she's still okay
35
36 M – Yeah
37
38 B – Um do you let anybody drive your vehicle?
39
40 M – Yes I do sometime
41
42 B – Who do you let drive your vehicle?
43
44 M – Oh maybe like my husband and sometimes my mom yeah

1
2 B – Linda, okay. Go ahead
3
4 M – And uh so far it's something like that yeah. Maybe sometimes my daughter home yeah.
5
6 B – Michelle
7
8 M – Michelle yeah Michelle yeah
9
10 B – When was the last time Don drove your vehicle?
11
12 M – Hmm I don't know maybe last week maybe yeah
13
14 B – What about Linda?
15
16 M – Linda drive my car?
17
18 B – Yeah
19
20 M – Oh I don't know I don't think its long time ago probably, maybe. Maybe uh let me see um one
21 time I remember mom had to go to fixing my car around oh August the 1st, yeah August the 1st I
22 remember which um that you know that I already got a retail theft for like a trouble right now.
23
24 B – I'm sorry
25
26 M – You know I got in little bit trouble with a retail theft you know I got you know uh you don't
27 know that?
28
29 B – I don't know what you're trying to tell me. You got, I got, you got in trouble for something, I
30 don't know what it was
31
32 M – Yeah the retail theft you know
33
34 B – Okay
35
36 M – I have a trouble with the Von Maur
37
38 B – Oh okay
39
40 M – Yeah so uh I get out jail from August the 1st. That day I remember me and Don got in little bit
41 of argument so my car key got a little bit broke down. So mom had to take my car to the Mercedes
42 dealer I remember that time. So that's why I can think of the last time she drove my car.
43
44 B – What about Michelle?

1
2 M – Michelle's probably long time ago like 2 years ago, yeah. But I can let her drive my car
3 sometimes you know maybe she has to you know take it to Donovan somewhere.
4
5 B – Sure, sure anybody else?
6
7 M – I don't think so
8
9 B – Now when was the last time you drove Don's car?
10
11 M – Uh Don's car I don't know I don't even remember they very open to driving like that. Couple
12 weeks, maybe last month sometime I don't know.
13
14 B – So when after Cracker Barrel...
15
16 M – Yeah
17
18 B – Until Don came back on Wednesday, has anybody drove your car?
19
20 M – No I don't think so, no.
21
22 B – When you talked to, you said you talked to someone from Imperial, right?
23
24 M – Yeah uh talk to over there Julia
25
26 B – No
27
28 M – Oh uh Raymond?
29
30 B – What'd you say his name?
31
32 M – Raymond
33
34 B – Raymond, yes
35
36 M – Yeah, the owner there
37
38 B – What'd you guys talk about?
39
40 M – Oh just uh talk to him about the uh Don has girlfriend and you know, something like that.
41
42 B – What, what'd he say?
43
44 M – He don't really care I guess it's not his business so you know. And uh um I just maybe talk to

1 him over that time you know I don't know I'd hate to be divorced so uh and I tried tell him about
2 that too you know I tried to keep my family too but somehow you know really I hate that you know
3 he keep seeing her or whatever, talk to her. So just talking like that kind of things you know and he
4 talk, he is very close with Don too. So he say he is gonna talk to Don about it so then ask they are
5 talking each other too I think you know so.
6
7 B – Okay so you went and talked to Raymond about Don having a girlfriend?
8
9 M – Yeah
10
11 B – And Don was working in Imperial at the time?
12
13 M – Mmm yeah I think so yeah, yeah that night he's working
14
15 B – So he's not working there now?
16
17 M – No he not working no more
18
19 B – What happened?
20
21 M – He just not working there no more I mean sometimes he working there but sometimes not. So
22 you know not all the time so.
23
24 B – Did you ask Raymond to fire him?
25
26 M – Uh I don't say to fire him no, no, no, no, I cannot do that
27
28 B – Who'd you want fired?
29
30 M – What?
31
32 B – The girl, did you want the girl fired or who'd you want fired?
33
34 M – Fired, no I don't say anything fire
35
36 B – Okay
37
38 M – Yeah
39
40 B – Well then why isn't Don working there then?
41
42 M – Who Don?
43
44 B – Yes

1
2 M – I don't know
3
4 B – You talk to him
5
6 M – I talk to him? What's name?
7
8 B – Don, don't you talk to him?
9
10 M – Well because he got embarrassed I don't know why, I don't know why he wanna working there
11 for. You know because Raymond talked to him I believe, what I hear that uh that Raymond talked
12 to him, the whatever owner guy. Talk to Don, you have to take care of your you know your
13 problem with your wife first then you can come back to work something like that you know.
14
15 B – So did you ask Raymond for help?
16
17 M – Yeah
18
19 B – And so Raymond decided you know he needs to take care of his family first.
20
21 M – Yeah then you know he can come back to work. He said something like that to Don then Don
22 just don't wanna go back to work there you know I don't know. And uh he tried to find out who
23 that's one reason I asked you don't tell Don about who talked to me about the girlfriend thing, he
24 tried to find out who did it.
25
26 B – Why, who cares right?
27
28 M – Well he want revenge on her or something I don't know, I don't know that is what he said.
29
30 B – You and, you and Don ever been in a fight? Do you guys ever hit each other?
31
32 M – Hit, no not hit he tried to I mean you know we may grab something but not really hitting each
33 other but spanking something, no we don't.
34
35 B – What happened to your elbows and your hand?
36
37 M – That's always like that very, very
38
39 B – And your scrape on your forearm
40
41 M – That's
42
43 B – Here this here, what's this here, right, turn
44

1 M – What?
2
3 B – What's that?
4
5 M – That's a my son always do that
6
7 B – Your son did that?
8
9 M – Yeah, yeah lot
10
11 B – You need to cut his fingernails
12
13 M – Well I know yeah
14
15 B – Let me see the back of your elbow, what happened here?
16
17 M – That's I fell down one time a long time ago
18
19 B – You fell down?
20
21 M – Yeah
22
23 B – And you got a mark on your hand here
24
25 M – That is a long time ago I do like a needle stuff sometimes yeah.
26
27 B – Uh-huh and then let's see the other elbow you got an abrasion on it?
28
29 M – Yeah I fall down
30
31 B – You gotta quit falling down
32
33 M – Yeah
34
35 B – Right, when was the last time you fell down?
36
37 M – Like on Sunday, Sunday night I fall down you know.
38
39 B – Where at?
40
41 M – Uh in my office, yeah
42
43 B – Where?
44

1 M – My office
2
3 B – Oh your office
4
5 M – Yeah, yeah
6
7 B – When you're, when you're at your office do you drink at all, do you have any drinks?
8
9 M – Yeah we do
10
11 B – Any alcohol?
12
13 M – No, no, no, no, no
14
15 B – Do you drink alcohol at all?
16
17 M – No I mean I drink one time, one time maybe little while like a wine cooler
18
19 B – Uh-huh, sure
20
21 M – But I cannot drink too much cuz I can't
22
23 B – Okay do you do any drugs at all?
24
25 M – No
26
27 B – Do you smoke at all?
28
29 M – No
30
31 B – Okay
32
33 M – No
34
35 B – Just trying to figure out how, why you fall down so much.
36
37 M – No that time I got a heavy stuff I always gotta carry out heavy stuff with Donovan stuff or
38 game whatever that, you know that night it so dark, it almost dark and I can, they have like a little
39 rock and I just fall down there.
40
41 B – Okay
42
43 M – Yeah
44

1 B – You got any other marks on your body other than those?
2
3 M – No
4
5 B – Okay, where do you think we could find Linda?
6
7 M – I don't know right now I cannot say anything really. I hope that she's okay, that's what I
8 hoping for really you know. Do you have any idea, I mean?
9
10 B – I'm hoping that's why I'm talking to you hoping that you can help us.
11
12 M – You know, I don't know, right now just, I just not I just not believing that happened to my life
13 really you know just something like that.
14
15 B – Now when you shop where do you shop, you know for food?
16
17 M – Mostly I go to Meijer a lot
18
19 B – Meijer?
20
21 M – Yeah it's close for Don's working used to. And Meijer's cheaper, have a lot of vegetables
22 mostly I go Meijer
23
24 B – Vegetables
25
26 M – And also I got a dry cleaning place, is next to Meijer
27
28 B – You do?
29
30 M – Yeah that Normal that Crest, uh that uh Starcrest
31
32 B – Uh –huh
33
34 M – I Always Tuesday and Thursday I pick up their clothes
35
36 B – Okay
37
38 M – So I pick it up then and I go next door to buy the groceries stop and come back. That time
39 mostly my friend Yuman gotta watch for me my store cuz I have more time to do that, yeah.
40
41 B – Okay, do you know where Cubs is?
42
43 M – Yeah, yeah
44

1 B – Do you ever shop there?
2
3 M – Oh yeah I go to there
4
5 B – When was the last time you were at Cubs?
6
7 M – Cub food oh last week probably, yeah. I go anytime there I mean I sometimes I need to go by,
8 cuz close to my shop so I can go anytime to go shopping there too, yeah.
9
10 B – Okay so what hours would you normally be there?
11
12 M – Probably afternoon, after working time
13
14 B – After work so
15
16 M – Yeah cuz I, I don't go early morning or no I never go to
17
18 B – Okay you don't go in the mornings?
19
20 M – No, no which uh probably I get out the work mostly time with Donovan together, yeah. But
21 I'm more open to shopping at the probably Meijer.
22
23 B – Okay
24
25 M – They are more, have
26
27 B – Because they have fresher vegetables
28
29 M – Yeah and they're more cheaper
30
31 B – More cheap
32
33 M – For their food and everything
34
35 B – Mm-hmm, would you ever hurt Linda?
36
37 M – What?
38
39 B – Would you ever hurt Linda?
40
41 M – No, why?
42
43 B – Just I have to ask
44

1 M – No, no
2
3 B – Why not?
4
5 M – It's mom, why?
6
7 B – She sticks up for Don all the time
8
9 M – What?
10
11 B – She sticks up for Don all the time
12
13 M – She is mom, my, my, my son's grandmother you know. I don't think Don gonna hurting my
14 father, isn't it?
15
16 B – I'm sorry
17
18 M – I don't think Don gonna hurting my father which maybe even he got mad at my father or
19 something I don't think so, no I don't think so.
20
21 B – So even though you get mad at Linda you would not hurt her?
22
23 M – No maybe I'm mad at Linda I mean, mostly I'm mad at something for mom because it's Don.
24
25 B – Uh-huh
26
27 M – I hurting him maybe but not mom, nothing to do with mom.
28
29 B – What if, what if our investigation shows that you might have had something to do with Linda's
30 disappearance?
31
32 M – What mean?
33
34 B – That you had something to do with her being missing.
35
36 M – Now?
37
38 B – Yes
39
40 M – I don't know, I do something wrong?
41
42 B – No I'm asking you
43
44 M – Mm-hmm

1
2 B – If, if our invest, you know we’re doing an investigation
3
4 M – Yeah, yeah I know yeah
5
6 B – And if our investigation
7
8 M – Mm-hmm
9
10 B – Do you think our investigation’s gonna show that you had something to do with Linda being
11 gone, disappearing?
12
13 M – No, I don’t know. I don’t know what you’re meaning there.
14
15 B – Okay do you have anything to do with Linda being missing?
16
17 M – No, no, really
18
19 B – You sure?
20
21 M – Yeah, yeah
22
23 B – Now when I talk to Don and I ask him who do you think might be responsible for his mom
24 being missing and I’m, I’m saying of all the people who do you think, you think he’ll say you?
25
26 M – No
27
28 B – Who do you think he’ll say?
29
30 M – Who Don?
31
32 B – Mm-hmm
33
34 M – He probably gonna say maybe some Chinese people
35
36 B – The Fukienese people?
37
38 M – Yeah
39
40 B – Because of that one number?
41
42 M – Yeah. Why he said that I did something?
43
44 B – I didn’t say that, I’m just asking

1
2 M – No I mean
3
4 B – I just asked you
5
6 M – Just want to be sure that, he better not
7
8 B – What would you do if he did?
9
10 M – Oh then something wrong with him too really you know, you know something wrong with him
11 really.
12
13 B – Well I think there's something wrong with someone that has a girlfriend that's still married,
14 don't you?
15
16 M – What you mean?
17
18 B – Do you think its okay for someone to
19
20 M – No we're gonna supposed to be divorced pretty soon, do you know that?
21
22 B – Uh-uh
23
24 M – No yeah we supposed to be have a divorce
25
26 B – Really
27
28 M – We go
29
30 B – Do you have a court date?
31
32 M – No we don't have a court date but we supposed to you know uh we already planned for that.
33 You know I supposed to move to different state when my father come back so until that time I mean
34 even, this mom's missing something happened before, we already planned for that. You know
35 because I know he not gonna leave her.
36
37 B – I thought you said that you wanted him to, you wanted to have, everything's fine between you
38 and Don.
39
40 M – That's what I want but he keep seeing her. I can't do nothing about it right?
41
42 B – Uh I, no you can't
43
44 M – Yeah that's all right, that's all right, I tell my, I tell my friend too ya know I hopefully he not,

1 he gonna, he not gonna see her and I hope he not gonna you know do nothing do with her but
2 somebody talk to me already you know he's still seeing her you know so I know he not gonna leave
3 her. And the one time I remember she, she call me she told me that uh, uh Don not gonna living
4 with you something like that, she mentioned to me something like that too. So I know he not gonna
5 be with me so we already planned all that that we got divorce and stuff, everything. But he just said
6 to...
7
8 B – Did Linda know, did Linda know that?
9
10 M – I don't know if she know or not but I don't know. That part I don't know.
11
12 B – When did you guys decide that?
13
14 M – Uh this is probably 2 weeks ago like a 2 weeks ago.
15
16 B – So you decided that, I want to make sure I understand this, you guys decided you were going to
17 end your marriage
18
19 M – Mm-hmm
20
21 B – When your father gets back
22
23 M – Yeah
24
25 B – And you were going to move to another state
26
27 M – Yeah, yeah
28
29 B – And then even with that information, then you go talk to Raymond afterwards and said hey
30 please stop, let him get our personal life together because he's messing around with someone.
31
32 M – Mm-hmm
33
34 B – Tell him to get a personal life, and then you go talk to his mom correct?
35
36 M – What you mean I don't
37
38 B – Two weeks ago
39
40 M – Mm-hmm
41
42 B – That would be um near the end of August
43
44 M – Yeah, yeah

1
2 B – Don and you decided your marriage is over
3
4 M – Yeah
5
6 B – You’re gonna stay together until your dad gets back at the end of the month
7
8 M – Yeah
9
10 B – You’re gonna get a divorce and you’re gonna move to another state
11
12 M – Mm-hmm
13
14 B – What state?
15
16 M – I wanna really go back to California
17
18 B – California
19
20 M – Yeah cuz I’m used to out there yeah
21
22 B – Sure, at, but even then, so you made that decision, you guys are done, finished, no if’s ands or
23 butt’s about it
24
25 M – Yeah
26
27 B – Then you go talk to his boss, Raymond
28
29 M – Yeah
30
31 B – And said Raymond he’s having an affair basically, do something, help me.
32
33 M – Yeah because I you know I ask him you know why he can give to me, that’s what I asked Ray,
34 Raymond one time asked me what did you want from him. So I just tell him you know I said I want
35 a 50,000 dollar and I want a child support and I want alimony you know then he said okay I’ll talk
36 to Don about it you know. Because sometimes me and him talk together then maybe argue or
37 something you know he not listen to me, that’s why I went and I talked to Raymond about it, you
38 know. So he talk to Don about it you know what he gonna do, something like that you know.
39
40 B – So basically you were talking to Raymond about a settlement for your divorce
41
42 M – Yeah
43
44 B – So we can get done and be done

1
2 M – Yeah, yeah
3
4 B – And that was 50,000 dollar, set
5
6 M – Yeah I just say that I mean I know, I know he don't have that kind of money but you know.
7
8 B – How much money do you guys have in the bank?
9
10 M – Oh I don't know maybe, not even, not much money really.
11
12 B – How much?
13
14 M – I don't know about him he always do with his mom together, banking. And I have in bank 4 or
15 5,000 dollar, yeah that's what I have.
16
17 B – Car paid for?
18
19 M – No, we're still paying
20
21 B – Still
22
23 M – We almost there yeah
24
25 B – Almost
26
27 M – Yeah, just a little more
28
29 B – Any other bills?
30
31 M – Um actually we don't pay for any credit card right now but you know he don't have no job and
32 you know I'm in like an unemployment check right now so we don't pay by any credit card. But
33 we got a car payment and house payment so far and...
34
35 B – Who'd you buy your house from?
36
37 M – Where I buy?
38
39 B – Yeah
40
41 M – National City
42
43 B – No who, who'd you buy it from?
44

1 M – Buy from what you mean?
2
3 B – You bought; you bought 1920 Tracy Drive, apartment 13
4
5 M – I buy from 1999
6
7 B – But who owned it before you?
8
9 M – I don't know
10
11 B – Okay
12
13 M – Yeah I don't remember I remember there was one black lady yeah but I don't know who.
14
15 B – Don't know the name
16
17 M – No
18
19 B – Okay
20
21 M – That was long time so
22
23 B – I need to get a drink of water; do you need a drink of water?
24
25 M – Yes please, some. A little bit.
26
27 B – I sure will and then I'll be right back all right
28
29 M – All right
30
31 (01:18:18 Detective Barkes exits the room)
32 (01:19:39 Detective Barkes opens the door)
33
34 B – Here you go (hands Misook a glass of water)
35
36 M – Oh thank you sir
37
38 (01:19:43 Detective Barkes exits)
39 (01:39:13 Detective Barkes enters the room)
40
41 B – Sorry about that Misook
42
43 M – Oh that's okay, I fall asleep
44

1 B – Oh that's okay, fall asleep, did you work late?
2
3 M – Yeah yesterday I did a bit kind of you know
4
5 B – Well you got a lot of puncture wounds in there, what's all that?
6
7 M – I fall down, Sunday night
8
9 B – Yeah I know you told me that
10
11 M – Yeah, yeah
12
13 B – But all those little things are from falling down?
14
15 M – Yeah I got scratch all, did I tell you that I got a big time hurting here too?
16
17 B – No
18
19 M – Fall down, yeah see my son see that that day you know. Got a little rock that are in here, see I
20 fall down
21
22 B – Did you go to the doctor or anything?
23
24 M – No, no, no, no, no
25
26 B – No
27
28 M – Yeah, that night, it's a Sunday night happened you know that's all this side got a little bit too
29 (pointing at her left arm)
30
31 B – Yeah, Misook, am I pronouncing your name correctly?
32
33 M – Yeah, yeah, yeah
34
35 B – Okay, I just want to make sure, have you ever been to Hibachi Grill?
36
37 M – What's that?
38
39 B – It's a restaurant you know um I'm just trying to think it's in, it's off of Veteran's Parkway it's a
40 um Chinese buffet I believe
41
42 M – Hibachi Grill?
43
44 B – Hibachi Grill, uh-huh

1
2 M – Hibachi Grill?
3
4 B – Yeah
5
6 M – Hibachi Grill, yeah, yeah, yeah
7
8 B – Have you ever been there?
9
10 M – Yeah, yeah I’ve been there a couple times
11
12 B – When was the last time you were there?
13
14 M – Oh I don’t remember exactly it’s a pretty long time ago like in a May, around May.
15
16 B – Of this year?
17
18 M – Yeah
19
20 B – Now we’re talking about um you know where um, there used to be a restaurant called Ruby
21 Tuesday’s
22
23 M – Yeah
24
25 B – And it’s behind; it’s in the same parking lot
26
27 M – Yeah
28
29 B – But down past that
30
31 M – Uh-huh
32
33 B – Okay so May of 2011
34
35 M – Yeah, yeah
36
37 B – Do you know anybody that works there?
38
39 M – No, not really
40
41 B – Misook, you sure you weren’t there Sunday?
42
43 M – What you say?
44

1 B – You sure you weren't there a week ago Sunday?
2
3 M – Sunday, I don't remember, Sunday
4
5 B – The day you, the day you went to Cracker Barrel, you sure you weren't there?
6
7 M – No, I don't eat there, nothing
8
9 B – No not eat; I said did you go there?
10
11 M – No I don't think so
12
13 B – Could you of?
14
15 M – Yeah
16
17 B – You could of went there?
18
19 M – No, Hibachi Grill? No I don't eat there; I already eat at Cracker Barrel
20
21 B – No I understand that, there weren't, I'm saying did you go there, I'm not saying you ate there
22 I'm saying did you go there?
23
24 M – No
25
26 B – You sure
27
28 M – Yeah, why?
29
30 B – Well I think you know why
31
32 M – What you mean, why?
33
34 B – I wouldn't ask you about if you were at Hibachi Grill if I didn't know something right?
35
36 M – No
37
38 B – If, if we, you and I have never talked about Hibachi Grill til just now right?
39
40 M – Mm-hmm
41
42 B – So for me to bring up Hibachi Grill that means something must have been going on.
43
44 M – I don't know, no

1
2 B – Does anybody hate you?
3
4 M – No, hate me?
5
6 B – Mm-hmm
7
8 M – Like who?
9
10 B – So no one would lie for you, they wouldn't lie about you, would they?
11
12 M – I don't know, maybe somebody hate me, I don't know, how I know?
13
14 B – Okay
15
16 M – Yeah
17
18 B – You sure, I'm gonna ask you because it's important
19
20 M – Mm-hmm
21
22 B – I don't know what happened to Linda
23
24 M – Yeah
25
26 B – Okay
27
28 M – Yeah
29
30 B – But it concerns us
31
32 M – Yeah I know that yeah
33
34 B – Okay, and I think and I think it concerns you too
35
36 M – Mm-hmm
37
38 B – Okay
39
40 M – Yeah
41
42 B – But somewhere, somehow you got involved with Linda's disappearance
43
44 M – I am, oh of course I am one of a family member yeah, I understand that.

1
2 B – Okay and it goes further than being a family member okay
3
4 M – Okay
5
6 B – We’ve got a lot of you know this whole investigation started a week ago Monday.
7
8 M – Yeah
9
10 B – A lot has been done
11
12 M – Mm-hmm
13
14 B – During that time frame okay
15
16 M – Mm-hmm okay
17
18 B – You’re here today because it appears that you have real good information about what happened
19 to Linda, you’re just not telling us right now. And I don’t, and I’m trying to figure out why you
20 wouldn’t tell us.
21
22 M – I don’t, I don’t understand that either, why
23
24 B – Yeah and there’s only two, there’s only two explanations why you wouldn’t tell us. One that
25 you’re involved in her disappearance or two you were forced to do something you didn’t want to do.
26
27 M – Like if, what you mean?
28
29 B – Like someone tells you, you know I want you to call and make an appointment for Linda, if you
30 don’t I’m gonna hurt you.
31
32 M – What?
33
34 B – My point, so my point is either you, you know, do you know why Linda was even in
35 Bloomington?
36
37 M – No
38
39 B – Yes you do, Don’s told you
40
41 M – Yeah she supposed to meet somebody, yeah
42
43 B – Okay so tell me, tell me why she was supposed to be in Bloomington?
44

1 M – She was supposed to meet somebody right?
2
3 B – Mm-hmm
4
5 M – Yeah
6
7 B – And how much was she supposed to get paid, how much?
8
9 M – I don't, 500 dollar I believe so yeah, yeah
10
11 B – You know the answers to the questions
12
13 M – Yeah
14
15 B – They're not
16
17 M – Yeah
18
19 B – Misook they're not hard questions okay um but I'm telling you what the problem is, it makes
20 you look bad when you don't answer the questions correctly okay. And I don't think you want to be
21 known as that person that doesn't answer things truthfully okay.
22
23 M – Okay
24
25 B – So, so you knew through somebody that Linda was coming to Bloomington Monday morning
26 to take somebody to where?
27
28 M – Chicago, yeah
29
30 B – Chicago or where specifically?
31
32 M – I don't know, to maybe school
33
34 B – To what kind of school?
35
36 M – Some kind of school
37
38 B – Okay, Chinese school?
39
40 M – Yeah
41
42 B – Okay and where's that located at?
43
44 M – I don't know, I don't know about China school anything

1
2 B – Where did you, excuse me, where do you think it would be?
3
4 M – Chinese school? I don't know I don't have any idea about Chinese school, yeah.
5
6 B – Okay so you know what was being said
7
8 M – Yeah
9
10 B – And what brought Linda down here
11
12 M – Yeah
13
14 B – Now did you have anything to do with making that arrangement for her to come down?
15
16 M – No
17
18 B – You sure?
19
20 M – Yeah, yeah why
21
22 B – Because we have people that says differently
23
24 M – Who say that?
25
26 B – Well that, that doesn't matter what matters is I'm trying to figure out why you would not be
27 truthful. I think you've been very truthful about your relationship with Don.
28
29 M – Yeah
30
31 B – And that hurts, that hurts, I understand
32
33 M – Yeah
34
35 B – And that's painful to love somebody, to have a child with somebody and then turn around and
36 tell them, give them every chance in the world.
37
38 M – Then what you try
39
40 B – To change then he turns around
41
42 M – No I understand that, what you trying to say is that I kill mom, something?
43
44 B – I didn't say that I, I didn't say that

1
2 M – Or that I do something to mom?
3
4 B – I didn't say
5
6 M – Because I hate my husband that's what you, what you thinking now or what?
7
8 B – I didn't say any of that
9
10 M – Yeah I mean what
11
12 B – What I'm saying, what I'm saying, what I'm saying is that you made the arrangement for your
13 mother in law to come down to Bloomington to pick up a client.
14
15 M – Why have to do that I mean?
16
17 B – That's what I'm gonna ask you, why would you do that?
18
19 M – Yeah, why?
20
21 B – I, I don't, that's what I'm asking you why would you do that?
22
23 M – I don't know, I have no client, I have nobody to pick up
24
25 B – You realize that um we and I, I don't know if our detective's there yet but they're on their way
26 to Hibachi Grill to get a video okay.
27
28 M – Yeah
29
30 B – And that video if our witness is true or what they said should show you coming in there asking
31 for someone who could speak Chinese.
32
33 M – Mm-hmm, yeah
34
35 B – Did you do that?
36
37 M – Yeah
38
39 B – When did you do that?
40
41 M – When I did it?
42
43 B – Yes when did you do, when did you go to Hibachi Grill and ask for someone who could speak
44 Chinese?

01:48:00

1
2 M – I, speaking Chinese?
3
4 B – No when did you go into Hibachi Grill and ask if anybody there spoke Chinese?
5
6 M – I don't think I do that really
7
8 B – Okay I'm saying if you did when would it have been, if you did that when would it have been?
9
10 M – I don't remember anything yeah I cannot say anything really. Why did I say do something like
11 that?
12
13 B – Do you blackout sometimes?
14
15 M – Maybe sometimes yeah, yeah
16
17 B – Because I'm trying to understand how there's a possibility of you being on video, being in a
18 place that you said you that you weren't there, you don't have a twin.
19
20 M – Mm-hmm I know yeah, yeah I understand that yeah
21
22 B – So I'm trying to think is somebody using you to do something for them?
23
24 M – I don't know about that, maybe
25
26 B – Okay well why, why would you be in Hibachi Grill then?
27
28 M – Hibachi Grill?
29
30 B – Yeah why would you be there?
31
32 M – I don't have no idea really
33
34 B – Okay all right it's possible that the person's telling us the truth though right?
35
36 M – Yeah
37
38 B – Okay now this person tells us that you needed somebody to translate in Chinese for you.
39
40 M – Mm-hmm
41
42 B – You don't speak Chinese do you?
43
44 M – No I cannot speak Chinese, yeah

1
2 B – So they go out to the parking lot, you use your phone, you dial Linda
3
4 M – Yeah
5
6 B – And then you tell, before that happens you tell this person what you want them to say to Linda
7 okay.
8
9 M – Yeah
10
11 B – Then you dial the phone, you give the phone to this person
12
13 M – Yeah
14
15 B – Okay and this person says what you told her to say
16
17 M – Okay
18
19 B – Why?
20
21 M – I don't know you ask her why?
22
23 B – Well I know why she said it because she's doing you a favor. I don't know why you did it, why
24 you wanted to talk to Linda in Chinese.
25
26 M – I can speak to mom in English too
27
28 B – Yeah I know
29
30 M – Yeah
31
32 B – So why did you go to Hibachi Grill, ask if someone could speak Chinese, and then take them
33 outside and tell them I want you to call Linda and tell them that there's a client that will meet them
34 at Cub Food at 5:30 in the morning, I think 5:30 in the morning, on Monday, Labor Day morning
35 and the client will pay her 500 dollars, why would you tell her that?
36
37 M – Did I tell her somebody like that?
38
39 B – Yep you sure did
40
41 M – Who said that oh my god
42
43 B – I, it doesn't matter who said it, I'm trying to figure out why you would say it.
44

1 M – I don't know, I never say that. Why you say that I mean?
2
3 B – I, I, I'm not making it up
4
5 M – I don't make it up either. I mean I can talk to mom for maybe I, I if I want or something like
6 that I can talk to mom for English right do I have to be Chinese isn't it?
7
8 B – If you're mad at her and you don't want her knowing it's you calling it would be Chinese.
9
10 M – I don't think so, no, no. So try now tried somebody tried to make it up I did that to mom?
11
12 B – Why would someone do that?
13
14 M – That's what I don't understand why. Somebody set up for this, what?
15
16 B – I'm just, I'm just asking you. Somewhere and I'm gonna tell you another piece of the story
17
18 M – Okay
19
20 B – They picked you out, your picture, said that is the person that told me to make that call.
21
22 M – Okay
23
24 B – You, your picture
25
26 M – My picture okay
27
28 B – Nobody else's
29
30 M – Yeah
31
32 B – So it can't be made up
33
34 M – Did that person tell me I do that right?
35
36 B – Yes
37
38 M - Okay so why, why my husband try to do I mean
39
40 B – I don't know
41
42 M – Why, I know my husband set up all this thing right?
43
44 B – You tell me. Right, Misook

1
2 M – Oh my god
3
4 B – Misook if your husband set something up to try to frame you, you need to talk to me and tell me
5 why because it looks bad for you.
6
7 M – I don't know why, maybe he want to be with that girl, try to I don't know he want to get the
8 insurance I don't know, I don't know why.
9
10 B – Is there insurance?
11
12 M – Yeah life insurance, he told me he cannot find the body he cannot get any, that's why we talk
13 about many time.
14
15 B – What, what did she say, what's he say, I'm listening
16
17 M – He say you know he can't, he can't get any money from mom he cannot find the body.
18
19 B – Okay he says he can't get any money from his mom if they can't find the body?
20
21 M – Yeah
22
23 B – Have you guys ever talked about?
24
25 M – No
26
27 B – Well why would you talk like that then?
28
29 M – I don't know that's what he told me many time, I don't know why.
30
31 B – So how much insurance money does she have?
32
33 M – I don't even know but I know it's a lot probably you know.
34
35 B – A million dollars is a lot
36
37 M – No, no not million dollar, yeah
38
39 B – Okay a hundred thousand is a lot
40
41 M – Yeah
42
43 B – So a hundred thousand, a million, two hundred thousand, what do you think?
44

1 M – Maybe two hundred, two hundred fifty, I don't know
2
3 B – Two hundred fifty thousand
4
5 M – Yeah, yeah
6
7 B – And he's the beneficiary?
8
9 M – Yeah
10
11 B – Meaning if something happens to her he gets the money
12
13 M – All the money, yeah. Yeah but he's all bank money too right now
14
15 B – I'm sorry
16
17 M – He's all bank money, even Linda's all the checking account, saving account he can get all any
18 money from her.
19
20 B – How do you know that?
21
22 M – He, he, he told me
23
24 B – When did he tell you that?
25
26 M – Many time and he even told me even if something happen to mom he, he can still get the
27 money from mom for the social security money for 1,400 dollar every month. He told me that even
28 if he cannot find the body he still can get the 1,400 dollar every month but that's why he told me
29 that.
30
31 B – And still, okay you love Don right?
32
33 M – Yeah I love him yeah but not now but he cheating me, yeah. But we supposed to have a
34 divorce together yeah, right I told you that?
35
36 B – You told me that
37
38 M – Yeah
39
40 B – Yeah you tell me a lot of things but you also don't tell me the whole truth
41
42 M – What truth like you know?
43
44 B – The Hibachi Grill, you know there's a person there, there's a video that we're gonna send a

1 detective out to pick up.
2
3 M – Okay
4
5 B – There’s a pic you, you know girl goes that’s the person right there.
6
7 M – Mm-hmm yeah because I’m his mother, daughter in law, of course they can pick on me right
8 there of course.
9
10 B – How would they know you?
11
12 M – I go there a couple times, everybody knows my husband working the uh that uh whatever you
13 know. But one time I went there with makeup on uh one time I would go there with no makeup on
14 you know and I go there for a lot of Korean friend you know so they know probably me too you
15 know, I’ve been there before you know, little while. Like around May I go, end of May I go there
16 and in June I go there you know I ate there too you know. And a lot of people know my husband
17 working at the you know Imperial Buffet, it’s manager there, yeah. Lot of people know that and he
18 marry for Korean woman too you know yeah a lot of people know that.
19
20 B – So Hibachi is that a Korean restaurant or a Japanese restaurant?
21
22 M – That’s a Chinese restaurant
23
24 B – Chinese restaurant
25
26 M - Yeah
27
28 B – Okay
29
30 M – Chinese buffet, just like Imperial Buffet
31
32 B – Just like Imperial
33
34 M – Yeah, yeah
35
36 B – Again, people can say things all they want
37
38 M – Yeah
39
40 B – Okay
41
42 M – I know that
43
44 B – But when there’s video that says and it shows you there Sunday

1
2 M – Yeah, yeah
3
4 B – That means they’re telling the truth
5
6 M – Yeah
7
8 B – And it means you’re not telling the truth
9
10 M – So if they saw me there the Sunday
11
12 B – Yes
13
14 M – Okay but right now I don’t want to say anything about it okay you know
15
16 B – About the Hibachi Grill?
17
18 M – Yeah
19
20 B – I understand
21
22 M – Maybe I, I hire for lawyer too I guess you know
23
24 B – Right
25
26 M – You know oh my god what I try to do oh my god. Wow just my life just sucks really that’s all
27 right. You know that a long time ago Barton McNeil, you remember him?
28
29 B – Who?
30
31 M – Barton McNeil it’s a almost like a 1998 you know. That time uh my ex-boyfriend, actually I
32 met Don before I know him.
33
34 B – Okay
35
36 M – He got uh a prison, life in prison too you know. He kill his own daughter 3 year old Christina
37 McNeil, that time he accusing me too same thing you know. It happen to me too already you know
38 long time ago. Shepherd, I remember that detective name, Shepherd, you can ask him yeah you
39 know.
40
41 B – I know Larry
42
43 M – Yeah you know
44

01:57:08

1 B – So, so are you saying Don is framing you?
2
3 M – I don't know, I don't know who did, I don't know who, what's going on I don't even know
4 right now I just, just you know. Even, even I go there something how, how he know that I talked to
5 the girl for him, maybe they make a story together, Chinese people good at that you know. You
6 don't trust Chinese people one thing I can tell you, those people so smart you know. That's why I, I
7 don't want to say anything about it right now, I need to get my lawyer you know. I'm so afraid
8 right now, those people really, I don't know what they try to do you know. Even that's my husband
9 I don't even know what he try to do really you know. So until I come here before he told me
10 though you know Don has lied for you too, he ask me what to say to you too you know. That's
11 what I don't; you know it's like that I don't want to talk about it right now okay.
12
13 B – Did your, it's whatever you want to do
14
15 M – Yeah
16
17 B – You know I would, I'm not Don I'm not in your marriage
18
19 M – Oh I know, I know yeah
20
21 B – You know but something's not right and I think you would admit to that
22
23 M – Something's not right, not right, what is not right?
24
25 B – Well somebody's not telling the truth right?
26
27 M – So you think I'm not tell the truth?
28
29 B – I'm not say, I didn't say that
30
31 M – Okay
32
33 B – I'm just saying you know
34
35 M – Don, Don talk you today? Don stop by here today?
36
37 B – Uh yes he stopped by here
38
39 M – Okay he talk to you like an hour an hour or something. He know what is going on too like
40 Hibachi thing or whatever he tell you that or you find out or he tell you that? Can I ask you just one
41 question for you?
42
43 B – You, you can here's the thing I, I have no, I want you to make sure you understand. My only
44 job is to find Linda

1
2 M – I know yeah I know
3
4 B – Okay that's my only job
5
6 M – Yeah I know I know yeah
7
8 B – I don't have any loyalties to you
9
10 M – Uh-huh
11
12 B – I don't have any loyalties to Don
13
14 M – Okay
15
16 B – I don't have any loyalties to Larry
17
18 M – Oh I know I know yeah
19
20 B – Okay I don't have any loyalties to anything. All I'm here is to try to find out where Linda is
21 and make sure she's okay
22
23 M – Yeah I under, I understand yeah
24
25 B – Okay now if you want to talk to me that's fine
26
27 M – Yeah
28
29 B – You can do that and I'll try to answer the questions the best I can
30
31 M – Okay
32
33 B – But something's not right and that's where we're at. So you make that decision that's not mine,
34 a decision I can make.
35
36 M – Okay
37
38 B – All right
39
40 M – But Don tell you though about I go to Hibachi something or you, you to find out that
41 information, what?
42
43 B – We found that information out um before Don
44

1 M – So Don doesn't know, or he know?
2
3 B – I, I don't know if he knows, I don't know.
4
5 M – Hmm but he never tell me he stop by you today that's one thing that too you know?
6
7 B – Yeah
8
9 M – Hmm this guy, I don't know what's going on. So he think I do something for his mom then he
10 should be with me right now that's why, you know.
11
12 B – Maybe, I don't know
13
14 M – (Laughs)
15
16 B – I mean I don't know
17
18 M – Well I want to get a lawyer really, I need a lawyer
19
20 B – Okay
21
22 M – That's all I can say
23
24 B – All right
25
26 M – What can I say I mean you know I can't trust anybody there right now.
27
28 B – Well it, that's your choice Misink, Misunk, um that's your choice, it's up to you
29
30 M – Yeah okay
31
32 B – All I can tell ya is the truth is the truth
33
34 M – Yeah I know yeah the truth is the truth yeah
35
36 B – And we're gonna find the truth
37
38 M – Oh I know yeah
39
40 B – So it's up to you I mean
41
42 M – I don't know why he is even asking me I come down here before lie to me a lot of thing too, I
43 don't know why. Do you, do you know that the lot, Don be working at the Imperial Buffet right
44 then, all along you know that? Then why he ask me to lie to you then, I don't understand. And you

1 already talked to Raymond right?
2
3 B – Raymond?
4
5 M – Yeah
6
7 B – Mm-hmm
8
9 M – You already talked to all those people right?
10
11 B – Mm-hmm
12
13 M – So why, why he said to you that then though? I something you know do, do to
14
15 B – I, Misook I don't know
16
17 M – No what I'm trying to say you just hear what I said to you everything right?
18
19 B – Mm-hmm
20
21 M – So you hear from somebody else that talking to so either lie to you something, did I lie to you
22 so far I mean?
23
24 B – Okay Misook I don't have a crystal ball to look in and say yes or no okay
25
26 M – Okay
27
28 B – All I can go by is what people tell me
29
30 M – Okay
31
32 B – Right
33
34 M – Yeah
35
36 B – If Donovan comes to you and say a little boy picked on him in school
37
38 M – Yeah
39
40 B – You're gonna go with what Donovan says right
41
42 M – Yeah
43
44 B – Until you confront the parents of the little boy and then there's something different story

1
2 M – Okay
3
4 B – Right?
5
6 M – Yeah
7
8 B – That’s where we’re at here. People are coming to the Bloomington Police Department and
9 making comments about what they know. And what they tell us is that you were at Hibachi Grill
10 and you asked for a person to speak Chinese and talk to Linda and have Linda come down to pick
11 up a client. That’s what they’re saying.
12
13 M – Okay
14
15 B – Okay
16
17 M – Okay but that’s, that’s what I want to know is that come from my husband side or how you
18 know that that happened really, how, how they know? I mean they just come to you, stop talk to
19 you like that?
20
21 B – Mm-hmm
22
23 M – At the Bloomington Police Station
24
25 B – Yes
26
27 M – How they know me then?
28
29 B – That’s that’s my question, I don’t know
30
31 M – Yeah they I don’t know them very much either, how do they know me you know?
32
33 B – Right, I, I agree
34
35 M – Yeah
36
37 B – Unless it’s true
38
39 M – What even that happened maybe how they know I go outside talk to Linda or somebody else
40 that’s what I don’t. They exactly already know what’s going on right, isn’t it?
41
42 B – Okay I want to make sure I answer your question correctly
43
44 M – Yeah

1
2 B – Slow down and ask me again
3
4 M – Okay
5
6 B – You were talking way too fast
7
8 M – Oh I’m sorry
9
10 B – I want to make sure I answer your question
11
12 M – Okay mm-hmm okay
13
14 B – Go ahead
15
16 M – Yeah, even if I go to Hibachi, I talk to people
17
18 B – Okay
19
20 M – How they know I go outside to talk to Linda at Hibachi and how they know, because they
21 already hear from somebody. How do you know they I said to you them what they already hear
22 from somebody else, do you understand?
23
24 B – Mm-hmm
25
26 M – Even I go back to Hibachi maybe that’s afraid about I don’t want to talk to you about either
27 because why, because they already set up something. This I’m afraid, you know
28
29 B – You alr, you already set up something?
30
31 M – Yeah somebody set up something else you know
32
33 B – For something else
34
35 M – Yeah
36
37 B – Like what?
38
39 M – Like all this word you know I tell them to talk to Linda, call her, meet at the Cub Food and 500
40 dollar pay for. How I know that set up that way to me, I said to them something, did they hear
41 somebody else I mean you said the whatever that person tell you, did they hear somebody else or
42 maybe I, maybe 2, 3 people hear then I understand, do you understand?
43
44 B – Mm-hmm

02:05:25

1
2 M – Maybe only 1 person how they know they gonna, somebody's gonna tell her to say something
3 like that to her isn't it? They have evidence to do that?
4
5 B – Yeah probably
6
7 M – They have evidence to do that?
8
9 B – We also have evidence to do, to give to you
10
11 M – Mm-hmm
12
13 B – Is the, to show if you're being truthful or not
14
15 M – No that's what I said even if that's true maybe I go back there Hibachi, I talk to them for
16 translation or whatever .
17
18 B – Okay
19
20 M – But how they know I talk to them, I talk to Linda, or I talk to somebody else? Even I talk to
21 Linda how they know about that I can talk to her to met at the Cub Food if I pay you 500 dollar or
22 whatever I pay you for.
23
24 B – Okay so you're saying
25
26 M – How they know
27
28 B – Okay what if I did go to Hibachi, what if I did ask for a translation, how'd they know that I
29 made this statement
30
31 M – Yeah how'd they know? Isn't it, it is very strange isn't it don't you think? And then suddenly
32 they come to you and talk to you like that I mean you know. I don't even know how much people
33 that they much either my husband I don't know maybe he know maybe I don't maybe he have
34 girlfriend there too I don't know. It's possible too so I don't, you know one thing
35
36 B – I understand
37
38 M – One thing about, I can trust my husband you know what he said to you okay just like I come
39 here tell you to not, not say about I don't know he just I don't know what he's thinking.
40
41 B – What'd he tell you not to tell me?
42
43 M – He told you to not tell you about the he working at the uh Imperial Buffet I don't know why.
44 That's one reason I cannot say to anything about truly either I'm sorry cuz I

02:06:46

truth

1 because you know I don't know what's going on I mean my, my...
2
3 B – Why, why do you why do you feel that you shouldn't tell the truth?
4
5 M – Because he gonna hate me he gotta do that to me something you know
6
7 B – Like what?
8
9 M – I don't know
10
11 B – Has he ever hurt you before?
12
13 M – Yeah
14
15 B – Such as?
16
17 M – He, what you mean no he not spank me or something but you know but he do that to me you
18 know step on my back something like that a lot of time too you know then I turn around you know
19 so. See I know what you exactly come from you too you know you talking about this bruising and
20 something like that maybe he tell you the truth right, I know that you know?
21
22 B – Well how did that happen then?
23
24 M – I fell down really truly
25
26 B – Okay
27
28 M – But Donovan already show him Sunday now he already talked to him about it Sunday now,
29 mommy fall down.
30
31 B – Who uh Don did?
32
33 M – Donovan talked to Don you know already so he already know that you know. But I don't
34 know why he I mean he tried to put me in some kind of hole now you know I think so. That's that's
35 true maybe then now I cannot just stand there either you know. He just come to me here, I here he
36 told me that tell, don't tell the truth about the he working you know Imperial Buffet, he asked me to
37 lie to you. I don't know why you know just like you find out later everything you know. So even if
38 I go back there for the Hibachi you know I cannot say it right now because why I'm afraid what
39 they are going to do to me now you know.
40
41 B – Well okay what, what, what makes you afraid I don't understand. The truth shouldn't make
42 you afraid.
43
44 M – No truth not should make you afraid but I mean they can be accusing me too I mean they try to

02:08:34

1 blame me for like murder or something or maybe I kidnapping her something. That's possible too
2 right?
3
4 B – It's poss, yeah
5
6 M – Yeah
7
8 B – It's possible
9
10 M – Yeah because you, you know 20 people can make one person stupid really easily, do you
11 understand?
12
13 B – Mm-hmm
14
15 M – And I don't have nobody for knowing for Chinese people. I think I cannot speak in Chinese, I
16 don't know what's going on Chinese you know you understand?
17
18 B – I understand
19
20 M – But it's different; my Korean community people get together like that they can now help me
21 out too. But why now this happen Chinese thing, why you know I don't know what's going on.
22 Maybe my friend are gonna find out you know what they tried to do that to me maybe accusing me
23 right now something like that, they're not gonna stay there either probably, they're gonna be on my
24 side. They can set to, even Yuman whatever my friend can say to anything about the what
25 happened to Linda and Don they listen to really they said a lot of thing about that too you know. So
26 even if I were that day I'm not gonna say anything right now.
27
28 B – I understand
29
30 M – Yeah cuz I don't know what's going on too, what was going on either.
31
32 B – Let me, let me ask you this
33
34 M – Yeah, yeah
35
36 B – Are you afraid to tell the truth?
37
38 M – Yeah, yeah I do right now this moment really. I'm not gonna say anything to you right now
39 I'm sorry you know
40
41 B – Well I'm just trying to figure out
42
43 M – Yeah
44

02:09:49

1 B – If you're afraid to tell the truth why, you know why and I can understand that you said because
2 the Chinese there's a group here and you're, you're, here's a big ol island and I'm over here by
3 myself .
4
5 M – Yeah, yeah
6
7 B – I understand all that
8
9 M – Yeah
10
11 B – But I'm trying to figure out is the truth might be able to help you.
12
13 M – So what you're trying to say I kill Linda or I kidnap Linda, that's what you hear from me?
14
15 B – That's not what I said that don't, Misook don't put words in my mouth okay cuz that's not what
16 I said.
17
18 M – Yeah I'm sorry
19
20 B – That's okay
21
22 M – I'm just little bit upset right now yeah
23
24 B – My thing is, is when I do a job I'm talking to people like I was talking to you
25
26 M – Yeah
27
28 B – I knew there was some aspects of your statement that wasn't you weren't being totally truthful
29 with me. And I'm thinking okay maybe I did think that you might be responsible because you
30 weren't being truthful and now you're saying you weren't truthful because you're afraid what might
31 happen to you.
32
33 M – Mm-hmm
34
35 B – Well I wish you would've been truthful with me upfront because then I would under, I would
36 understand but now after Mi, I told you no you're not being truthful .
37
38 M – Because why, I even talk to you right just now I do a lot (inaudible) I have to lie to you too
39 because my husband tell me to do. But he I don't know maybe I don't want to get my husband get
40 trouble either you know
41
42 B – Well .
43
44 M – Like example you know

1
2 B – He has a temper
3
4 M – What?
5
6 B – He has a temper you say
7
8 M – No, no example he supposed to not be in Illinois you know that. Why because he got an
9 unemployment check from California .
10
11 B – He’s got an order of protection against, in
12
13 M – No unemployment check
14
15 B – Unemployment check
16
17 M – Yeah
18
19 B – Oh okay
20
21 M – So he not supposed to working here and also that Raymond pay him for like a 3,000 dollar
22 every month cash money right. He get in trouble for that too
23
24 B – Who, who pays him that?
25
26 M – Raymond at the Imperial Buffet
27
28 B – Okay
29
30 M – Yeah
31
32 B – Raymond
33
34 M – Yeah that’s one reason he told me to not tell you the true everything you know so
35
36 B – Misook
37
38 M – Yeah
39
40 B – If, if you’re if they’re using you you need to tell the truth don’t you think?
41
42 M – I know but you know I don’t want to, I don’t think my husband gonna kill my mother, or you
43 know kill his mother right?
44

1 B – Well who do you think did hurt her if she's hurt? I don't even know if she's hurt.
2
3 M – No that's what I'm trying to say you know what something happen to her I don't think it's
4 gonna be my husband right, right.
5
6 B – Well I don't know, I don't know
7
8 M – And my husband is my you know son's father so I have to protecting him too right anything I
9 don't want anything happen to him either you know.
10
11 B – I don't know I, I, Misook you're asking me questions that I think I'd answer totally different
12 than what you think I would answer.
13
14 M – I don't get it
15
16 B – You know I, I don't I think what you're say, asking is your making some assumptions that I
17 would, I would always tell the truth.
18
19 M – Oh I know yeah of course yeah
20
21 B – If, if, if, if Donovan was my child and he did something wrong I would tell the, tell the truth.
22
23 M – Yeah
24
25 B – Regardless if he say, if he had to say well I saw daddy hit my mommy you know would you
26 want him to tell the truth?
27
28 M – Yeah
29
30 B – Regardless of anything else and that's where you're at, why you won't tell the truth about what
31 happened. If this, if you're being used to set up your mother in law then you need to tell the truth
32 because it looks bad for you, it looks real bad for you.
33
34 M – Well right now it looks like bad for me I mean I don't know
35
36 B – But if you're being used then you need to tell the whole story because that might make people
37
38 M – Okay I don't hear from him anything either I don't know what's going on really you know. I
39 don't know what's going on he just bend over me step on my back again right now you know.
40
41 B – When'd he do that?
42
43 M – What?
44

1 B – When'd he step on your back?
2
3 M – Right now
4
5 B – When you were at Kim's?
6
7 M – Yeah you know she just left he call, he's there right now he come to me right you know but he
8 acting like he don't know nothing happened. He didn't even tell me he see you morning time you
9 know. And he tell me what to say to you some like to set up for me everything you know.
10
11 B – So what did he tell you to tell me?
12
13 M – Well he said he don't want to tell you about the girlfriend thing and he don't want to tell you
14 about the he working at the Imperial Buffet you know.
15
16 B – Anything else?
17
18 M – Yeah because I don't even know, he, you already know that he working at the Imperial Buffet
19 and I don't know that. I thought you still don't. He told me he tell me he tell you he not working at
20 the Imperial Buffet that's what he told me just now I come here. Just like to, I don't know you
21 know what I should say really that's why you keep asking me why he not working and something
22 like that so I say oh he still looking for job, did I tell you that before? Did I tell you that or not?
23
24 B – Yeah
25
26 M – There's one reason I do that because why, and you tell me why he got fired by the, fire, it's not
27 actually, maybe that's possible fire by the Imperial Buffet too because why, exactly what Raymond
28 say you know, you have to take care of your personal problems first, then you can come back to
29 work. That's why, Raymond told me that
30
31 B – That's what Raymond, that's what Raymond said
32
33 M – Yeah exactly he told me too so that's what I mean really you know he got so many, so many
34 things going on that's why you know he let him go little bit get off you know work so you can take
35 care of all my personal problem, you understand?
36
37 B – Mm-hmm
38
39 M – And also why he, Don thinking I do something to his mom, then why he be with me right now?
40 I mean he loves his mom like a crazy he wanna find out some information from me I mean that's
41 what I don't understand that either. And I don't know how much he know about all those Chinese
42 people and Chinese girl whatever working how much whatever either. I don't know how much
43 they have information about that either you know, do you understand?
44

1 B – Mm-hmm I understand
2
3 M – And I don't know nothing about information, I just feel like you know wow you know. Even I,
4 I go that day for the Hibachi Grill even I asking them for the translation something but how you
5 know I can show up to something you know. Telephone call from the girlfriend call him, I got Don
6 waiting for something there you know what they say about it. Really that happened too one time
7 you know that Linda called Don about Chinese word I could, you can ask that the uh that girl uh
8 Julia Guo, I call her I ask her you listen to this what she say so she explain to me for you know
9 translation for me. How you know that happened too really, do you understand sir?
10
11 B – I don't under, no I'm a little confused
12
13 M – Oh
14
15 B – Okay
16
17 M – Okay one time what happened is that night uh that's a uh August the 31st okay
18
19 B – Okay
20
21 M – Somehow I have a Donnas', Don's phone
22
23 B – Okay
24
25 M – And his mom call him, left a message
26
27 B – Okay
28
29 M – It was a Chinese word
30
31 B – Okay
32
33 M – And I get confusing why he, she I mean I can feel that they doing something going on behind
34 over me too. So I don't know a Chinese right so I called up that Julia Guo yeah ask her, hey...
35
36 B – Okay now is she Chinese?
37
38 M – Yeah
39
40 B – Okay
41
42 M – Ask her hey Julia could you, could you translation for me this word, what this is. She listen to
43 whatever I play for whatever Linda left message.
44

1 B – Uh-huh
2
3 M – She listen and she explain to me you know
4
5 B – What what'd she explain?
6
7 M – She explain to me uh she say uh you cannot uh whatever do that to my son for something and
8 uh I'm gonna get you something, something like she explain to me it's not really you know it's not
9 really big thing but you know. So how you know maybe I ask for somebody explain for you know
10 girlfriend to call him for left a message or something for you know. This is uh something the very
11 strangest thing is how the woman, whatever Hibachi woman don't know exactly what you know
12 what I said to you know whatever you know like a I don't even know where the Chinese school. I
13 never been Chinese school in Chinatown either, I don't even know where it is you know and uh of
14 500 dollar or Cub Food you think she know exactly you know what we know just like I know
15 exactly what hear from Don okay.
16
17 B – Right okay
18
19 M – This is a very funny I think really you know don't you think?
20
21 B – Well I'm trying to figure out how all these people would lie
22
23 M – All these people like lied, how many people lied I mean?
24
25 B – Well I, I don't know I really don't know. I mean I'm just trying you know I'm just trying to
26 figure out where everything's at and...
27
28 M – No what I'm trying to say I go to Hibachi Grill asking someone translation for me right
29
30 B – And we know that happens so that doesn't matter
31
32 M – Okay
33
34 B – Okay
35
36 M – Uh translation for me that's, that doesn't mean the woman come whatever how many woman
37 come outside with, you say somebody come with me outside right
38
39 B – Right
40
41 M – That people can listen to my what I asking for to listen to trans, trans, translation for me what,
42 the Chinese language for me or how they know, how she knew call for Linda that time whatever
43 you know you say, say I give to phone you know something like that then she talk to Linda I mean
44 how, how you can say that that word is true really? How you know maybe I ask her the translation

1 for me something Linda talk to telephone left a messaging just like I do that to another person,
2 right?
3
4 B – Mm-hmm
5
6 M – But this woman's very strange because you know because she know exactly what, exactly what
7 we know things now.
8
9 B – Right but, but here here's something to think about
10
11 M – Yeah, yeah
12
13 B – I asked you about Hibachi
14
15 M – Yeah
16
17 B – Okay and you were scared
18
19 M – Yeah
20
21 B – And so you don't tell me the truth
22
23 M – Yeah I don't want to tell it right now at this moment yeah
24
25 B – I understand
26
27 M – Yeah, yeah
28
29 B – And so but then there's this girl that says here's what's been done and here's how I can prove it.
30 For an example the girl was given 20 dollars from you she says.
31
32 M – Yeah, yeah
33
34 B – She still has that 20 dollars
35
36 M – Okay
37
38 B – She still has that money
39
40 M – Okay
41
42 B – My partner is going to get it
43
44 M – Okay

1
2 B – And then the 20 dollars was paid for her translating to Linda what you wanted her to say. Okay
3 now I don't know if your DNA's gonna be on that 20 dollar bill.
4
5 M – Okay
6
7 B – But we're gonna find out
8
9 M – Okay
10
11 B – So think about it, if the girl, there's video says you were in Hibachi
12
13 M – Okay
14
15 B – Video shows you leaving with this girl to go out to the parking lot
16
17 M – Okay
18
19 B – Okay you stand there, talk with this girl, give her your phone
20
21 M – Okay
22
23 B – You go from there, you give her 20 dollars. Then she describes your car, okay
24
25 M – Okay
26
27 B – And you leave. She picks you out of a photo, says that's the person that talked to me, I don't
28 know her name but that's the person okay.
29
30 M – Okay yeah, yeah
31
32 B – So all those things are true except you wanted to you're trying to say that okay if all that stuff is
33 true but there's nobody saying that that's I told her exactly what to tell Linda.
34
35 M – Yeah
36
37 B – And I understand that, so all of it, everything else is true
38
39 M – Yeah
40
41 B – Except that one phrase
42
43 M – Yeah, yeah
44

1 B – Well I don't know how it is in Korea but if all this stuff is true here and then you got this one
2 thing in the middle and all this stuff is true afterwards.
3
4 M – Yeah
5
6 B – People are going to think the whole thing is true
7
8 M – Okay
9
10 B – Okay, does that make sense? So my thing was, if all that is true
11
12 M – Yeah
13
14 B – And if you are truly scared and that's why you didn't tell the truth, why did you do it and what's
15 making you scared. Why do you I mean I, I, I don't know what's making you not tell the truth.
16
17 M – Because why
18
19 B – Because it makes it look bad for you, it looks bad for you, you know that.
20
21 M – So I cannot say to you I then I gonna kidnap Linda or do something to her
22
23 B – I'm not
24
25 M – Either you know
26
27 B – I, I'm
28
29 M – I cannot say that now, right?
30
31 B – If, if it's, here's the thing if that is true then you need to be truthful and tell us what caused all
32 that. Do I think you would be the person that masterminded this whole deal? I don't know until I
33 talk to you but right now everybody we talk to has said you're a very important piece of this whole
34 puzzle.
35
36 M – Okay
37
38 B – Now we're talking to you seeing if you wanna be the important piece to help say look this is
39 what happened, I'm not gonna get in trouble by myself for something that this person or this person
40 made me do, okay.
41
42 M – Yeah
43
44 B – That's where the important thing is um we know we know certain things. I have

02:23:23

1 even talked about Cub Food video okay.
2
3 M – Yeah
4
5 B – At early at 5 o'clock in the morning in your vehicle. I haven't even talked about that.
6
7 M – What?
8
9 B – About your vehicle being at Cub Foods
10
11 M – 5 o'clock morning?
12
13 B – Mm-hmm
14
15 M – Really
16
17 B – Yep so my point is if somebody, if somebody is setting you up and threatening you to do certain
18 things you need to be honest. If you're if you, if you're doing some things if you're fearful that
19 somebody is gonna take Donovan away from you or something then you need to talk to us and tell
20 us the truth.
21
22 M – Well I know but how come be 5:30 morning I'm home then and my vehicle is in Cub Food,
23 that I don't understand.
24
25 B – Well that that makes two of us okay
26
27 M – What you mean
28
29 B – I don't understand how, if you're saying that your home
30
31 M – Yeah
32
33 B – How your vehicle gets to Cub Foods either okay
34
35 M – Yeah
36
37 B – But my point is every place, every step along the way you, you gotta admit uh Misook I've been
38 correct every step of the way. I have not lied to you
39
40 M – Oh I know yeah I understand yeah of course yeah, why have to do everything
41
42 B – I told you I told you the gospel truth about Hibachi, I told you when you asked me did, was Don
43 here today I said yes.
44

02:24:51

1 M – Yeah, yeah
2
3 B – When you said did Don tell you about the Imperial or did you know about it from Raymond, I
4 said I knew it from Raymond, right?
5
6 M – Yeah
7
8 B – I mean I’ve been very truthful with you
9
10 M – Oh yeah, yeah
11
12 B – But you on the other hand have not been so truthful with me because you say you’re scared
13 about somebody doing something to you. I don’t understand you gotta tell me the truth so I know...
14
15 M – No but I have to see them maybe that the video (inaudible) or whatever. I am still home for
16 5:30 morning but I don’t know how can that be.
17
18 B – Did you have anybody staying at your place on uh
19
20 M – It’s a Donovan
21
22 B – Well Donavon’s too young to drive
23
24 M – Oh I know yeah that’s right, I have to see that video really can you, can I?
25
26 B – Um yeah let me see what I can do
27
28 M – Yeah because if you can show me the
29
30 B – Because I have nothing to hide
31
32 M – Yeah
33
34 B – I have nothing to hide
35
36 M – That’s what I say I say you know I mean
37
38 B – But we have to get to the truth about the telephone call first because it all follows a line because
39 I can’t I can’t go from Sunday to Monday morning
40
41 M – Yeah
42
43 B – Without making sure I know exactly what happened Sunday.
44

02:26:09

1 M – Okay yeah
2
3 B – So my thing to you when I told you, what I told you, you remember what I told you about what
4 was being said at Hibachi, about the girl at Hibachi?
5
6 M – Yeah, yeah, yeah, yeah
7
8 B – Is all that true?
9
10 M – Yeah
11
12 B – Okay so now you after you after you leave Hibachi what do you do?
13
14 M – I go to office
15
16 B – To your office
17
18 M – Yeah
19
20 B – On Washington
21
22 M – Yeah
23
24 B – What did you do next?
25
26 M – I stayed there until 8 o'clock
27
28 B – Okay
29
30 M – Yeah
31
32 B – Then you and Donovan was with you or?
33
34 M – Yeah, yeah all along
35
36 B – I'm sorry
37
38 M – All along he be with me
39
40 B – Okay yeah then you go home
41
42 M – That girl see Donovan too?
43
44 B – I'm getting there, then you go home

02:26:53

1
2 M – Yeah
3
4 B – Okay
5
6 M – Yeah
7
8 B – Right
9
10 M – Yeah
11
12 B – And when you get home uh Donovan played Sega
13
14 M – Yeah, yeah whatever yeah
15
16 B – Or
17
18 M – Yeah
19
20 B – And then you watch a Korean drama
21
22 M – Yeah
23
24 B – On the computer right?
25
26 M – Yeah, yeah
27
28 B – What time did you go to bed?
29
30 M – Pretty late probably, yeah
31
32 B – Okay now on your computer okay, your computer is where in the house?
33
34 M – Where, in my house yeah
35
36 B – But where, where's it at?
37
38 M – In the living room
39
40 B – Under
41
42 M – Living room
43
44 B – Under the coffee table?

02:27:36

1
2 M – Yeah, yeah
3
4 B – Okay
5
6 M – No not coffee table but inside of a
7
8 B – A box
9
10 M – Yeah box yeah, yeah
11
12 B – Okay now do you usually sleep on the floor there?
13
14 M – Yeah
15
16 B – With Donovan or does Donovan go to his own?
17
18 M – Oh sometimes we do sleep together sometimes Donovan together you know yeah but mostly
19 we sleep together yeah
20
21 B – Okay and if you sleep together you sleep on the floor in the living room?
22
23 M – Yeah, yeah
24
25 B – Okay so then what was there anybody else with you?
26
27 M – No
28
29 B – Okay so now it's early Monday morning
30
31 M – Mm-hmm, yeah
32
33 B – And we're looking at surveillance video and we see Linda's vehicle pull into Cubs.
34
35 M – Okay
36
37 B And I don't know maybe 10 minutes, I don't even know if it's 10 minutes but a little bit later
38
39 M – Okay
40
41 B – We see your uh Mercedes comes in to Cub Foods parking lot
42
43 M – Okay
44

02:28:33

1 B – Okay, I’m just trying to figure out why that would happen
2
3 M – So did you see that that’s me inside?
4
5 B – I didn’t say that, I didn’t say that I can’t say that right now because I’m here talking to you and
6 I’m just telling what people are telling me and we’re still working on getting better quality of the
7 video you know if you can see, can make better pictures so I can’t tell you right now.
8
9 M – Okay
10
11 B – Down the road I probably can
12
13 M – Okay
14
15 B – But right, right this very second I can’t
16
17 M – Yeah, yeah, yeah
18
19 B – Okay so I, I gotta trust you we will, we talked about being truthful now
20
21 M – Yeah
22
23 B – If that was you then let’s talk about why you were there. Were you going to try to convince,
24 were you trying to convince Linda still, hey I’m sorry I want you to be my mother you know Don
25 and I try, try to work this out help me, help Don and I be a family with Donovan. I don’t want
26 Donovan not to have his father around help us out will you please talk to him. Was that whole
27 meeting to get her to talk to Don and and help save your marriage? I have to figure it, there’s got to
28 be a reason why you wanted to see her.
29
30 M – Then what happened I mean then
31
32 B – I don’t, don’t worry about what happened afterwards I don’t, I’ll worry about that later. There’s
33 gotta be a reason why you wanted to see her
34
35 M – (Shakes her head no)
36
37 B – You see what I’m saying and I think I personally believe you know that Don is very close to his
38 mom.
39
40 M – Yeah I know that yeah of course I know that everybody know that
41
42 B – And maybe if she would stick, stand up for you and say hey Don what you’
43 It’s not good for Donovan, it’s not good for Misook, you need to be a husband a 02:30:24
44 need to grow up or I’m not gonna give you any more money. There’s nothing wrong with that if

1 that's what happened, if that's what was going on.
2
3 M – Well that's something like that I wanna talk to with my lawyer because you know I cannot say
4 that to you right now okay cuz I don't know what's going on really. But I have to see the you know
5 video camera too. Why have to be my car there really you know until you know I have to see, see
6 with my own eye you know really.
7
8 B – Okay can I get you something to drink?
9
10 M – No I'm fine sir thank you so much okay
11
12 B – All right
13
14 M – Can you tell me what time it is right now?
15
16 B – It's 3 o'clock
17
18 M – Is it sir, okay
19
20 (02:31:29 Detective Barkes exits the room)
21 (02:53:43 Detective Barkes and Donath enter the room)
22
23 B – Misook
24
25 M – I asleep yeah
26
27 B – You're okay
28
29 M – Hi
30
31 D – Hello
32
33 B – This is Detective Donath
34
35 M – Hi
36
37 D – Hi
38
39 B – And, won't you come and shut the door
40
41 D – Yeah
42
43 B – And we don't know right now okay um where Linda is right this second.
44

02:53:51

1 M – Yeah
2
3 B – We’re working on it we got like 12 detectives working right now trying to find Linda.
4
5 M – Okay
6
7 B – A couple things we do know
8
9 M – Yeah
10
11 B – Uh we do know that we have a search warrant for your apartment.
12
13 M – Okay
14
15 B – Okay
16
17 M – Okay
18
19 B – We have a search warrant for your car
20
21 M – Okay
22
23 B – Okay, we have a search warrant for you
24
25 M – Okay
26
27 B – Well what that means, search warrant, the detective here’s gonna take fingernails, hair
28 clippings, he’s gonna take pictures of all your injuries.
29
30 M – Okay
31
32 B – Okay
33
34 M – Yeah
35
36 B – Um so we can document what you told us
37
38 M – Okay
39
40 B – Okay
41
42 M – Okay
43
44 B – Um and then when he’s done with you then we’re gonna go to the apartment and we’re gonna,

02:54:37

1 there's certain things we're looking for in your apartment.
2
3 M – Okay
4
5 B – Okay
6
7 M – Okay
8
9 B – And then when we're done that we're gonna search your vehicle and there's certain things
10 we're looking for in that.
11
12 M – Okay
13
14 B – Then we're gonna search your phones, your computers, everything okay.
15
16 M – Okay
17
18 B – Two things one either what you're telling us is the truth or it's not the truth, either way um we
19 can't control what the evidence shows okay.
20
21 M – Okay
22
23 B – If you did something that you shouldn't of done or if you were part of something you shouldn't
24 of done and there's more to the story you really need to think about what you want to do.
25
26 M – Okay
27
28 B – Okay uh do you need to read this to her or?
29
30 D – Hm-mm
31
32 B – Okay
33
34 D – No
35
36 B – There's are your copies
37
38 M – I mean I can go home too or not?
39
40 B – I don't know, I don't know this is very serious
41
42 M – Oh I know that yeah but um
43
44 B – And people are making some very serious statements about you

02:55:22

1
2 M – About everything?
3
4 B – About that, I'll be honest with you they're saying you're the one that hurt Linda.
5
6 M – Uh
7
8 B – I'm just telling you I no reason I have Misook I haven't lied to you at all.
9
10 M – Oh I know I understand
11
12 B – Okay I'm just telling you what's being said
13
14 M – Okay okay
15
16 B – Okay
17
18 M – Okay that's fine
19
20 B – These are the search warrants for you, for your apartment, and for your vehicle okay. And we'll
21 just keep them here
22
23 D – Okay and the one for you I'll tell you what it says up here
24
25 M – Okay
26
27 D – Uh the things that uh that we're gonna do today are photographs of your person including any
28 scratches, bruising, or other injuries. Uh DNA standards by buccal swabs where we just kind of
29 swab the inside of your mouth with like a Q-tip.
30
31 M – Okay that's fine yeah
32
33 D – Um and then fingernail clippings
34
35 M – Okay
36
37 D – All right so that's the three things that we're gonna do today um so I tell you what um I'll just
38 set these down for right now but those are your copies to keep okay.
39
40 M – Okay
41
42 D – And it's also the copy for your car and your apartment so you have those a 02:56:30 tell
43 you what if you want to just stand up over, with your back to that wall I'll just
44 photograph here.

1
2 M – I have to take all clothes off or?
3
4 B – Not right now
5
6 D – Nope just right where, the way you are right now is just fine.
7
8 M – Okay
9
10 D – I gotta turn this sideways
11
12 M – I’m sorry detective can I ask you something?
13
14 B – Yes
15
16 M – That’s including for my husband too?
17
18 B – I’m sorry?
19
20 M – That’s including for my husband thinking I hurting for mom?
21
22 B – Is that coming from your husband?
23
24 M – No that’s what you said lot of people say
25
26 D – Oh
27
28 M – I’m the one uh did that to Linda whatever but that’s including for my husband too?
29
30 B – Including your husband?
31
32 M – Yeah
33
34 B – Uh I’m not gonna say
35
36 M – Why not?
37
38 B – Well because 2 reasons Misook I gave you every opportunity to tell the truth and it was like
39 pulling teeth and then you say you don’t wanna talk to me anymore so I can’t talk to you, I can’t, I
40 want to but I can’t.
41
42 M – Okay then I can tell you truth then you can tell me the truth then?
43
44 B – I will, I will find out okay

02:57:30

1
2 M – What you mean?
3
4 B – I have to talk to our attorneys to find out so basic, no I, you have to decide if you want to tell me
5 the truth or not that's all I mean that's.
6
7 M – No what I'm trying to say
8
9 B – I know what you're saying I get
10
11 M – Yeah
12
13 B – I can't make you, I can't make a deal like that. I can't say well if you tell me the truth I'll tell
14 you this I can't, I can't do that okay.
15
16 M – That's fine yeah
17
18 B – Um that's just, that's just unethical I can't do that
19
20 M – Okay well I have to hire lawyer too then, you think I should be? Something like that I mean?
21
22 B – Well those are decisions you have to make
23
24 M – Okay
25
26 B – Only, Misook only you really know the truth, the whole truth
27
28 M – Okay
29
30 B – I wasn't there, Detective Donath wasn't there
31
32 M – Well I know that I understand that yeah
33
34 B – So you need to decide you know what this is getting really bad and somebody needs to know
35 exactly what happened then if you want to tell us that's fine we'll listen okay. And if you if we can
36 answer any questions along the way we'll try to do that if we can. I can't guarantee that.
37
38 M – Okay
39
40 B – Or if you decide like you don't want to say anything then that's your choice too
41
42 M – Okay
43
44 B – Okay

02:58:38

1
2 M – All right

3
4 B – You know the truth, I

5
6 M – Okay, okay, go ahead

7
8 D – All right so let's see what we got here uh on your left arm looks like there's uh a few things on
9 there. Um then you got a little bit on the elbow.

10
11 B – And the bruising

12
13 M – Yeah

14
15 D – Mm-hmm okay all right well let's uh let's start with the inside of the arm here first. So if you
16 wanna just hold it like that that would be great and I'll see what I can here to photograph. Okay
17 that's good just leave it right there then I'm gonna take another one here, I'm gonna put this scale in
18 here, zoom in a little bit. Okay that's good um yeah you got a few little dots there let's go ahead
19 and maybe just rotate a little bit towards me that's good, perfect. Okay and uh just a little bit more
20 towards me uh we got one up here by the elbow. And the top of the hand there, all right I'm gonna
21 do that one again it's not exactly what I want. Now that's better all right and you got some kind of
22 bruising there, let me see if it would be easier to do it this way. Okay just rotate a little bit back
23 towards me, okay all right now when you got just like that I'm gonna take an overall shot here.
24 Okay hmm all right and then the elbow's got a few scratches on it there. Okay anything else on the
25 back of your arm by chance; no I don't see anything there.

26
27 M – And I got hurting for my leg here

28
29 D – Okay

30
31 B – Well we'll get that

32
33 D – Now what about this arm over here, let's see? Oh yeah it looks like you do on the elbow there
34 and uh let me see the inside of your hand here. Okay, okay so let's try to shoot for this elbow here.
35 All right um now I'm seeing a little bit of redness up here, is that from?

36
37 M – I don't have anything I don't think.

38
39 D – Maybe a let's go ahead and just take a picture just in case. Okay all right

40
41 M – Can I sit down a little bit there?

42
43 D – Yeah that's fine yeah and okay so you got something on your left foot then 03:02:21

1 M – Yeah
2
3 D – It appears
4
5 B – (Inaudible)
6
7 D – Got a few things, yeah if you wanna just take your
8
9 M – Yeah (takes off the bandage on her knee)
10
11 D – Oh you got it on your leg too?
12
13 M – Yeah
14
15 D – Okay all right
16
17 B – We’re gonna do bruising too
18
19 D – Yeah um
20
21 B – That looks infected
22
23 D – Yeah it looks like you got uh, all right I tell you what would you mind going ahead and take off
24 your shoes and then um yeah just like that is fine. And I’m gonna do like the whole leg here
25
26 M – So what do you think of something like this I mean I hitting somebody, something I mean I fall
27 down. I mean a, even my son can tell you how I fall down, I mean.
28
29 D – Okay
30
31 M – Can I (inaudible) (she wants to put her bandage back on)
32
33 D – Uh yeah you know what we’ll I want to do, get another picture of that too here in a second so I
34 make sure we get the. Okay all right yeah if you want to open that up we’ll get a little closer look
35 here. Okay all right anything on the back side of the leg by any chance?
36
37 M – No
38
39 D – No, okay you know what can you go ahead and leave this uh right shoe off there
40
41 M – Okay
42
43 D – It looks like there’s a oh yeah a little tiny scratch right there
44

03:04:12

1 M – (Inaudible) I don't know
2
3 D – We'll go ahead and you got a little bit on the inside of the foot there too. All right hold on a
4 second I'm gonna do some more, not yet.
5
6 M – Okay sorry
7
8 D – All right anything else on the one leg
9
10 M – No
11
12 D – Yeah right here on the outside, I tell you what can you just turn your whole body that way a
13 little bit
14
15 M – Yeah
16
17 D – There you go, thank you. Okay that's good. All right anywhere else?
18
19 M – Nope
20
21 D – Nowhere else on your body you have any, what about like maybe your back or something or,
22 are you aware of anything on your back?
23
24 M – (Lifts the back of her shirt up to show him)
25
26 D – All right well I tell you what uh yeah let's do this um
27
28 B – Go get Carol?
29
30 D – Yeah the recording, or get Carol
31
32 B – We'll just have, we'll put something up (talking about over the camera lens)
33
34 D – Yeah
35
36 B – Over, we're not gonna stop the recording
37
38 D – Okay yeah that's fine
39
40 M – What happened?
41
42 (03:05:47 Detective Barkes exits the room)
43
44 D – What we're gonna do is, is I'm gonna put some uh hold the papers up in front of the video

03:05:45

1 camera and we're gonna have a female come in here uh and then you can go ahead and lift up your
2 shirt and stuff.
3
4 M – Okay
5
6 D – So we, so she can see the rest of your body. See if there's anything else that we need to take
7 pictures of.
8
9 M – Okay yeah
10
11 D – Um and if there's not then we're fine
12
13 M – Okay
14
15 D – Uh but if there is we'll need to take a couple pictures
16
17 M – Okay that's fine
18
19 D – All right
20
21 M – Yeah. Now do you think I cannot go home today?
22
23 D – Uh you know I don't know uh my role is to is to help in this part of it and I really don't even
24 know all of the information to be honest. So I wish I could tell you but I don't know.
25
26 M – So if you, the rest are checking for all my apartment and stuff like that I have to be there or
27 somebody has, somebody else gonna be there or what?
28
29 D – Uh no you won't need to be there um the only thing we may ask is that you know if you have a
30 key or something uh that way we don't have to you know break down a door or something like that.
31
32 M – Okay
33
34 D – It doesn't cause any damage
35
36 M – Okay
37
38 D – Uh but no we will uh we'll go there and we'll execute the search warrant and then when we're
39 done we'll lock up the apartment and you know whoever we need to give the key to we can give the
40 key to whether it's you or somebody else, just however it works out.
41
42 (03:07:33 Detective Barkes enters)
43
44 B – Okay Carol's gonna come in and then she'll just hold this like this

03:07:28

1
2 D – She'll hold that? Or do you want me to hold this with my back turned?
3
4 (03:07:43 Carol enters the room)
5
6 B – How you gonna take the pictures?
7
8 D – Well we don't know that we're gonna, we're gonna need to
9
10 B – All right then you do it and if she sees anything (to Carol) we're looking for any bruising uh any
11 marks.
12
13 D – Scratches
14
15 B – Scratches
16
17 D – Regular stuff
18
19 B – Anything like that, so are you gonna hold it then?
20
21 D – Yeah I'll go ahead and hold it and then if we do have something we'll readjust
22
23 B – Okay
24
25 (03:08:04 Detective Barkes exits the room and Detective Donath covers up the camera lens)
26
27 C – My hands are cold
28
29 M – No it's okay
30
31 C – Okay let's
32
33 M – The bottom
34
35 C – Yeah let's check this arm real quick
36
37 M – This one?
38
39 C – Yeah, okay
40
41 M – The bottom?
42
43 C – Mm-hmm
44

03:08:28

1 M – Have to take off this too or not?
2
3 C – No
4
5 M – Okay
6
7 C – Yeah, do you have any bruises or anything that
8
9 M – No
10
11 C – We need to see? Anything farther down on your legs?
12
13 M – They already, he already has
14
15 C – Okay
16
17 M – He already take care of the hurting injury you know
18
19 C – Okay
20
21 D – I did the uh from the knees down Carol and then the arms
22
23 M – Yeah
24
25 D – That's the only thing I've done
26
27 M – He already see them
28
29 C – Okay, and just a second let me see that a second
30
31 M – Already got
32
33 C – They've got that one already okay the one on the by the on her neck?
34
35 M – Yeah
36
37 D – No, not by her neck, no
38
39 C – Let's see that, let me see this again actually, okay.
40
41 M – Okay
42
43 C – All righty put everything back together there and
44

03:09:22

1 M – Yeah they already got everything okay
2
3 C – Okay
4
5 M – And up here they already got everything
6
7 C – Okay you wanna redo your pants there and
8
9 M – Oh I’m sorry
10
11 C – Yeah
12
13 M – I’m sorry, all right
14
15 C – Okay you good to go
16
17 M – Yeah
18
19 C – You ready for him?
20
21 M – Yeah
22
23 C – Okay, Dan you’re okay
24
25 D – All right (he takes the paper of the camera lens) thank you Carol
26
27 C – Mm-hmm
28
29 M – I’m sorry
30
31 D – Well the only thing left is uh is there something on your neck then?
32
33 C – It uh, is this older here?
34
35 M – Yeah
36
37 C – Okay
38
39 D – Where’s it at?
40
41 M – Very old this one is
42
43 D – Where at?
44

03:09:54

1 M – Right here my son scratch a long time ago
2
3 C – It's this here
4
5 D – Ahh okay, okay yeah we'll still need to photograph that though we need to photograph that
6
7 M – Oh okay that's fine
8
9 D – All right so you have to do you just want to hold it
10
11 C – Can you lift this forward a little bit and, don't lift it up (talking about her shirt)
12
13 M – Oh here, like that?
14
15 C – Mm-hmm
16
17 M – Okay
18
19 D – Okay let me zoom in here a little bit. All right I'm gonna use it with the scale here just uh, let's
20 see how it turned out. Yeah it's good the photograph's good
21
22 C – Okay
23
24 D – All right thanks again Carol
25
26 C – Mm-hmm
27
28 (03:10:38 Carol exits the room)
29
30 D – Okay all right next thing we'll do is we'll do the buccal swabs so let me get those and I'll be
31 right back
32
33 (03:10:47 Detective Donath exits the room)
34 (03:11:27 Detective Barks enters the room)
35
36 B – I need your keys to your house
37
38 M – Oh it's a, can I go with you then?
39
40 B – (Shakes head no) Hmm-mm
41
42 M – No I mean to car the key my car, car, car have oh my house (reaches in her pants pocket) I'm
43 sorry I thought that you mean car key. 03:11:35
44

1 B – I'll just take em all .
2
3 M – Okay
4
5 B – Thank you
6
7 (03:11:50 Detective Barkes exits the room)
8 (03:12:30 Detective Donath enters the room)
9
10 M – You don't, you don't mind can I look at the paper?
11
12 D – No absolutely those are your, your copies
13
14 M – That all right
15
16 D – So you're more than welcome to. All right Misook I'm gonna give you your uh how do you
17 spell your name is it
18
19 M – M
20
21 D – Okay
22
23 M – I-C-H oh I'm sorry M-I-S-O-O-K, I'm sorry
24
25 D – M-I-S
26
27 M – O-O-K, it's right here
28
29 D – Okay and Wang is the last name?
30
31 M – Yeah
32
33 D – Okay .
34
35 M – I'm sorry I try to talk to you that was my father's name
36
37 D – Oh okay no problem. All right have you ever done any buccal swabs before?
38
39 M – I don't think so
40
41 D – Okay all right well this is real easy. What I'm gonna do is I open up this uh package of uh
42 sterile cotton tipped swabs.
43
44 M – Okay

03:14:00

1
2 D – What I’m gonna have you do is uh I’ll have you take one out and what I want you to do is swab
3 the inside of one of your cheeks and go all around and you’ll want to push fairly hard to where
4 almost like I can see it poking out through the outside of your cheek and just go all around in there.
5 And then I’ll have you drop it in one of these boxes and then take the second one and do the other
6 cheek okay.
7
8 M – Okay
9
10 D – All right so just pick, use one it doesn’t matter which one
11
12 M – Okay that (starts to swab the outside of her face)
13
14 D – No, no the inside of your mouth the inside of your mouth. Yeah and in a circle all around that
15 cheek and uh and make sure you push kind of firm on the cheek. Cuz what we’re collecting are
16 dead skin cells, not saliva. Okay that looks good you just want to put it in there and I’ll give you
17 this other one to do the other cheek.
18
19 M – (Inaudible)
20
21 D- Very good thank you. All right now the only thing we got left are the fingernail clippings
22
23 M – Okay
24
25 D – But I was kind of noticing though, let me see here hmm you don’t have very much fingernails
26 there do ya.
27
28 M – At my job so I cannot have long fingernails
29
30 D – Oh really
31
32 M – You can cut right there I mean a little bit
33
34 D – Okay
35
36 M – I mean I don’t know how but
37
38 D – Okay let me see that hmm okay all right well let’s see what we can do with that. All right I’ll
39 be back here shortly
40
41 M – Okay
42
43 D – You need anything else
44

03:15:49

1 M – No I’m just reading
2
3 D – Need any more water anything
4
5 M – No I’m fine sir
6
7 D – All right
8
9 M – Thank you so much though
10
11 (03:15:55 Detective Donath leaves)
12 (03:28:04 Detective Donath enters the room)
13
14 D – Okay I finally made it back here; it always takes me longer than I think it will. All right well
15 let’s see what we can do here
16
17 M – (Inaudible)
18
19 D – It’s not that you got very, very little fingernail there so we’ll give it a try here and see what
20 happens. Um you kind of just keep your hand over the, why hmm.
21
22 M – So what happen they looking for all these thing? They cannot find anything what happen then?
23
24 D – Um well that that’s a search warrant to look for those items and if we don’t find any then we
25 just don’t collect any of those things. Um
26
27 M – Then I can go home or what, do you, you don’t know yet?
28
29 D – Yeah me personally I could, I couldn’t tell you that. I, I unfortunately I don’t know all the
30 circumstances of your case. Oh we got some, keep your hand up in the air here a little bit and
31
32 M – The other uh detective can tell me?
33
34 D – Yes Detective Barkes yep
35
36 M – Oh okay he gonna come to come back to me soon?
37
38 D – Mm-hmm
39
40 M – Okay
41
42 D – Yep
43
44 M – Thank you. How do you guys can holding me here like that I mean we don’t have any

03:29:31

1 evidence, something like that, it 48 hour, what?
2
3 D – Uh well, hold on a sec; keep your hand up here. Um well it depends on the circumstances um
4 you know if a person's under arrest then actually it's let me think now is it, 40 or 72 hours one of
5 the other that, that we can hold ya here.
6
7 M – So they gonna arrest me right now or what?
8
9 D – I, I don't know. Unfortunately I apologize I can't tell ya my uh role is to uh is to do these parts
10 and well I don't know the rest.
11
12 M – Thank you sir for answering for me I don't know what's going on sir.
13
14 D – I understand it's uh a difficult process
15
16 M – I hopefully my son's not gonna be home though when they searching for things. Like he
17 wonder what's going cuz he's only 5 year old
18
19 D – Uh now if he's, if he's uh at home then we'll make sure that we find uh a place for him
20
21 M – Oh okay
22
23 D – You know a friend a relative or whatever
24
25 M – Yeah okay no my husband's there so
26
27 D – Oh okay yeah then he's fine yeah. Okay that's fine thank you
28
29 M – That's it?
30
31 D – Mm-hmm
32
33 M – Oh thank you sir
34
35 D – All right I'll let Detective Barkes know that we're done
36
37 M – Okay
38
39 D – And then
40
41 M – Yeah thank you sir
42
43 D – Yep
44

03:30:59

1 (03:31:06 Detective Donath exits the room)
2 (03:50:26 Detective Barkes enters the room)
3
4 B – Misook are you okay?
5
6 M – Yeah I’m fine yeah
7
8 B – Um do you need to use the restroom or anything?
9
10 M – No I’m fine thanks
11
12 B – You want some more water or anything?
13
14 M – Oh maybe water a little bit
15
16 B – Okay
17
18 M – I, can I not go home today?
19
20 B – Uh probably not right now no
21
22 M – When I can go home then?
23
24 B – Um
25
26 M – You be picking up on anything from all this three of them, maybe you know?
27
28 B – Um I, as soon as we’re done you can go home. I just don’t know what time that will be
29
30 M – Oh okay
31
32 B – Okay
33
34 M – So I can go home right?
35
36 B – Uh this, we’re still working. Unless something comes up uh
37
38 M – I can be arrest or something?
39
40 B – Yeah you can be arrested I got called, I gotta call the Department of Children Family Services
41
42 M – Why what have I done?
43
44 B – Well

03:51:05

1
2 M – Don cannot watch him?
3
4 B – Huh?
5
6 M – My husband
7
8 B – Uh you're, I'm going by what you tell me. You tell me that you feel that people are making
9 things up about you. And if that's true then who would be doing that other than your husband?
10
11 M – That's true, yeah
12
13 B – Okay so and if and if you are doing something
14
15 M – Okay sit down sir. That is everything's right what you say, everything's right. I met her
16 morning time, actually I got little bit, we not I mean why I'm trying to met her is, is right. Before
17 Thursday night I go to her house I tried to beg her too okay. Forgive me whatever I did cuz she
18 thinking I let her son lost job. Cuz I talked to Raymond so that's one reason I do that okay.
19 Morning time I saw her and I wanted to try to give her money for 500 dollar whatever all for, for
20 her and also I wanted to give to her another 3,000 dollar check. Whatever you know I got from my
21 husband banking account. Then she take 500 dollar check then she left I mean I can tell you one
22 thing too that day the Cub Food from over there the one person, watch it, watching what we did. So
23 you can find the person that day working between 5:30 whatever but I don't want you to tell this for
24 Don please. Then she left first and I follow her then I come home that's it really. One reason I
25 don't talk to the true because why, because I don't want to get involve with you got a missing
26 person you know do you understand? I got nothing to do with the her missing really. Yeah right I, I
27 went and see her morning time so I, I left the Hibachi people to talk to her, that's true, I tell the true
28 okay. Do you understand?
29
30 B – Yes
31
32 M – And I saw her morning time but she left there. One reason I don't talk, I don't talk to my
33 husband too because I'm afraid of my husband too he got a set up on me something too you know
34 and but I'm telling you truth okay.
35
36 B – Okay just one sec let me get you some water okay
37
38 M – Yeah
39
40 B – I'll be right back
41
42 M – But don't think I do something to her really
43
44 B – I know okay

03:53:33

1
2 M – I’m telling you true okay
3
4 B – All right, all right I’ll be right back
5
6 (03:53:40 Detective Barkes leaves the room)
7 (04:00:42 Detective Barkes enters the room)
8
9 B – Misook
10
11 M – Yeah
12
13 B – You shared that, you asked me to sit down and you shared me, or shared a story with me okay
14
15 M – Yeah
16
17 B – I have some questions I wanna ask you
18
19 M – Okay
20
21 B – To clarify some points that you said
22
23 M – Okay
24
25 B – But before I do that I gotta let you know is it your desire to talk to me without an attorney
26 present?
27
28 M – Uh what that mean why this gonna good for me I don’t know yet
29
30 B – Okay all I’m gonna do is just talk to you about what you just said
31
32 M – Yeah
33
34 B – Um
35
36 M – Maybe I should hire lawyer to talk with to you or
37
38 B – Again
39
40 M – Is more good for me? I don’t know what is good for me really
41
42 B – I, I can’t answer that question all I know is that you asked me to sit down and
43 of statements. 04:01:20 h
44

1 M – Yeah
2
3 B – That support, you know some truthful things okay. All I want to do is talk to you about the stuff
4 you already talked about that's on recording.
5
6 M – Okay
7
8 B – Just to clar, make sure I understand
9
10 M – Okay
11
12 B – But you have a choice you said you wanted an attorney earlier. Before I can talk to you I got to
13 ask you is it okay
14
15 M – I don't know what's going on. I just keep thinking here and sit down here, I don't know
16 somebody really you know tried to make it up something I know.
17
18 B – Okay so
19
20 M – Because one reason I cannot talk to you or my husband true about it, I don't know she's
21 missing really. I thought she go back to home
22
23 B – Okay
24
25 M – You know do you understand?
26
27 B – And I you see that's one of the questions I would like what would make you think that she went
28 back home, you see what I'm saying?
29
30 M – Look when she left you know, after that happened
31
32 B – Right
33
34 M – She got an argument, it's not argument actually, she don't wanna see me talk to me. I mean I
35 told you that the Cub Food front of the Cub the guy saw everything too actually.
36
37 B – Right at Cub Foods
38
39 M – That's one reason too you know she got scratch me, I tried to holding mom. Mom please listen
40 to me you know I want to try to give to you money you know. Then she said no I don't need your
41 money something like first time you know. Then you know mom you come down here cuz because
42 you know cuz you wanna make a 500 dollar so I give to you 500 dollar. Actua 04:02:25
43 dollar my check okay.
44

1 B – Uh-huh so you, in a check?
2
3 M – Yeah
4
5 B – Okay did she take that?
6
7 M – Yeah
8
9 B – Okay
10
11 M – And uh after that I try to tell even I go her inside the car and I talk to her. Mom can you talk to
12 me, stay calm listen you know you listen to me I have to explain to you why I have to do this, this
13 thing you know. Because Thursday night I go her house and I tried to begging her you know talk to
14 you, talk to her but she don't wanna talk to me at all. You know and she don't even wanna see my
15 son either you know and I don't want that to happen either you know. I don't care if Don and me
16 are really talk or we got divorce but still I love mom okay. I don't wanna you know she got a
17 something embarrassing about me too. Anyway this happen is all; it's my husband that's cheating
18 me that's all this happen okay. So I tried to listen on what she, first she understand me then later on
19 she don't, she don't try to listen to me I don't know cuz she just mad at me, mad at me about her son
20 got a lost job because me you know.
21
22 B – Her son lost the job because of you
23
24 M – Yeah
25
26 B – And she feels that way
27
28 M – Yeah
29
30 B – Okay
31
32 M – That's what I tried to explain to her you know. I tried to tell her that the uh your son promised
33 me not see other woman so we can be a family together but now he you know keep seeing her talk
34 to her everyday go to work you know and somebody else come to me talk to me too. That's why
35 it's stranger too why this person talk to me like I'm a, she don't wanna broke my family either right,
36 right?
37
38 B – I would think, I wouldn't think so
39
40 M – That woman probably talk to me like that then there would have been no, you know we gotta
41 talk I mean you know we tried to work it out with him and stuff that a little bit for family right? So
42 I tried to, she maybe don't know but what happened you know what's going on 04:04:06 er
43 tell her true about what's going on either. You know so she just mad at me about I'm making him
44 some kind of trouble, go to Raymond and talk to him about or tell him to fire him something. But

1 Raymond, I talk to Raymond, we not talk about that either. First time I talk to him about what
2 happen to me and Don relationship and I talk to him about you know I want this maybe got divorce
3 maybe what I want from him something like that so. Because sometimes me and Don we got
4 talking something like that we got argument starting so I want to talk to this you know. That's what
5 I want a really mom can do for me between us too. But that time mom just mad at me you know
6 and especially she mad at me something no reason for the Jenny you know I told you before that um
7 that I talk to my husband about the Jenny is still married you know, they not divorced yet. Then my
8 husband got mad about mom because why she talk to me about it. See sometimes mom talk to me
9 more you know nicer than my husband.

10

11 B – Sure

12

13 M – She tell the truth too. So that's one reason I have to try to explain to her cuz she never tried to
14 you know talk to me about it. That's one reason I do that you know. But I thought that she, I
15 thought that after that she left first, she go first home you know I mean she left her car. Then I just
16 come home so I don't know what's going on. That's one reason I get so afraid I don't know and
17 then she got a missing like you know the uh the afternoon time my husband call me you know.

18

19 B – Did you ever tell anybody that you talked to her?

20

21 M – No, no because I afraid to talk but I first time I talking to you even I can't talk to my best friend
22 I know but I was afraid you know. Because just, something happened to us and she maybe think I
23 do that because you know even you know I should of talked to Don about it that night but I cannot
24 talk to him about it you know. Do you understand how I feel about it then?

25

26 B – I understand

27

28 M – Yeah

29

30 B – I understand that you feel concern for

31

32 M – Because I, because I don't even know she got a missing like that. That's all kind of you know
33 something

34

35 B – Did you follow her?

36

37 M – No, no, no, no

38

39

40 B – Did you follow her when she left the parking lot?

41

42 M – No, no she left first

43

44 B – Okay then which way did, did you

04:06:11

1
2 M – I just go home you know because I don't even know where she go.
3
4 B – Okay you don't know when she came out of the parking lot if she went right or left?
5
6 M – Yeah, yeah, yeah, yeah
7
8 B – You don't know?
9
10 M – Yeah, yeah that's, that's last time I seen her really. That's one reason I cannot talk to nobody
11 you know cuz I'm so afraid. I'm so afraid you know what I did, even I can't talk to Don either but
12 Don's thinking maybe I do something to her. But I don't wanna you know, that's not the first time I
13 thought maybe some, some kind of maybe she, she talking to somebody or maybe I don't know
14 what's going after that. You know I just come home and you know be with you know actually I
15 bring my son too. You know so I come home and I just you know go with cuddle a little bit with
16 him that's it cuz I already give her 500 dollar.
17
18 B – So what so this scratch is when you were trying to hold onto her?
19
20 M – Yeah, yeah, yeah we got little bit, that's what mom keep telling me you see out there that
21 person gonna see you you know I'm gonna call the cop she keep yelling me like that. And then
22 another guy I look at them and another guy I don't know him maybe he employee of Cub Food
23 something so I get afraid of it you know they're gonna call the cop.
24
25 B – Right
26
27 M – But I'm, I don't want to get in any trouble
28
29 B – Right
30
31 M – You know I just wanna talk to her a little you know. So I was afraid so I just go okay mom I go
32 mom you just go. Then I left it right away, really I swear to god
33
34 B – Okay
35
36 M – Really that's what happened
37
38 B – Okay now let me ask you this
39
40 M – Yeah
41
42 B – What were you wearing?
43
44 M – Uh that day uh I wear uh blue jean, yeah

04:07:29

1
2 B – Okay
3
4 M – Uh-huh
5
6 B – What about shirt?
7
8 M – Shirt I wear uh like a sparkle on it a little bit you know, yeah.
9
10 B – And did you have anything on your head or anything?
11
12 M – I have a hat on there
13
14 B – A hat
15
16 M – I have a hat on
17
18 B – All right what color, what color?
19
20 M – Uh gray like you know like an army kind like something like that or
21
22 B – Okay like a khaki color?
23
24 M – And it had a Disneyland, Disneyland
25
26 B – Disneyland on the brim
27
28 M – Yeah
29
30 B – Okay
31
32 M – Yeah
33
34 B – And was your hair, was your hair ponytail, or was hers?
35
36 M – Yeah ponytail yeah, yeah
37
38 B – Okay what about Linda, what was she wearing?
39
40 M – I don't really look at her clothes at all really but I can see that she got a wear wig
41
42 B – She was wearing a wig?
43
44 M – Yeah

04:08:04

1
2 B – Was it in a ponytail or?
3
4 M – She got a
5
6 B – Or
7
8 M – Ponytail wig looks like I don't know if that's true or not I'm not for sure I don't remember right
9 now but uh I just you know I can see that time.
10
11 B – But it was in a ponytail?
12
13 M – Yeah ponytail style called wig you know
14
15 B – I know
16
17 M – Yeah I think it you know I wear wig too
18
19 B – Okay
20
21 M – I have a lot of wig. You can even check into my house, I have so many wig there too
22
23 B – Okay all right
24
25 M – Yeah you know
26
27 B – Um so whose account did you write the 500 dollar check on?
28
29 M – That check is from my account
30
31 B – From your account
32
33 M – Yeah, my bank uh National City Bank
34
35 B – For the business
36
37 M – No
38
39 B – Or your personal
40
41 M – My personal bank
42
43 B – The one that you have like 4 or 5 thousand dollars in?
44

04:08:48

1 M – Yeah, yeah
2
3 B – Okay and what about a thous, you said something about a thousand dollars?
4
5 M – No 3,000 dollar I wanna, I tell her I gotta give to her some more money because she want to.
6 But you know I tried to tell her you know I don't want anything happen to our family too so my
7 mom help me out you know, you know just like it was to pay.
8
9 B – So you were basically paying her to try to help you out?
10
11 M – Yeah, yeah
12
13 B – And how much were you gonna pay her?
14
15 M – Uh first I only give her 500 dollar but she cuz I give it to her with a 3,000 dollar already
16
17 B – How many?
18
19 M – Uh you know what happened that day uh I already give to her 3,000 dollar uh
20
21 B – How many, I don't know how many dollars you're talking about um are you saying 30,000
22 dollars?
23
24 M – No 3
25
26 B – 3,000 dollars
27
28 M – Yeah, yeah
29
30 B – You gave her 3,000 dollars for what?
31
32 M – Oh because before I find out all this happen like towards May 26th uh me and my husband our
33 account have like a 10,000 dollar I move it to there to all my account because I'm kind of afraid that
34 he gonna
35
36 B – So you moved all the money in your joint account
37
38 M – Yeah, yeah
39
40 B – Into your account?
41
42 M – Yeah my account
43
44 B – Okay

04:09:55

1
2 M – After that then you know uh mom tried to tell me give me some my um that was her all along,
3 she only want a money from me okay.
4
5 B – She or Don?
6
7 M – Yeah, Don and both you know. It's all my friends know that, even I, I'm in jail that time she
8 come to me putting my husband putting to me lawyer to get back the uh lawyer to get the sign for
9 my check you know. You know so everybody all my friends they know they even all my, including
10 all my daughter you know at the time be with her.
11
12 B – Michelle
13
14 M – Yeah so uh that time uh everybody know that they want money from me so that amount I give
15 to mom more money she gotta be like uh more like on my side you know. But she only want a
16 money you know.
17
18 B – So you gave her 3,000 dollars
19
20 M – No, no, no I don't give to her I tell her I give to 3,000 dollar more
21
22 B – Oh okay
23
24 M – If she want to but I give her 500 dollar
25
26 B – Okay so you never
27
28 M – But I don't she cash it, she never cash that check
29
30 B – Okay
31
32 M – Yeah
33
34 B – Okay and you gave her the 500 dollars
35
36 M – Yeah
37
38 B – When she came down
39
40 M – Yeah
41
42 B – At Cub that morning
43
44 M – Yeah, yeah

04:10:53

1
2 B – Okay
3
4 M – She take that money with a check you know
5
6 B – Did you guys actually eat at Cracker Barrel?
7
8 M – Who
9
10 B – Did you and Don and Donovan
11
12 M – Yeah we did, we did
13
14 B – Okay
15
16 M – Yeah
17
18 B – Early in the morning then
19
20 M – Like around 10 o'clock
21
22 B – Okay
23
24 M – 10, 11 yeah
25
26 B – Okay
27
28 M – So please you know don't think I do something to her I tell you true everything you know
29
30 B – It would have been nice for you to tell me the truth the first time
31
32 M – But I get afraid really you know because I get afraid
33
34 B – Of, of, of who, afraid of who?
35
36 M – I, maybe my husband try to set up me something too I don't know you know because she don't
37 don't act like act like to me you know. But you, you told me you the one told me that that some,
38 everybody think I do that right?
39
40 B – Mm-hmm
41
42 M – Well does everybody mean, who is it a lot of people doesn't know about me
43
44 B – But, but, but you know your husband's part of a Chinese

04:11:42

1
2 M – Yeah
3
4 B – Community
5
6 M – Yeah
7
8 B – So
9
10 M – Cuz only know like a Raymond I don't know very much about Raymond either .
11
12 B - Raymond
13
14 M – The first time I saw him like that time I talk to him that's first time I met him for personally
15 actually okay.
16
17 B – Okay mm-hmm
18
19 M – And some the other people I don't know cuz I have a lot of, you know first time I find out what
20 my husband cheating me, that time I go to Imperial Buffet, I got mad.
21
22 B – Yelling
23
24 M – Yeah, yeah yelling, that's
25
26 B – I know about that
27
28 M – Yeah that time, and the second time uh another second buffet uh that uh Imperial Buffet his
29 name is Dong, he's this China you know. So one time I got you know mad at him about he calling
30 to another lady and uh that Dong's girlfriend that working Imperial Buffet too she's name is Yoyo
31 and she every time call, I call Don from the Imperial Buffet she gotta hang up phone on me. This
32 one time I very, very hurt about that so I talked to you know Dong and his you know girlfriend that
33 time I only see the people. Mostly people don't know about me very well but they you know I
34 don't know maybe they, all the customer that started from my husband or Linda because you know
35 Linda, even that Larry doesn't know why Linda hate me right now.
36
37 B – Right
38
39 M – You know
40
41 B – The, the lady, Don's girlfriend lady, the lady that was at Hibachi that you made the phone call,
42 what lady you talking about that doesn't know?
43
44 M – No Larry, Larry's Linda's husband

04:13:00

1
2 B – Okay
3
4 M – I’m sorry
5
6 B – Larry
7
8 M – Larry, Larry yeah he don’t even, he you know he come to one time come to my office you
9 know and that uh introduce me and stuff and I you know we are very good relationship too actually.
10 But suddenly Linda got mad at me about all this happen like and I let him uh pick the job something
11 like that. So Larry don’t even know why I’m mad at you know him and uh they think I’m some
12 kind of monster too, I just only bad person. Because she don’t even know because Don is cheating
13 me that’s why I got mad you know. He don’t even know what’s going on you know. So always
14 this guys always been uh showed up a nice kind of face for everybody but I don’t, yesterday he got
15 mad at me about that Raymond, I talk to Raymond about his unemployment check and all those
16 kind of thing you know. Those people don’t know what’s going on about this guy and all the time
17 he ask me to lie to people too you know. That’s one reason I come here before he ask me to lie for
18 you too. You know he (inaudible)
19
20 B – Do you; do you feel that um Don actually went to California?
21
22 M – I don’t know, I hope, I think so. No I don’t know how I know?
23
24 B – I don’t know
25
26 M – I think he do because he gotta get the drive license right?
27
28 B – Well you would think
29
30 M – Yeah, yeah he got a drive license though I don’t know. That’s, that’s all I can tell you now, I
31 don’t lie to you anything really I swear to god.
32
33 B – Why’d, why’d you not tell me the truth the first time around?
34
35 M – Because why I’m so afraid because I you know because really all this kind of happen it’s
36 overwhelming until now. You know how much time I you know tell myself too um I should tell
37 somebody, I should of tell I saw her last time. I should of tell somebody, I should tell my dad I
38 should tell my friend you know but I so afraid maybe you know (inaudible) until now he not call me
39 you think he can’t find the body, we can’t find the car, anything you know, you know. Then you
40 know I just don’t know what to do I mean
41
42 B – Where do you think she would go?
43
44 M – I don’t know really I just don’t know but just I so afraid you know I hopefully she’s okay then

04:15:01

1 everything gonna be okay including me. You know she can't tell me you know I'm not doing
2 anything for her really I just tell you the truth. You can find the Cubs Food guy too that's what I did
3 for her really. But I don't want you to you tell Don about what I said to you right now please.
4
5 B – Why? I don't understand why?
6
7 M – Cuz I don't wanna he know anything about what's going on either. I can tell you the true, I can
8 trust you right? But I don't trust him, no. I don't know I cannot trust him.
9
10 B – But don't you think the truth makes you look like a good person?
11
12 M – What?
13
14 B – Don't you think the truth makes you look like a good person?
15
16 M – But not, not him though. One thing about him, very sneaky I know that because why, he don't
17 have enough honesty for me at all. That's one thing I can tell everybody know my friend. You can
18 even talk to all my side of friend each people talk to him about Don, really. He, he can, how many
19 here are two faced really you know. At least I don't lie, I don't you know.
20
21 B – Has he ever been in trouble before?
22
23 M – Trouble, who?
24
25 B – Don
26
27 M – Don, I don't know. I don't think so, before I met him I don't know. But that's all I can say
28 really swear to god I mean. You know I just pray you know but I just don't want to be mom
29 something happen really after I see that's what I cannot tell nobody really I just want a she
30 understand me. I just want when she saw me, understand me, just like a you know usual time.
31 Even I, I don't have to living with him but she just like a my mom you know. She, all along she
32 helping me out with a
33
34 B – Did you try calling her after you found out she was missing? Did you try calling her at all?
35
36 M – No, no, no
37
38 B – Why?
39 M – Because I don't, I don't, I don't know that nothing happened that I you know until my husband
40 call me. Then I, I got a little bit afraid you know. I don't know until nothing happened, that's what
41 I can go to Chicago with my son you know, something happened I cannot do anything really you
42 know I was so afraid right. Really think about it, even if maybe I kill her, maybe
43 with a 5 year old son, do you think what I can do really? Don't you think, I thought
44 happened really and it's I don't thinking all this happen really.

04:16:47

1
2 B – And you left Donovan at home?
3
4 M – When?
5
6 B – When you went to Cub Foods?
7
8 M – No, no he go with me
9
10 B – He was in
11
12 M – In car seat
13
14 B – He was in a car seat
15
16 M – Yeah, yeah
17
18 B – All right, was he asleep?
19
20 M – Yeah
21
22 B – Okay, all right
23
24 M – I cannot left him by himself
25
26 B – Was there anybody else with you?
27
28 M – No, no
29
30 B – Now you know we're, you're trying to tell the truth and everything
31
32 M – Yeah
33
34 B – Was there anybody else with her?
35
36 M – I don't think so no, no I don't, I don't see her anybody else you know. I can see that she
37 coming out of the uh her vehicle then go inside the Cub Foods little bit.
38
39 B – Uh-huh she came out of her vehicle to go into Cub Foods?
40
41 M – Yeah, yeah looking for the whatever and actually our car yeah. But she look
42 right then you know she come down then I talked to mom, it's me. Then you know
43 my god what happened to you, why you come here? So I said mom I tell the truth I called you
44 yesterday, I wanna see you. Then mom got little bit shocked really you know then uh why you lie

1 to me and why you, you know why you do that to me and I said mom I just want to talk to you, I
2 wanna give you some money whatever you, whatever I have 500 dollar right here then I give you
3 money then I give the money then I try holding her you know mom please you know forgive me
4 whatever I do. Maybe if I do for them you know Don lost job maybe, maybe buy for, we gonna
5 working hard and we gonna make the money for you. So mom just forgive me whatever but I'm
6 not that bad person. I'm trying explain to her, holding her and then she tried to grab me and you
7 know pushing me.
8
9 B – You tried to hold on to her?
10
11 M – Yeah, yeah
12
13 B – Did you fall down at all?
14
15 M – That no this is really I fall down from my store really yeah Sunday night, that's true really
16
17 B – Okay
18
19 M – This one and this really I fall down (pointing to her knee and leg). But this maybe scratch from
20 her, I don't know (pointing to her arm).
21
22 B – Okay
23
24 M – You know but that time I try to holding her
25
26 B – Sure
27
28 M – Really you know
29
30 B – Okay
31
32 M – Yeah and yesterday I, she come from uh California, Wednesday, Thursday morning I think and
33 we go have breakfast at the uh Steak n Shake and he try to tell me, try to tell me oh you got a
34 scratch what happened you know he can, he saw my bruise (on her knee) cuz he already know that
35 cuz my son already tell him Sunday night.
36
37 B – Yeah you told me
38
39 M – Yeah because, and even my son show him you know of how he, I fall down you know show
40 him like oh mom fall down like this you know. He show 2, 3 time already I mean little kids not lie
41 you know. Then he tried to keep asking me oh where'd you get that where'd you ~~get that~~ Then I
42 had something also feel kind of stranger too you know then I should go tell him of 04:19:19
43 tell him or not but you know well maybe, maybe because that moment she mom's still missing. I
44 don't hear from anything mom I don't want to get any trouble you know. That moment really so I

1 keep telling myself I should of tell mom I mean I should of tell Don or not what happened to mom
2 that morning time. I saw her and uh you know that's you know I have so many things my going on
3 too really you know I should of tell him true or I. Even I want to come, you know come, he told me
4 the Bloomington detective is a or why Bloomington they don't know anything maybe I go talk to
5 them you know even I even talk to him about then you know I get so afraid you know, you know,
6 do you understand?

7

8 B – Mm-hmm

9

10 M – But sometimes it more better that you tell the truth which I don't want to talk to you because I
11 don't know fell like a know you guys all set up for everything you and Don and everybody set up
12 and tried to you know get me some kind of you know like a some kind of you know some kind of
13 try to making me look like I do something to her something you know. That's what I was afraid
14 you know, that's one reason I don't want to talk to you about it you know. But I think it's not right
15 so that's one reason I talk to you true you know.

16

17 B – So you the last you know the injury on your arm may have been trying to hold on to her.

18

19 M – Yeah, yeah (inaudible)

20

21 B – Did you say you got into her car with her?

22

23 M – Yeah, yeah

24

25 B – The front seat or?

26

27 M – No, no back seat

28

29 B – You got in the back seat?

30

31 M – Yeah, yeah

32

33 B – Okay

34

35 M – I take a front seat too you know

36

37 B – You got

38

39 M – I have mom's key that time, I grab mom's key. I said mom can you talk to me somewhere so
40 we can go together then she said no, no, no I don't want to talk to you I'm afraid of you or she tried
41 to you know. So then she tried to tell me oh I'm gonna call the cop I'm gonna call you see that guy
42 saw, saw all I'm gonna call the cop. This moment I get a freak out really just I 04:21:05 on't

43

44 B – So you're freaked out

1
2 M – Yeah then she makes me freak out because I don't wanna she gonna call the cop and I get
3 trouble you know. That's one reason I said okay mom I just give you money I leave. Then uh she,
4 she starting the car she left and I stay in car little bit you know you know and a follow you know on
5 other side.
6
7 B – When did you get in the car?
8
9 M – Her car?
10
11 B – Yes
12
13 M – Uh I don't even remember exactly timing thing you know
14
15 B – But was it, was she in the car then too?
16
17 M – No she's outside
18
19 B – So you got in her car?
20
21 M – Yeah
22
23 B – And you got in the backseat?
24
25 M – Uh backseat too yeah, yeah
26
27 B – On the driver's side or the passenger's side?
28
29 M – Uh this side, she parking like uh if this Cub Foods she parking like a this way
30
31 B – She parks this way
32
33 M – No this is Cub Food and she parking like a that way
34
35 B – Uh-huh
36
37 M – I sit somewhere right there back, back
38
39 B – And where would she be if she was driving, right here?
40
41 M – Yeah, yeah
42
43 B – Okay so you're right here
44

04:22:14

1 M – But she don't drive nothing
2
3 B – Right you're right behind her
4
5 M – Yeah
6
7 B – And then you got out of there
8
9 M – Yeah
10
11 B – Did you get in the front seat then?
12
13 M – No, no, no that time not no that time it's not
14
15 B – Not anytime in the morning
16
17 M – I just want to, I just want to talk to her something you know then she said uh first time I go
18 backside then she don't want to talk to me so I get out and mom let's go somewhere talk to me
19 somewhere. Then she said no I don't want to talk to you you know. Then you know she said okay
20 then she tried to say you know oh I'm gonna call the cop and stuff that's when I give her key and let
21 her go.
22
23 B – How'd you get her key?
24
25 M – What you mean?
26
27 B – Did she have the key in hand
28
29 M – Uh-huh
30
31 B – And you just took it and said talk to me and took it from her or how did you get her key?
32
33 M – Yeah, yeah, yeah mom I drive you if you want to, I can drive for you you know. Then you
34 know she said no, no I don't want to go nowhere you know then, then you can
35
36 B – Where do you think, where do you think she would go? Like what she was (inaudible)
37
38 M – I don't know that's why I, I really really swear to god I though she go back to home. That's
39 what I, that's what I thought about that's why I don't think of anything until Don told me then I get
40 afraid little bit you know. I'm wondering oh my god where she go but I thought 04:23:10
41 somewhere sometime she play the play or go to Chicago her friend like always ride together play
42 mahjong something like that cuz I don't even know nothing until uh Don told me Larry and her
43 have some kind of dinner together that night some kind of Chicago she first come back to home
44 and whatever they gotta go together Chicago for dinner. So I don't know that you know until Don

1 told me later so I thought she go play mahjong, she always play mahjong with you know those
2 Chinese people so that's what I'm thinking you know. But I don't know until very late night, Don
3 called me.
4
5 B – Does she ever drink or anything?
6
7 M – Uh no, no, no. Me, just like me and her is we never drink we don't have nothing I, I drink like
8 a beer like a one bottle I get so much drunk you know so we cannot drink like that.
9
10 B – What about um I mean she's gotta be somewhere right?
11
12 M – Yeah what I, that's what I just tried to tell you I don't know where she gonna be, I don't know
13 where she at, really. You know that's one thing I cannot holding for this kind of you know thing
14 that's one, that's why I gonna have to tell you the truth you know. That's right you, you
15 everything's absolutely right you know because I just don't want to tell you about that because you
16 know I get afraid you know.
17
18 B – Okay all right well drink your water let me see where we're at, see what we gotta get done.
19
20 M – And I, I mean you can tell, searching for anyplace whatever I got you cannot find anything
21 really I mean you know
22
23 B – Okay I'll be, I'll be back
24
25 (04:24:48 Detective Barkes exits the room)
26 (04:36:51 Detective Barkes enters)
27
28 B – Misook your checking account
29
30 M – Mm-hmm
31
32 B – Do you have carbon copy checks or just or just regular checks?
33
34 M – Um I have a 2, 3 different kind of checks one is for Linda and me and my husband together for
35 Heartland bank. And another one
36
37 B – From what bank?
38
39 M – Uh that's uh Heartland
40
41 B – Holland?
42
43 M – Yeah
44

04:37:07

1 B – Up by Chicago?
2
3 M – No here town, Heartland
4
5 B – Holland, where's that at?
6
7 M – Heartland is everywhere. It's almost by the Hersey Road they have one and actually that
8 Normal almost by the ISU
9
10 B – Heartland
11
12 M – Heartland yeah I'm sorry
13
14 B – Nope, nope I'm fine
15
16 M – And the National City's my bank it was at
17
18 B – So how much money is in the account of yours...
19
20 M – Linda and
21
22 B – Linda's and Don's?
23
24 M – Oh they have not much money right now
25
26 B – And why are you guys having a, an account together? Why do you guys all have an account
27 together?
28
29 M – Because first one that is for the mom and the Don together they always have checking account.
30 Then you know we pay lot of bill like you know car payment or those kind of things so she put my
31 name on there.
32
33 B – Okay
34
35 M – Yeah
36
37 B – Okay and then you have your account at National City
38
39 M – Uh National City that is my account I have like a 4 or 5, 4 thousand 2 hundred dollar there right
40 now. And another uh it's a Chase Bank it is my uh business account
41
42 B – Okay
43
44 M – That we have

04:37:57

1
2 B -- How much money do you have in your business account?
3
4 M -- Uh 600 dollar maybe, 6 something I believe so 600 some dollar. That's one reason I give to
5 National City the people have National City have the uh almost like but 8,000 dollar but I have to
6 give to Linda a 3,000 dollar
7
8 B -- For what?
9
10 M -- This I told you before that she wanted
11
12 B -- The 3,000 okay
13
14 M -- Yeah, yeah so I, you can find that check 3,000 dollar write down for Linda and uh
15
16 B -- Where's that check at?
17
18 M -- Check?
19
20 B -- Does she already have it?
21
22 M -- Yeah she already cash out that day, same day
23
24 B -- In May when did you, when did she cash the 3,000 dollars?
25
26 M -- Oh actually that's last month, yeah last month
27
28 B -- After you were arrested or before?
29
30 M -- After
31
32 B -- Okay
33
34 M -- Yeah come, yeah
35
36 B -- So you were arrested what July 25th, does that sound
37
38 M -- 26th yeah
39
40 B -- 26th
41
42 M -- Yeah
43
44 B -- Okay

04:38:52

1
2 M – Yeah
3
4 B – So how long were you in jail?
5
6 M – Uh 1 week
7
8 B – 1 week
9
10 M – I get out uh August the 1st
11
12 B – Okay is that when you gave her the 3,000 dollar check?
13
14 M – After that yeah
15
16 B – Okay
17
18 M – After that
19
20 B – And you gave her that okay so you gave her 3,000 dollars out of your National City Bank
21 account.
22
23 M – Yeah, yeah
24
25 B – And you gave her that money why?
26
27 M – Why, cuz she wanted uh she wants she uh I told you day before I take out the 10,000 dollar
28 from my husband account to my account.
29
30 B – Back in May
31
32 M – Yeah, yeah so then she wants the money back from me she said she got it from her, that money
33 from her husband account she told me that.
34
35 B – To Larry's account?
36
37 M – Yeah, yeah
38
39 B – Why?
40
41 M – I don't know but she told me that uh anytime you need the money let me know
42 money back. So I said no mom I don't need it. After that uh I spend 1,500 dollar for my lawyer fee
43 cuz I got that
44

04:39:33

1 B – For that retail theft okay
2
3 M – Yeah, yeah so I this is only left, there's like a 4 hundred, 4 thousand 2 hundred dollar left right
4 now
5
6 B – Okay
7
8 M – Yeah
9
10 B – I still don't understand why she wanted that 3,000 dollars put into Larry's bank account
11
12 M – I don't know she, she told me that I'm gonna put on my that, me and Larry's account
13
14 B – Now was that money originally in the, the three of you guys' um Heartland account?
15
16 M – Yeah, yeah, yeah
17
18 B – Okay
19
20 M – But uh Don told me Don go to weekend, Saturday go to Larry house they checking out the uh,
21 uh the mom's house. They figure out all the insurance thing together with Larry. She told me she
22 some reason mom moving to her account money to like a 4,000 dollar to Don's account to do uh
23 some another account, he told me that suddenly you know. So I said I don't know nothing about
24 mom's account anything you know really. Money thing is not, that's what I have really from my
25 husband for 10, 13 year living with him and he got cheating me now I only can, that's what I always
26 tell him you know I only got a 10,000 you know it cost money you know life you know, that's all I
27 had. Then you know he told me um in morning time he told me about the in some kind of insurance
28 thing the uh you know we have to find the mom's body that way we can get the insurance money
29 you know.
30
31 B – Who says this?
32
33 M – Don told me morning time, he and Larry talking together each other.
34
35 B – So he, they, he's saying that people, somehow we need to find
36
37 M – Her body
38
39 B – Linda's body
40
41 M – Uh-huh then he can get the money
42
43 B – Then he get's insurance
44

04:41:18

1 M – Yeah
2
3 B – And then what you getting out of that?
4
5 M – I don't get nothing, I don't have no beneficer, I don't got anything from money from anything
6 from Linda die, no. Even my husband die I don't get anything because why he got all financial with
7 Linda so something happen to him, he told me Tuesday morning that he gonna buy me a life
8 insurance he told me that, I'm gonna buy a life insurance. He promised that too actually and he just
9 change it for, before some reason he don't want me to put my name onto uh Donovan's that college
10 fund whatever he just roll over something and he suddenly couple days ago he asking my social
11 security number and uh my uh my own information like a social security number and my name you
12 know. He said he gonna put my name on there too some kind of beneficiary thing so I say okay
13 that's fine I mean it's good for me.
14
15 B – Right
16
17 M – So you know I ask him I give to my information to him so I don't know whyat he did he said
18 he go to some kind of you know office to do that so uh it's almost by the Meijer they have uh his
19 friend uh have a some kind of uh mutual fund or something there so he want to try to do.
20
21 B – Do you know his friends name?
22
23 M – Uh it's a black guy it's a he's a classmate from uh Don's uh college, MBA college in ISU. Uh
24 his name is uh sudden you ask and I don't remember it's a black guy and uh what his name I don't
25 remember right now I just, I don't remember now.
26
27 B – Okay
28
29 M – Yeah I'm sorry
30
31 B – Now you made a comment that when you had Linda's car keys
32
33 M – Yeah
34
35 B – You said I will drive you, where were you gonna drive her?
36
37 M – Well I when uh, I don't know where to come, maybe mom wanna go somewhere that I can
38 drive uh for her but I don't know where. So you know but she don't wanna go that's why I have to
39 you know get out there. She, she try to tell me that oh you not gonna get out then I'm gonna call the
40 cop so I get afraid.
41
42 B – So you weren't gonna get out, if you don't get out of the car she was gonna ca 04:43:17
43
44 M – Yeah you know yeah

1
2 B – Well Misook if everything you tells me is telling me the truth you know a lot of that can be
3 verified
4
5 M – What?
6
7 B – A lot of that can be verified, meaning that you know just like we did with the videos we talked
8 about
9
10 M – Yeah, yeah, yeah
11
12 B – Okay uh some of it is kind of strange
13
14 M – Okay you tell me yeah
15
16 B – We’re gonna and we’re gonna have to talk to Don about it
17
18 M – Okay
19
20 B – You know
21
22 M – Okay
23
24 B – So if there’s more to the story
25
26 M – Like a what?
27
28 B – I need to know
29
30 M – Like a what, what to know?
31
32 B – I don’t know if there’s more to the story if, if you, you know if he’s talked about hurting his
33 mom or doing anything you know if there’s more to that story I need to know.
34
35 M – Uh hurting to mom, I hurting mom?
36
37 B – Yes
38
39 M – No
40
41 B – Because I just don’t so what’s he trying to do, why would he think he’s mom is dead?
42
43 M –He think mom’s dead?
44

04:44:27

1 B – Well he's the one at least if I understand you correctly he's the one that's saying we gotta find
2 the body because the insurance won't pay if there's no body. Is that
3
4 M – I don't know, that's something that
5
6 B – Is that, is that what you said?
7
8 M – No I mean he don't say something like that but you know uh I told him when he turn some,
9 some, somehow he's talking about insurance money thing uh because mom take all my life
10 insurance the policy too that one time. But she got her insurance come policy together with mine
11 too so look in the uh cabinet in my living room because one time me and Don got a fighting and he,
12 him and mom come my house uh um that time I working I take all my policy too, my policy and his
13 policy too and I keep telling him you know give me my at least my policy you know. So uh then he
14 you know then uh something I don't know why that bring up that kind of insurance no he told me
15 that he talk about the money thing talking to money thing he talk about I don't know why he explain
16 to me the money thing about me suddenly. That's uh that's why I just don't understand why you
17 tell me all those people thinking I hurting to mom. That's maybe including to Don or not, that's
18 really want to know. Why he give to me all this information to me morning time, all this money
19 thing
20
21 B – I don't know
22
23 M – The insurance thing
24
25 B – That's what I'm trying to figure out too
26
27 M – Yeah that's right. Maybe he really thinking maybe I do something to mom really whatever or
28 just saying, then he should of not tell me all those kind of information really. I should not you know
29 he got a just ignore me what I said to him most of the time isn't it. Then uh very stranger to
30 morning time he suddenly talk about all the
31
32 B – What did you tell him?
33
34 M – What?
35
36 B – What did you tell him?
37
38 M – Morning time? No I don't say anything but he you know I just try to tell me you know
39 Saturday you know he go to uh Larry's house, he told me that he all gonna go through his mom's
40 stuff and whatever and he find uh some mom insurance policy or whatever he told me that that the
41 policeman gonna taking that you know the Crest Hill. 04:26:13
42
43 B – The Crest Hill?
44

1 M – Yeah and uh the computer, her computer take it, the policeman take it that stuff. Oh really why
2 they do that then he told me oh that's a for beneficer of whatever they want to know who got
3 beneficer whatever. Then he try to tell me uh maybe you know we then I say huh then you know
4 they find something wrong with insurance or something then he told me no but then suddenly he
5 told me that uh we cannot find the body then can't get insurance anyway. So you know that's what
6 he said, he don't think she's dead, she's dead or not you know, you know.
7
8 B – I see
9
10 M – So yeah that's what I say oh that's true you know
11
12 B – Do you think he would hurt his mom?
13
14 M – Who, Don?
15
16 B – Do you think Don?
17
18 M – Don?
19
20 B – Mm-hmm
21
22 M – I don't think so, he love mom crazy too yeah that's his life
23
24 B – But if he needed money bad would he do it?
25
26 M – What?
27
28 B – If he needed money bad enough would he do it?
29
30 M – I don't think so no that's what uh that's what I believe him too you know I don't think so. For
31 the money I don't know I, I why, why he do that he anywhere find that
32
33 B – I'm just asking I don't I'm not saying he did or not I'm just asking.
34
35 M – But something happen to her I don't get anything for sure you know so I don't really care for
36 money thing really and uh you tried to tell me because I'm mad at mom, because I was mad at mom
37 for what for I can try to do something to her like that, harming her. I mean that's not making any
38 sense too I mean all this happen like a girlfriend thing after before we had really good mother in law
39 daughter in law. We all the time do shopping together I mean she more close than son actually we
40 talking to more you know things than you know. Boy, her boyfriend he used to she dating with
41 Larry she always talking to me about more than she talking to son you know. ~~So we have and~~
42 some, I having something then I talk to her too anything like Donovan happen 04:47:58 now.
43 So why just I mad at mad I mean I do you know how much I hate her to kill her something or do
44 something to her or kidnapping for you know I'm trying to work it out with her. That's basically

1 that's what I wanna try to do I don't want a bad relationship with mom. My daughter always tell
2 me mom if you want a future you need to get Don, Donovan's mom, Donovan's father whatever
3 you want to get relationship with Don you have to be good with Linda. That's one reason last time I
4 got a little bit upset first time I get out from jail I, I don't have a good feeling with her but I
5 apologize to her. I, I, I kneel down you know and you know tell her mom I'm sorry what I do
6 wrong but just forgive me. So she forgive me, after we have a good relationship you know. Most
7 of the time I do something wrong I tell her I wrong and then she forgive me mostly times. So we
8 don't really have like a I don't know why people think I hate her that much really. You can even
9 talk to all my friends you know I never talk to her badly you know really. You can find that with
10 exactly what you do the investigation you know.

11

12 B – Right

13

14 M – You know so I don't why people thinking I hurting her something like that. I don't know why
15 coming from idea. How much is she talking to people about me bad or Linda talk to people about
16 me bad, that's I don't know cuz I can speak English, I don't know very much about Chinese people.
17 They always done talking each other I'm not a close them either, that's not my like people okay.
18 But only knowing Chinese people most reason mom and uh you know my husband, that's it and a
19 couple my friend you know. One of the friend her name's Bei Bei you know, she's very close to
20 me and her father and Don's very close too you know. That's only I talking to people something
21 happened uh like in me and Don, Don has relationship bad right now then I talk to her you know.
22 And I even talk to her yesterday too you know and uh

23

24 B – What was her name?

25

26 M – Bei Bei

27

28 B – Bei Bie

29

30 M – Yeah

31

32 B – Where's she live at?

33

34 M – She live in Bloomington too Normal, Normal

35

36 B – In Normal?

37

38 M – Yeah, she have a two son so we supposed to see this is Sunday uh let me see uh what happened
39 is I'm supposed to be the mom's house this Sunday, me and uh Saturday no, no Sunday. He leaving
40 to Sunday for L.A. right so me and Donovan and me and uh Don together go to mom's house we
41 together have a dinner whatever. So I'm think about the what I gonna make for t 04:50:19 g
42 to their that night because Larry like a salad what—the salad I always making for him. So I think of
43 something like that then suddenly all this happened like you know that uh the some I told you Julia
44 come to me talk to me about it about he still going out with the, she told me that the girlfriend come

1 down there for 2 or 3 time already. You know at the uh Imperial Buffet and uh they talking to
2 everyday even when I when I last August they talking together. So I, that makes me really mad you
3 know I thought that you know we got a everything okay so you know then you know that's one
4 reason I talked to Raymond about it you know your, my husband you know still keep talking to
5 working place you know like girlfriend and stuff. So I probably not gonna be you know be with
6 him but uh I maybe if I got a divorce with him I need to get some you know stuff for me like
7 alimony or whatever you know that's what I talk about the 50,000 dollar too. Then uh he talk, he
8 said he try to talk to Don about it then after that he talk to Don uh if you uh that that's why he, that
9 what I hear from Don that Raymond and uh Raymond that night I talk to him cuz the Linda thing I
10 talk to me I call me that time that night that that's uh 31st, Wednesday night I talking to uh I mean I
11 working at the pretty late night over my office you know I got a lot of behind. Then uh she call me
12 around 7 o'clock she told me that Misook thank you very much my husband my dau, my son just
13 lost job. You know then she hang up the phone so I know then after that I talk to I call Raymond at
14 a Imperial Buffet asking you uh what happened to Don then he told me uh I just tell him to you
15 know go take care with the personal problem then come back to work. So so then I tell him I even
16 asking him you know that mean you gonna you gonna let him come back let uh maybe got
17 everything gonna be okay our relationship. Cuz I got afraid mom got mad at me now for you know
18 he losing job cuz of me you know. So then he told me this is not my business you know he told me
19 that so I said oh my god then you know I realized mom's gonna be mad at me because you know he
20 got a lost job you know. It's, all this happened that's why I cannot go Sunday you know Larry's
21 house but maybe not he not if nothing happened like that I supposed to go Larry's house and uh I
22 supposed to send Don to uh airport too Sunday. Supposed to be

23
24 B – Okay you were supposed to go to

25
26 M – Sunday

27
28 B – Linda's house Sunday

29
30 M – Yeah, yeah

31
32 B – After you guys got done with the Cracker Barrel you were supposed to go, did you decide you
33 couldn't do it after everything that happened?

34
35 M – No, no, no, no uh all this happened that Wednesday night okay whenever he lost job – Okay
36 August 31st

37
38 M – Yeah and uh she got mad, that's why I cannot go Sunday for to her house because she got mad.

39 B – Okay

04:53:18

40
41 M – That's one reason I go the Thursday night for her house because I want to try to begging her I
42 want everything you know

43
44 B – And she's still mad

1
2 M – Yeah that night's mad you know
3
4 B – So you couldn't go Sunday
5
6 M – No, no cuz maybe not then I should of go to her house Sunday you know we have dinner
7 together then I send him to airport that's what we plan was supposed to be. You know but it's not
8 happen like that.
9
10 B – Right instead he left to go up there by himself
11
12 M – Yeah, yeah
13
14 B – Did he want you to go?
15
16 M – No he didn't even ask me you know. I really wanted, he, you know depend on him too,
17 sometimes even mom's mad at me but mom listen to Don too you know that's his son. Sometime
18 he tell mom you know uh you know don't mad at Misook or something like that she gonna be okay.
19 But sometimes you know I don't know why because that's what I'm thinking is, you know, maybe
20 he, she, he wanna go see the girlfriend. That's why maybe he don't want me to go you know, that's
21 what I'm thinking really you know. Just like on Wednesday, Tuesday he come back from
22 California, I can't even go to Chicago to pick him up be he, but he get out 9:35, I get out work 6
23 o'clock so I have to because we know mom's not there. Mom's supposed to picking him up too
24 you know Tuesday night but mom's not there so I wondered who's gonna pick him up? But he
25 never offer me nothing and he just tell me he gotta stay Chicago then he come back next
26 Wednesday you know.
27
28 B – All right well Don's here
29
30 M – Yeah
31
32 B – So I'm gonna talk to Don
33
34 M – Okay
35
36 B – Find out what he can tell and see what we can do about getting this thing all taken care of.
37
38 M – Where is my son?
39
40 B – Don dropped Donovan off with a family friend
41
42 M – Okay
43
44 B – So he, Donovan doesn't need to be here

04:55:02

1
2 M – No I know but I just wanna make sure he's okay yeah
3
4 B – Mm-hmm um is there anything I need to know, what do you think Don's gonna tell me you
5 think he thinks you hurt his mom?
6
7 M – I don't know maybe he thought, I don't know
8
9 B – Okay
10
11 M – I don't know. He think I can do anything for him I mean he think maybe I can do anything for
12 you know because why I'm very, very much like you know uh I mean a lot of time we fighting
13 something like that I'm more like you know what I should I to say I mean, more exciting, do you
14 understand?
15
16 B – More verbal?
17
18 M – Yeah verbal, exciting
19
20 B – The more you talk and yell and scream
21
22 M – Yeah, yeah, yeah that's why a maybe he can't do anything. I don't think he could be hurting
23 mom though because he'd know that you know. I mean so far he living with me 13 year, how much
24 I care for mom. Maybe he thinking I do something for mom, that then he got something wrong with
25 him really. That's what I'm thinking really
26
27 B – All right well let me see where we're going
28
29 M – Okay
30
31 B – See if I can get this done
32
33 (04:56:27 Detective Barkes exits the room)
34 (05:06:35 Detective Barkes enters the room)
35
36 B – Misook
37
38 M – Yeah
39
40 B – My partner and I are going over all your stuff you know because it seems like you're really
41 trying to be honest and helpful and then it came to us, why did you decide Cub Foods and why 5:30
42 in the morning?
43
44 M – Why?

05:06:35

1
2 B – Yeah why?
3
4 M – I don't know why I just
5
6 B – That's my point I don't know either you know what I'm saying? Why did you uh I just don't
7 understand when you, when you went to Hibachi Grill and you had the girl call and you told her
8 what to tell Linda
9
10 M – Yeah
11
12 B – You told her to tell Linda 5:30, Monday morning, Cub Foods, 500 dollars
13
14 M – Yeah
15
16 B – Why Cub Foods and why not, why not Imperial uh Buffet she knows where that's at, why not?
17
18 M – Imperial Buffet too far from my house yeah and, and shop yeah. It's too far right
19
20 B – Eh it it's uh it's a long way, I mean, I agree with you but you took your son with you so it
21 doesn't really matter. What about the 500 dollars
22
23 M – What about the?
24
25 B – Or I mean the time I'm sorry 5:30
26
27 M – Oh because mom a lot of time mom picking up people from like Peoria something, she's early,
28 early morning took them to Chicago. That's one reason I do that
29
30 B – Okay
31
32 M – Lot of time she do that you know
33
34 B – So why Cub Foods then that's the only thing of all the places, you could of said Eastland Mall,
35 you could of said all kinds of things that are close, why Cub Foods?
36
37 M – I don't know just that time I just thinking you know that's all I thinking of that area is Cub
38 Foods you know that's mostly maybe close to my place and you know.
39
40 B – You know Don's here, I told you
41
42 M – Yeah, yeah
43
44 B – I'm gonna go talk to him

05:08:21

1
2 M – Uh-huh
3
4 B – What do you think he's gonna tell me?
5
6 M – What about?
7
8 B – About your involvement with his mom?
9
10 M – I don't know
11
12 B – Do you think
13
14 M – I think maybe he gonna be shocked maybe
15
16 B – Do you think he's gonna tell me that while you guys had breakfast at Cracker Barrel, he told
17 you to arrange for this meet, for his mom to come down. You think he's gonna tell you to, I want
18 you to try to get my mom to come down here and meet at Cub Foods?
19
20 M – What I'm sorry I still don't get it I'm sorry tell the true I mean telling truth
21
22 B – When, when you're, you're talking with Don
23
24 M – Uh-huh I talking now to him?
25
26 B – Not today but you know um Sunday at Cracker Barrel
27
28 M – Yeah
29
30 B – Do you think he's gonna tell me that part of your guys' conversation was that he told you to um
31 have your mom, his mom come down and meet you at 5:30 at Cubs. Is he gonna tell me that he's
32 the one that actually told you to make that arrangement?
33
34 M – No
35
36 B – You did it all on your own?
37
38 M – Yeah
39
40 B – Nobody else
41
42 M – No
43
44 B – You sure?

05:09:47

1
2 M – Yeah
3
4 B – Okay because when I go out, remember I want to make sure 100 percent because when I go talk
5 to him, he might come up with a different story.
6
7 M – Like what?
8
9 B – He might say yeah he did talk to you about it before he left for L.A. and yeah he did make those
10 comments to you.
11
12 M – No he never talk to me, he never talk to me until uh Monday night
13
14 B – Til Monday
15
16 M – Yeah I don't think I remember that time really I don't think he told me that, no.
17
18 B – Did anybody tell you to have her to meet you at Cub Foods or was this all your decision
19
20 M – Who mom?
21
22 B – Mm-hmm
23
24 M – It's my decision
25
26 B – Nobody else's?
27
28 M – No uh something stranger uh he told me uh morning time I don't know why he told me
29 something suddenly like a Cub, talk about the Cub Food. He said uh why mom making uh why,
30 maybe mom's idea about to meet at the Cub Food he, he you know maybe this how I don't know.
31 That's why I have to ask you this question too he already know what's going on so far I, me, mom
32 and stuff. You already talk to him right, right just now?
33
34 B – You know just like I'm not gonna tell him what you tell me I don't think it's very fair that I tell
35 you what I told him.
36
37 M – Oh because why?
38
39 B – Or what or what he's said okay
40
41 M – Oh because why uh he told me suddenly I don't know it yesterday or Tuesday morning time. I
42 don't, I don't I think its yesterday, he told me suddenly you know uh mom probably that's mom's
43 idea for meet at the Cub Food you know. And uh actually uh I, I don't know I tell talk to her about
44 the meet at the Cub Food or Linda talk to her about the meet, that the lady or whatever the Hibachi

05:11:22

1 Grill I'm not really, really exactly maybe I just oh yeah Cub Foods fine, something like that. I don't
2 know, I don't have no idea really why you know Cub Foods coming up. Just like you ask me why
3 Cub Foods, I don't know, Cub's Food all I know around this area surround area cuz I working to
4 close to there, the house is close and you know and uh Imperial Buffet's too far and I don't even
5 want to go there you know I mean all this happen. So I think it's uh maybe mom, mom, mom you
6 know ask her the lady maybe I don't know supposed and meet at the Cub's Food and maybe I say oh
7 Cub Foods fine. Maybe I just you know said to her something like that, I'm not for sure
8
9 B – Yeah
10
11 M – Exactly I don't remember you know
12
13 B – All right, anything else
14
15 M – That's all I can I mean, I mean uh you have to tell Don about what happened?
16
17 B – We're gonna discuss different things
18
19 M – Yeah but you're not gonna tell exactly what happen right I mean until
20
21 B – I don't know what I'm gonna tell him, I really don't know
22
23 M – I know I mean whatever you me talk each other like you know everything
24
25 B – I don't, I gotta find out what he knows first
26
27 M – Okay
28
29 B – Okay
30
31 M – Maybe he already know maybe
32
33 B – He might
34
35 M – He got information from somebody. That's why he try to you know come to you morning time
36 too I don't know.
37
38 B – Maybe
39
40 M – You know yeah
41
42 B – Okay
43
44 M – But I'm just tell you true I mean if you wanna I can really I one reason I really wanna go see

05:13:07

1 the Hibachi girl too uh today or tomorrow.
2
3 B – To see who?
4
5 M – The Hibachi the girl, I don't even know her actually and she, she one of hostess girl I don't
6 even know her name or nothing because I wanna talk to her about it you know I wanna tell her what
7 happened really you know or uh you help me out to do that but my mom's missing right now I...
8
9 B – I uh, I would probably suggest you not talk to anybody right now
10
11 M – Oh okay
12
13 B – While we're doing our investigation.
14
15 M – Okay, okay
16
17 B – Because you know these people might take it the wrong way
18
19 M – Okay
20
21 B – And you don't want that to happen
22
23 M – Yeah that's one reason I wanted, I get afraid you know cuz all this happen I don't even
24 expecting like this either really so oh my god what happen mom. You know I you know just like
25 afraid maybe you know oh maybe she gonna talk to somebody then I should of talk to her first you
26 know maybe I you know that's my mother in law and all this happen you know so you know. Then
27 uh that's I have so much things going on in my mind too I should've talked to somebody about it,
28 my friend or you know my husband, even Don I tell him the truth because one time he remember uh
29 he got the telephone thing .
30
31 B – The what?
32
33 M – Telephone that record thing he got the paper then you know uh did you talk you know he call
34 me from L.A. I don't know did he call from L.A. or he come back and he talk to me and he say did
35 you talk to mom Sunday or not? So I said, so I said then you know tell him you know uh should I
36 tell him or not should I talk to him or not you know. Because I get afraid you know maybe he got a
37 mad something you know then you know oh yeah I talk to mom you know cuz I saw this unknown
38 number, your number. He already find out that you know, I don't know how you know so I said
39 yeah I talked to mom you know I tell him the truth that time. You know so he know I call mom that
40 day you know.
41
42 B – All right let me see what I can find out
43
44 (05:15:13 Detective Barkes exits the room)

05:14:37

1 (07:43:48 Detective Barkes opens the door)
2
3 M – Hi
4
5 B – Misook are you hungry?
6
7 M – I’m fine but can I use the bathroom second
8
9 B – Absolutely sure, sure. You should have knocked on the door

23
24 B – Do you uh we’re gonna get some food, do you want some food? Is there something you can
25 eat?
26
27 M – I have to stay here tonight?
28
29 B – Well we’re gonna be here for a little bit
30
31 M – No, I can go home sometime?
32
33 B – I just, no we’re gonna be here for a little bit. We got uh people doing searches and stuff
34 remember which is gonna take awhile.
35
36 M – Okay
37
38 B – So it’s gonna be a little bit so what I’m asking you, would you like something to eat?
39
40 M – Uh I have to pay money for that?
41
42 B – No
43
44 M – Oh okay anything fine to me

07:45:47

1
2 B – McDonalds or something okay
3
4 M – Fine
5
6 B – Diet Coke
7
8 M – Yeah
9
10 B – Okay, all right
11
12 M – No not Diet Coke, I not diet
13
14 B – Regular Coke
15
16 M – Yeah, yeah
17
18 B – Okay
19
20 M – Thank you sir, thank you
21
22 (07:46:04 Detective Barkes exits the room)
23 (08:05:58 Detective Barkes enters the room with her food)
24
25 M – Thank you so much
26
27 B – No problem, you can take both
28
29 M – Don can go home tonight?
30
31 B – I don't know yet
32
33 M – Oh okay cuz I worried about my son
34
35 B – I know you do I know you do
36
37 M – Yeah, thank you
38
39 B – You want this one too?
40
41 M – Did you know that uh I don't know this is that I tell you that before or not but uh that woman
42 told me, that Julia girl Guo whatever that woman talk to me and talk about the girlfriend thing. She
43 told me that uh Don gonna steal from money from the company too. They already look at the video
44 camera too is it did I tell you that?

08:06:13

1
2 B – That there was some money missing?
3
4 M – Yeah
5
6 B – From what company?
7
8 M – That uh Imperial
9
10 B – Uh no I don't know anything about that you know
11
12 M – So I don't know if that's true or not
13
14 B – Okay I'll find out
15
16 M – Yeah
17
18 B – Okay thank you
19
20 (08:06:48 Detective Barks exits the room)
21 (11:01:17 Detective Barks and Detective Fanelli enter the room)
22
23 B – Are you still cold?
24
25 M – A little bit
26
27 B – You didn't eat very much. Misook this is my partner Detective Fanelli
28
29 M – Hi
30
31 F – Hello
32
33 B – We appreciate your cooperation um we've done a lot of work since I last talked to you
34
35 M – YeahB – And some of it I appreciate your help with but I gotta show you a couple things and
36 ask you um if you could explain it to me.
37
38 M – Okay
39
40 B – Can you tell me what this is, you can hold it. (Shows her a picture)
41
42 M – Nothing, I don't know
43
44 B – Do you know Linda Tan?

11:01:40

1
2 M – Yeah I know my mom’s name, yeah.
3
4 B – That’s your mom?
5
6 M – Yeah
7
8 B – Have you ever seen her with a change purse like that?
9
10 M – No
11
12 B – Do you have a change purse like that?
13
14 M – No I don’t
15
16 B – Do you know where this was found?
17
18 M – No
19
20 B – Really. You can hold that
21
22 M – Okay, what is that?
23
24 B – I was gonna ask you what does it look like?
25
26 M – I don’t know I don’t have no idea
27
28 B – What’s that white thing there, that big white thing is what do you call that?
29
30 M – Oh it’s a garbage can
31
32 B – Garbage bag
33
34 M – Yeah
35
36 B – Okay
37
38 M – Garbage bag
39
40 B – Now what do you see is this like a yellow thing, what do you think that’s called?
41
42 M – Yellow thing uh I don’t know like a rope?
43
44 B – Rope

11:03:03

1
2 M – Yeah rope yeah
3
4 B – Yeah very good. And then what is this thing down here at the bottom?
5
6 M – Hmm I don't have no idea
7
8 B – What do you think, what does it look like to you what do you think it is?
9
10 M – Some kind of scissor
11
12 B – Scissors, exactly
13
14 M – Yeah I don't know
15
16 B – And they and it looks like the scissors have maybe a blue-ish colored handle with gray inside
17 right?
18
19 M – Mm-hmm
20
21 B – Do you have any scissors like that in your place?
22
23 M – My place, no
24
25 B – No?
26
27 M – No, we have some, another scissor like you know
28
29 B – What kind?
30
31 M – Uh just like a uh sewing scissor
32
33 B – Where do you get your scissors at?
34
35 M – Uh usually I buy from like JoAnn or that you know Hancock's
36
37 B – Hancock's
38
39 M – Yeah
40
41 B – Okay, all right oh by the way Don says that's his mom's purse
42
43 M – Oh okay, where did you guys find that, that one?
44

11:03:54

1 B – Where do you think we found it?
2
3 M – I don't have no idea
4
5 B – You know we did a search warrant right?
6
7 M – Yeah
8
9 B – We did a search warrant on your car
10
11 M – Uh-huh
12
13 B – We did a search warrant on your body
14
15 M – Yeah
16
17 B – We did a search warrant on your apartment
18
19 M – Uh-huh
20
21 B – We did a search warrant on your business so where do you think we found it? It's one of those
22 four.
23
24 M – My house?
25
26 B – Want to try again?
27
28 M – My house
29
30 B – No
31
32 M – No
33
34 B – Your business
35
36 M – My business, from my business? This come from my business?
37
38 B – (Shakes head yes) Now my question to you is we've been talking to Don a long, long time
39
40 M – Okay
41
42 B – Misook, I've only shown you two pictures of things that we've recovered so far, and there's a
43 lot more.
44

11:04:37

1 M – Okay
2
3 B – Okay
4
5 M – Okay
6
7 B – Some of it has blood, some of it is clothing okay. And we've been talking to Don and I'm
8 gonna be 100 percent honest with you, it's all coming back to you. We need to know what
9 happened to Linda. Don, why he I don't know if it's because you're the mother of you guys' child
10 but he feels responsible for driving you to do something to hurt his mom. He feels responsible he
11 says I should of seen that coming you know. And we talked about a roller coaster and a merry-go-
12 round you know, you know how a merry-go-round goes up and, the horse's go up and
13
14 M – Yeah, yeah, yeah, yeah
15
16 B – That's kind of the way he forced your relationship, your marriage to be. You never wanted
17 your marriage to be like that
18
19 M – Yeah
20
21 B – He forced that to happen that way. And in the course of the years of this going on and on he
22 feels responsible that he forced you to do something you wouldn't normally have done. There's no
23 doubt in our investigation that you're responsible for hurting Linda okay.
24
25 M – So did you find any my evidence for the, my DNA something like that from there?
26
27 B – Now let me, that's a good question
28
29 M – Yeah
30
31 B – There's no way I can right tonight say absolutely, we have a lot of evidence,
32
33 M – Okay
34
35 B – A lot of evidence. Some of its blood, some of its hair uh some of its uh clothing, it takes time
36 okay.
37
38 M – Okay, yeah
39
40 B – But you're here because you, you've been very cooperative
41
42 M – Yeah I know yeah
43
44 B – You've helped us Don, Don's

11:06:49

1
2 M – But I don't know
3
4 B – Don's helped us
5
6 M – I don't understand
7
8 B – Let me finish
9
10 M – Yeah
11
12 B – Don's helped us
13
14 M – Uh-huh
15
16 B – Also, he's identified some of his mom's clothing okay
17
18 M – Yeah
19
20 B – The thing he is trying to figure out, he, his main concern is he's accepted responsibility that his
21 mom is dead. He's accepted that, okay
22
23 M – So he think I kill her something
24
25 B – He knows you killed her. He and he believes deep down that he is the reason why it happened.
26 He, he's you heard him crying didn't you?
27
28 M – No
29
30 B – Oh you didn't hear him?
31
32 M – No
33
34 B – I'm surprised you didn't hear him because he was in there crying because he feels responsible.
35 He thought he should of never left he said I should never, he said what I should of done was either
36 stay with Jenny or stay with Misook. Not back and forth, back and forth because that wasn't right.
37 Um the question here is this at some point you go to church don't you?
38
39 M – Yeah
40
41 B – And um going to church you know if someone dies
42
43 M – Yeah
44

11:07:49

1 B – They should have a proper burial. And this is no different; it doesn't change anything that is
2 going on in this investigation. All it does because all the evidence that we've collected so far is
3 pointing at you, no ifs, ands or buts about it okay. We've been working this thing since uh what
4 time did I come see you a little bit before one
5
6 M – Yeah
7
8 B – And you came down here
9
10 M – Yeah
11
12 B – And I appreciate all that
13
14 M – Yeah, yeah I know yeah
15
16 B – Um you come down here you know you weren't totally honest to start with and then we get
17 over some of that stuff and yes you did persuade Linda to come down um and all that. But you
18 stopped at the Cub Food thing and that's not where it ended and you know that, and we know that.
19 So we need to continue further and far down.
20
21 M – Well you have evidence then why not just you know I yeah
22
23 B – I know, I know what you're saying
24
25 M – Yeah
26
27 B – But you know what Misook it's like this. All the evidence doesn't say what kind of person you
28 are. Okay we can make the evidence to make you out to be a monster okay which you're not. I
29 don't believe that for one minute okay. Or we can ask you to tell us the whole story and we can ask
30 you to tell us what happened and why it happened. And it's your words not my words okay.
31
32 M – No I know but I don't think that come from my office for sure that
33
34 B – Why, okay
35
36 M – I don't know
37
38 B – Why
39
40 M – Did you find out...
41
42 B – Hold on, hold on that's a good question
43
44 M – Yeah

11:10:00

1
2 B – That's a good question
3
4 M – Yeah cuz I never have that kind of stuff at my office really
5
6 B – I understand, where do you normally keep that stuff then? You said you don't normally keep
7 that stuff at your office, where do you normally keep it?
8
9 M – No I don't have that kind of stuff at my office
10
11 B – When you say that stuff what kind of stuff are you talking about?
12
13 M – I talking about the garbage or whatever with the yellow thing
14
15 B – Okay
16
17 M – You know
18
19 B – Uh-huh what about uh Linda's purse, that little change purse
20
21 M – Linda, Linda's purse I don't even I mean then where is telephone and where is all those things I
22 mean?
23
24 B – That's a good question
25
26 M – Yeah I mean but really you know
27
28 B – But where's you know we got, how many detectives we got working 13, 15?
29
30 F – Yeah probably I'd say 13
31
32 B – 13 detectives all going different places okay. Were gonna catch up with all this stuff there's
33 some, there's some things we might not ever find okay. But it doesn't mean, it doesn't mean you're
34 not responsible.
35
36 M – But that not mean coming out my office
37
38 B – Hold on, hold on, hold on
39
40 M – Yeah
41
42 B – See this
43
44 M – What's that?

11:11:02

1
2 B – It was a, it's part of an envelope. This your name?
3
4 M – Yeah
5
6 B – This your business?
7
8 M – Mm-hmm
9
10 B – This your address?
11
12 M – Yeah
13
14 B – All of it was in the same trash can
15
16 M – Really?
17
18 B – Yes really
19
20 M – Can I ask you something then?
21
22 B – Uh-huh
23
24 M – When did you find this can, garbage can? I mean when do you find this? After Don come
25 back or before Don come back? Can you tell...
26
27 B – After Don, after Don came back
28
29 M – How you know that's my you know I put in there or somebody else put in there?
30
31 B – That's a good question
32
33 M – Yeah really
34
35 B – Why, why would you think somebody else would of put it there?
36
37 M – Because I don't know that's what I'm asking you right now
38
39 B – And I'm asking you who, who do you think would of done that?
40
41 M – And may, no, no I mean if I do that you know I'm not that smart enough to throw away stuff
42 together with my garbage
43
44 B – I can't

11:11:39

1
2 M – I mean
3
4 B – I don't understand what you're saying
5
6 M – No what I'm
7
8 B – I'm sorry I
9
10 M – Yeah
11
12 B – I don't know what you said; could you slow down and repeat it?
13
14 M – Yeah, what I'm trying to say if I really do something to Linda then all those evidence and stuff
15
16 B – Well first of all let me stop you there, it's not a question on if you did, okay. The evidence is
17 saying you did all right.
18
19 M – Did they find out all
20
21 B – We're, we're working on it
22
23 M – Yeah
24
25 B – This is a, this, this type of case is not like a light switch, you can turn it on and all of a sudden
26 the whole room lights up and you see everything in it. You turn it off and it's all dark and you don't
27 see anything. And that's not what this case, this comes in pieces you know it's like one of those um
28 rooms where and I don't know if you have a dimmer switch where you turn it and it's real low light
29 and as time goes on you can turn the switch a little bit more and a little bit more light comes on and
30 a little bit more and a little bit more then finally the whole lights on and then you get to see
31 everything in the room okay. This is where we're at, it's dim, we're still collecting pieces and these
32 pieces all go together and when we get all the pieces, and it takes time it takes a lot of time. It's not
33 gonna be done today, it's not gonna be done tomorrow, it's gonna take some time to find all these
34 pieces and then get all these detectives in and tell us where all these pieces are. And then Detective
35 Fanelli and I, we turn the light on and all the pieces are there, we put them all together and it paints a
36 picture basically, it's like a puzzle. And then I say, this is what happened and what we're telling
37 you is right now the pieces are pointing towards you, the pieces...
38
39 M – Yeah because coming out of my office, right
40
41 B – Mm-hmm
42
43 M – And coming to my address in my envelope
44
45 B – Okay

11:13:16

1
2 M – Yeah
3
4 B – Let's take it one step at a time
5
6 M – Yeah that's right you know
7
8 B – Sunday, first off you look at Linda as a mother figure
9
10 M – Yeah
11
12 B – Correct?
13
14 M – Yeah
15
16 B – Linda is really upset with you
17
18 M – Yeah I know that yeah
19
20 B – She doesn't even want to talk to you anymore. That hurts because here's a person that you
21 confided in some. She's talked to you; I think you told me she talked to you about Larry to kind of
22 get your feel on what you think about him and stuff like that. Girl's kind of stuff okay well so then
23 she takes Don's side and you say wait a minute, I'm the one being faithful. I'm the one raising our
24 5 year old son. I'm the one that's got a business and yet you're taking Don's side and he's, he's the
25 one having girlfriend issues. He's the one that drives to Cal, or flies to California or every time
26 something doesn't go his way he goes to Champaign. Or better yet once, every time something
27 doesn't go his way he runs back to mommy instead of being a man and sitting there and talking with
28 you and working it out and say let's work this out. He runs to his mommy and then you go talk to
29 his mom to see if you can say hey can you help me, and she pushes you away and, and supports her
30 son.
31
32 M – And also girlfriend too
33
34 B – And girl
35
36 M – Yeah
37
38 B – That would tick me off
39
40 M – Yeah
41
42 B – So then you, you arrange to have her come down. You set up that whole deal, you called, you
43 go to Hibachi Grill, you have a young lady call her, you give her 20 dollars to make the phone call
44 because she spoke Chinese and you did that so Linda didn't know it was you.

11:15:22

1
2 M – Yeah
3
4 B – And you come, and she comes down and she meets exactly where you tell her to meet you.
5 She's at Cub Food, 5, 5:30 Monday morning and she's there.
6
7 M – Yeah
8
9 B – And you're trying to talk to her
10
11 M – Yeah
12
13 B – And she won't give you the time of day. You took the keys from her
14
15 M – Yeah
16
17 B – I'll drive you, you grabbed hold of her, you think that's how you got a scratch on your arm
18 because you grabbed hold of her said mom listen to me. And she didn't want anything to do with it
19
20 M – Yeah, then she left
21
22 B – Okay
23
24 M – Yeah
25
26 B – Now you, you asked me to just tell you, so we got a picture now. Now we say okay we know a
27 couple things. You're the last person saw her alive
28
29 M – Yeah
30
31 B – And then we start seeing her property at your business
32
33 M – But I really really
34
35 B – Okay I under, I understand what you're saying but you understand, look from our standpoint
36
37 M – Yeah I understand it yeah what you say yeah
38
39 B – We find her property
40
41 M – Yeah
42
43 B – That's been identified as her property at your business. Now Don couldn't kill his own mom
44 could he?

11:16:49

1
2 M – Oh I don't think so yeah
3
4 B – Because he was where
5
6 M – Yeah
7
8 B – Where was he?
9
10 M – He's in California, yeah
11
12 B – Now the only person that's upset right now because she wouldn't listen to her
13
14 M – So do you think I kill with my son in front of him and I kill grandmother? Do you; is that what
15 you think maybe?
16
17 B – I'm asking you what happened
18
19 M – No it's not, it's not true
20
21 B – Then what happened?
22
23 M – After that she left I can't even go follow her because think about this way too. Okay just like a
24 what you say if she don't wanna see me like not leave with me, why she have to stop, you know
25 stop somewhere with me? Don't you think, really why, why reason? She already know you know,
26 she come down there because me right. She already see me at the Cubs Food, in front of Cubs Food
27 right.
28
29 B – In front of Cubs
30
31 M – Yeah then she, she run away I mean she go away in her car and I go my way to my car.
32
33 B – That's not, that's not totally accurate Misook
34
35 M – Why?
36
37 B – Because when you got there she was if I, if I remember what you said correctly okay
38
39 M – Yeah
40
41 B – She was out of the car and she was by Cub entrance like she was looking for
42
43 M – Yeah, yeah something that
44
45 B – For the guy that you, the client

11:18:06

1
2 M – Yeah
3
4 B – That you set the fictitious client that you told her to meet.
5
6 M – Yeah
7
8 B – Or had the girl tell you to meet
9
10 M – Yeah
11
12 B – When you got there you said mom it's me
13
14 M – Yeah
15
16 B – I'm the one that called
17
18 M – Yeah
19
20 B – Right
21
22 M – Yeah
23
24 B – She didn't want to deal with you
25
26 M – Yeah, I know
27
28 B – She, she's was upset
29
30 M – Yeah, yeah I know that
31
32 B – And then she's trying to get away from you and you're trying to grab a hold and say, basically
33 you're saying please talk to me
34
35 M – Yeah, yeah
36
37 B – I need your help
38
39 M – Yeah I give her check too, 500 dollar
40
41 B – Check from National City
42
43 M – Yeah
44

11:18:47

1 B – Or something like
2
3 M – Yeah
4
5 B – And then so now you want us to believe that you didn't go anywhere else with her after Cub
6 Foods
7
8 M – No I told you you can find this guy he saw she left and after I left. You know really that's, you
9 can, you can, you can believe me my, what I say. He working looks like he working at the Cubs
10 Food. She the one point out me to him uh don't, don't, don't talk to me nothing I'm gonna call the
11 cop. Then she point at, you see somebody saw it, saw us fighting you know. That's one reason I
12 say mom okay don't call cop I got to go home then. Then she left first you know then after I left.
13 Then what I'm trying to say if you, that come that stuff come from my house, my, my property okay
14 if I do something to her I just like you would, what you guys guessing for I follow her whatever
15 behind her car okay to go to my whatever office okay, that's what you try to say. So I do something
16 to her at my office something you know. I mean
17
18 B – It's a possibility
19
20 M – Yeah possibility, so I do something then I, I do all the stuff to put back in my garbage can you
21 think? I mean that's possibility that happened like that, after that
22
23 B – It's a possibility
24
25 M – You know, and also another thing too I guess you know every Tuesday our garbage can clean
26 up also, every Tuesday. So Monday's a holiday, Tuesday is not so they must be whatever garbage
27 people come pick up the garbages. After that I throw away those stuff, that's a making sense really?
28 I mean I know, I know what you guys thinking now you know I know what you guys thinking
29 would come from my office maybe whatever garbage sac. And also I'm not stupid I mean I would
30 do something wrong that why have to put inside, inside I mean everybody can know something like
31 that stuff with my you know address on there. Don't you think?
32
33 B – I'm sorry again and I apologize
34
35 M – Yeah
36
37 B – You lost me
38
39 M – No
40
41 B – What were you trying to say?
42
43 M – Why I have to throw with my garbage sac with my name on it? So that mean uh I kill Linda or
44 I do something to Linda they can show everybody something like that. I mean I, I'm not stupid to

11:20:51

1 you know doing that, isn't it? I do something different way, do you understand?

2
3 B – How would you do it?

4
5 M – Probably I throw in some different garbage sac or maybe different place you know I mean
6 that's really murder weapon or murder, I do something with there for the murder something or I do
7 something to mom, why I have to throw my garbage you say, isn't it. I throw away somewhere or
8 hide somewhere probably. This obviously people is not really I mean I'm not 8 year old little boy
9 or girl. Thinking like you know don't you see? I mean I understand for you you guys find out
10 something there that's what I'm asking you, how you guys find out after Don come back or before
11 Don come back, I don't know.

12
13 B – What does, what does it make, and I understand what you're saying but I don't understand what
14 the different means, why, what are you trying to say?

15
16 M – Maybe somebody can put in there

17
18 B – Who?

19
20 M – I don't know maybe that can be Don, but Don don't, okay but you think of something like set
21 up something too really you know.

22
23 B – Do you think you were set up?

24
25 M – Yeah I mean I told you truly I saw her that last minute of her there Cubs Food right. After that
26 she go her way, I go my way you know. And I told you after that I go Chicago with my son, you
27 know. I mean I do something to her then I throw everything up into my garbage sac, do you think
28 that's possibility do that? I, I mean probably I'm smart enough I can throw away some, another
29 place probably.

30
31 B – When you went to Chicago

32
33 M – Yeah

34
35 B – Did, how do you go to Chicago do you drive a certain route?

36
37 M – No just go the 55 yeah

11:22:35

38
39 B – 55

40
41 M – Uh-huh

42
43 B – And go straight up

1 M – Yeah usually I do
2
3 B – And then what exit did you get off at?
4
5 M – Uh usually I get out like uh Kimball
6
7 B – On Kimball
8
9 M – Kimball, yeah
10
11 B – And then how far was the grocery store that you went to, the Korean store how far was that
12 after you take the Kimball exit?
13
14 M – How far from here to there?
15
16 B – No just off the, when you take the Kim, when you get on Kimball
17
18 M – Uh-huh
19
20 B – How far?
21
22 M – Right there
23
24 B – It's right there
25
26 M – Yeah
27
28 B – So what hundred block would that be?
29
30 M – From Kimball to the grocery store?
31
32 B – Mm-hmm
33
34 M – I mean you just get it right there it's already grocery store
35
36 B – Okay
37
38 M – Yeah
39
40 B – Is it how far are you from Chinatown at that point?
41
42 M – Mmm probably 20 minute 20 to maybe 25 minute, I don't, I don't know it's in traffic then 40
43 minute
44

11:23:17

1 B – Okay
2
3 M – But maybe not then around 20 minute yeah
4
5 B – Okay I, so are you saying you think someone's setting you up?
6
7 M – I feel like it right now I mean you guys find I mean think of, you guys can probably find there
8 for maybe you know my fingerprint or whatever too right? I mean you guys look into that too right
9
10 B – Oh yeah
11
12 M – Yeah so you guys can find out stuff like that
13
14 B – We and we got the little needles with the blood on it
15
16 M – Mm-hmm Really
17
18 B – Yep
19
20 M – Really with the blood?
21
22 B – Yeah
23
24 M – My blood?
25
26 B – I, now how
27
28 M – No I mean
29
30 B – Misook remember I said we can't do all that stuff right today
31
32 M – No, no, no
33
34 B – I'm just saying we got some needles in the same bag, sewing needles in the same bag
35
36 M – Uh-huh
37
38 B – With your stuff
39
40 M – Uh-huh
41
42 B – With blood on it
43
44 M – Needle has a blood?

11:24:14

1
2 B – Yeah at least that’s what I’ve been told
3
4 M – Maybe that, that’s my blood, I don’t know
5
6 B – Maybe, I can tell you whose blood it isn’t
7
8 M – Yeah
9
10 B – It’s not mine
11
12 M – Oh I know yeah, yeah but that’s what I say
13
14 B – And you’re right
15
16 M – Why
17
18 B – And you’re right about the fingerprints
19
20 M – Yeah
21
22 B – Let me show you something which is kind of interesting
23
24 M – Yeah
25
26 B – (Pulls out a photo) you’ve never seen this purse?
27
28 M – No, no, no, maybe I see before long time ago mom, yeah mom carry around this too, yeah I
29 remember. She have on her car yeah but not
30
31 B – I’m sorry what did I, I
32
33 M – She I know she have this wallet like a little coin change, coin purse yeah
34
35 B – Okay so she has a purse like this?
36
37 M – Yeah, yeah, yeah, yeah
38
39 B – Okay
40
41 M – I think so yeah
42
43 B – And what does she keep in it, do you know?
44

11:24:58

1 M – Hmm coin I believe so like a change
2
3 B – Okay
4
5 M – That's what I'm thinking
6
7 B – All right, anything else?
8
9 M – No, no I don't think so. I don't know why she, the last time I saw it she have change in there.
10
11 B – Okay you see this thing right here
12
13 M – Mm-hmm
14
15 B – And that says Linda and it says T-A and the N's cut
16
17 M – Yeah Linda Tan yeah
18
19 B – You see this edge right here
20
21 M – Mm-hmm
22
23 B – It looks like it was cut right?
24
25 M – Mm-hmm
26
27 B – Maybe with a pair of scissors or something, I mean something cut that
28
29 M – Yeah
30
31 B – Do you agree?
32
33 M – Yeah, yeah
34
35 B – You know what's interesting; this surface is real good for fingerprints.
36
37 M – Mm-hmm, yeah
38
39 B – So whoever cut this there fingerprints should be on here
40
41 M – Probably yeah, that's mine?
42
43 B – I'm just telling you
44

11:25:39

1 M – Oh okay
2
3 B – If it's yours we're gonna find out
4
5 M – Oh okay
6
7 B – Because what they'll do is our crime lab will process this
8
9 M – Okay
10
11 B – And it will show and since you were arrested just in July right the 26th or something like that
12
13 M – Yeah, yeah, yeah
14
15 B – Of this year, so your fingerprints are on file
16
17 M – Oh yeah, yeah, yeah
18
19 B – They'll submit it and it's done, and it's done by a computer
20
21 M – Oh okay
22
23 B – And it will tell, it'll come back real quick
24
25 M – Okay
26
27 B – But it's, I don't even know what time it is, it's not being done this second
28
29 M – Okay
30
31 B – I am just trying to figure out why your fingerprints would be on here
32
33 M – You don't know yet right you said. If you, I got my
34
35 B – But you know but you know what um how long have you been doing alterations?
36
37 M – Alterations year, 1 year
38
39 B – 1 year
40
41 M – Yeah
42
43 B – So you can look and say you know what we need to take this in this way, we can do this.
44 You've done it enough times that you know how to make something look good.

11:26:37

1
2 M – Yeah
3
4 B – Right
5
6 M – Yeah
7
8 B – We’ve been doing police work a lot longer than a year
9
10 M – Yeah
11
12 B – And I can tell you that your prints will probably come back on these items. My question would
13 be when they do how do you explain it because I’ve given you an opportunity to explain it. How do
14 you explain it and say no and then well Detective Barkes now I remember you know. It’s either you
15 did touch the stuff or you didn’t touch the stuff.
16
17 M – Okay
18
19 B – You know, just like we talked about the purse you remember what you said the first time I
20 showed you the purse?
21
22 M – Yeah
23
24 B – I never seen that before
25
26 M – Cuz I don’t even
27
28 B – I know, I know
29
30 M – Look at this right now you know
31
32 B – But
33
34 M – But I don’t, I don’t know maybe that’s same purse what I think would be her purse or not you
35 know
36
37 B – I understand, I understand all that
38
39 M – Yeah
40
41 B – But my point is you can’t say well after the fact well now that I think about it. I’m giving you
42 the opportunity to tell the truth now. If you think your fingerprints are on there so what, but you
43 don’t want it to say oh no my fingerprints aren’t on there and then all of a sudden when our crime
44 lab gets done, they sent, Steve, Rick. Hey her fingerprints were on that, on those stuff that was in

11:27:59

1 that purse. That's where it's at, if your stuff's on there, if your fingerprints are on there or you think
2 they're on there now's the time to say something because it's a lot easier to say you know now that I
3 think about my fingerprints might be on that stuff.
4
5 M – No I don't think so because I don't think I touched that one really
6
7 B – But could you of?
8
9 M – No
10
11 B – I know you said you don't think
12
13 M – No
14
15 B – But could you of?
16
17 M – No I don't, I don't think I touch that and throw in my garbage sac, no way.
18
19 B – Don't worry about, let's not, let's not, let's keep it real simple. Let's not worry about throwing
20 it in the garbage sac, let's not worry about any of that. All I'm asking because it's clear as day,
21 these things in the purse can be processed. The purse its self can be processed. This is not, I'll tell
22 you right this is not the best thing in the world but it's not bad. But this can be processed and it's
23 really good. So if you think that there's a possibility at all now's the time to say so because that,
24 when it comes back now you got to figure that, oh gosh now you know initially
25
26 M – Right now I'm not going to say anything to you about it
27
28 B – That's fine
29
30 M – You know
31
32 B – Let me show you something else
33
34 M – Yeah
35
36 B – Let me show you something else (grabs a photo) do you remember seeing that?
37
38 M – Hmm no that's not my clothes
39
40 B – I know it's not yours, do you know who Don said belongs to this shirt?
41
42 M – No, his moms?
43
44 B – His mom

11:29:46

1
2 M – Okay
3
4 B – Do you remember ever seeing her wear something like this?
5
6 M – No, no I don't think so, no
7
8 B – Because Don tells us that his mom likes to, although she's an older woman, likes to dress young
9
10 M – Oh I know yeah
11
12 B – Tries, is that, I mean
13
14 M – Yeah
15
16 B – And this is, unfortunately this is something that somebody young would try to wear
17
18 M – Okay
19
20 B – Do you agree I mean
21
22 M – Yeah
23
24 B – Snoopy
25
26 M – Yeah, yeah, yeah
27
28 B – Um so you never seen her wear something like that?
29
30 M – No, no I don't
31
32 B – Okay, got a lot of towels in your house?
33
34 M – Towel?
35
36 B – Towels
37
38 M – My house?
39
40 B – Yeah
41
42 M – Yes I do yeah
43
44 B – You remember what they all look like?

11:30:38

1
2 M – Yeah
3
4 B – (Shows a photo) you have a towel that looks like that?
5
6 M – Hmm no I don't think so, no
7
8 B – Have you seen a towel that looks like that?
9
10 M – I think I give to one to mom. I buy her, mom you know
11
12 B – To your mom, Linda?
13
14 M – Yeah
15
16 B – Was it a set?
17
18 M – Oh no
19
20 B – Or just the one towel
21
22 M – Individual, individual
23
24 B – Individual towel
25
26 M – Yeah cuz I
27
28 B – Like you couldn't find the other one or?
29
30 M – No probably not. That whole set probably from kind of towel for her at least cuz she live in
31 Arbor
32
33 B – I'm sorry?
34
35 M – She living to uh that Arbor
36
37 B – Arbors
38
39 M – Yeah
40
41 B – Okay
42
43 M – I buy her whole bunch of set of towel for her you know
44

11:31:33

1 B – Okay
2
3 M – Yeah
4
5 B – So how many, was it all the same towel?
6
7 M – No all different color
8
9 B – All different color
10
11 M – Yeah
12
13 B – But you think that was one of them?
14
15 M – Yeah
16
17 B – Okay was it just one or were there two
18
19 M – I believe there's only one
20
21 B – Okay
22
23 M – Yeah. But that's all come from my garbage can you say?
24
25 B – (Nods head yes)
26
27 M – My working garbage can? Oh my god
28
29 B – (Shows a photo) this, this, this is like a jacket does that ring a bell with you at all? It's like a
30 cloth type jacket, it's kind of hard for me to explain, it's got a zipper
31
32 M – No
33
34 B – I don't know if this is a long sleeve or just a short sleeve, you can hold it
35
36 M – Yeah, yeah looks like some kind of jacket, yeah
37
38 B – Do you have something like that or did you have something like that?
39
40 M – No I don't
41
42 B – Do you know if Linda had something like that?
43
44 M – Maybe yeah

11:32:22

1
2 B – Maybe
3
4 M – She would probably wear something like that yeah
5
6 B – She would wear something like that?
7
8 M – Yeah, yeah
9
10 B – (Shows a photo) did you ever see a shirt like this?
11
12 M – Yeah
13
14 B – Where, from whom
15
16 M – Uh this from Don
17
18 B – Okay explain it to me
19
20 M – Don?
21
22 B – Go ahead, you can hold it
23
24 M – Don said he got from his friend in California. He come from uh California then he wear this
25 one
26
27 B – Okay
28
29 M – Why?
30
31 B – Look at the, you see any stains on it?
32
33 M – Yeah, yeah
34
35 B – Do you, did you wash that shirt?
36
37 M – Yeah
38
39 B – And then what happened?
40
41 M – I threw it away
42
43 B – Why?
44

11:33:18

1 M – Because uh it's not gonna fit him. It's kind of too small for him and also this is already
2 somebody wear he told me his friend uh Jimmy, he give to him
3
4 B – Jimmy?
5
6 M – Yeah so I thought that you know it's kind of too small for him actually he wear and it kind of
7 coming like this yeah.
8
9 B – Okay
10
11 M – Yeah
12
13 B – So you threw that away
14
15 M – Yeah I did
16
17 B – In your trash
18
19 M – Yeah I think I did yesterday
20
21 B – Okay
22
23 M – I throw away yesterday
24
25 B – Okay and you don't know what the marks are
26
27 M – Hmm-mm
28
29 B – What do you think they are?
30
31 M – It's blood?
32
33 B – I don't, I'm asking you
34
35 M – I don't know yeah he already wear I thought that he buy for new one but he I saw that you
36 know uh did you buy new shirt and he told me no it's uh my friend give to me. So I look at that, I
37 saw a lot of spot there too actually, yeah.
38
39 B – (Shows her a photo) Misook this is who?
40
41 M – Yeah Linda yeah. That's Don and Donovan
42
43 B – Donovan
44

11:33:59

1 M – Yeah and me
2
3 B – And you
4
5 M – Yeah
6
7 B – Okay. You know we talked about um your trash right
8
9 M – Yeah
10
11 B – And you said how can that be, this was also in the trash (hands her a photo) the same trash. Do
12 you recognize that at all?
13
14 M – Yeah, that's what I say why I threw away that stuff with my trash really you know I mean
15 everybody doesn't basically, think of a basic thing. I mean I really do something with the mom, all
16 the evidence stuff, why have to throw away to my garbage sac? I can throw away separately with
17 the some, another place or something like that. I'm not that stupid to you know throw my you know
18 working place or my house garbage can you know, do you understand what I'm trying to say?
19
20 B – Yeah I want you to understand
21
22 M – Yeah
23
24 B – Detective Fanelli and I never said this trash can was at your place. We said it was by your place
25 of employment
26
27 M – Yeah
28
29 B – Never said it was in it okay
30
31 M – Yeah
32
33 B – I think, okay. Misook it you know that all this evidence is looking really bad for you.
34
35 M – Oh I know looks like to me I mean, yeah
36
37 B – And if you were in our, if you were in Steve and my shoe, what would you think?
38
39 M – What would you think I do something to mom yeah
40
41 B – And that's what you would think right?
42
43 M – Yeah, yeah
44

11:35:56

1 B – And as the as, as the time goes on and we start getting all the evidence and we link all these
2 things together
3
4 M – Yeah
5
6 B – Okay, It's going to be overwhelming that you are responsible for Linda's death okay. And
7 when that happens there's nothing Steve and I can do to help you and help people understand what
8 actually took place, do you understand what I'm saying?
9
10 M – Yeah I understand yeah
11
12 B – What we're here trying do is let you tell your story. Tell the whole story of what transpired,
13 what happened and what caused things to go crazy. We can tell you all day long Don says his mom
14 has a temper.
15
16 M – Yeah mm-hmm
17
18 B – He says you also have a temper
19
20 M – Yeah
21
22 B – And he even says a little bit, he has a little bit of one. Not as much as you or his mom okay.
23 When two people with tempers are trying to get a point across nothing good comes out of that.
24
25 M – Oh I know that yeah
26
27 B – Okay you already said I'm trying to talk to her and hold her and she doesn't want, she's moving
28 around and doing things, I got scratched. There's no way, there's nothing else I can tell you but tell
29 you sometimes the truth about how something happens will help everybody understand why Linda
30 is not around right now. Do you know what I'm saying? But not saying the truth everybody thinks
31 now, they're gonna start thinking oh Misook she's a terr, she's a monster, she's terrible you know.
32 But no one knows why, what was going on with you, what was going on in your mind. What was
33 being said, nobody was there but you and Linda at the time what's being said. Was there name
34 calling, was there this was there that, no one knows. I'm not saying that you had every right in the
35 world to hurt Linda okay, I'm not saying that at all but sometimes the truth helps people understand
36 why things happen. The truth
37
38 M – So my husband probably already knows what's going on right, yeah
39
40 B – He knows that, he knows that you, you are responsible for Linda's death, he knows that.
41
42 M – Why he say that, why he
43
44 B – Because

11:38:25

1
2 M – Yeah
3
4 B – And I'll explain that
5
6 M – Because of all this evidence?
7
8 B – I, I'll explain to you
9
10 M – Yeah
11
12 B – I talked to him and I know you didn't want me to tell him about the meeting
13
14 M – Yeah
15
16 B – Okay
17
18 M – Yeah
19
20 B – I didn't tell him you told me that but I did know about the meeting okay I knew you set it all up
21 okay
22
23 M – Yeah
24
25 B – He's aware of that, then we start going through the clothes and the stuff that we were showing
26 him. And everything, everything you said is what he said okay
27
28 M – Yeah
29
30 B – About what, who, what belongs to who. Um the change purse, the uh the Snoopy thing is
31 something that she would wear. Uh the jacket you know the towel, you saying that that's something
32 you gave to her when she lived at the Arbors. Um all that stuff and he said oh no he didn't want to
33 believe it. But once he learned of all the stuff he realized at that point that you were responsible.
34 After he heard it all and then what he did is he said you know what I might of caused this because
35 what he said was, remember when I told you about the merry-go-round and the horses that go up
36 and down, he acknowledged the fact that he might of drove you to be so [11:40:02] en't
37 thinking clearly. And that's why Linda's not here today and that is why t [11:40:02] nd all you
38 wanted to do is talk to Linda and she wouldn't hear of it, she wouldn't hear of it at all. She
39 wouldn't even give you the 2 cents to try to even explain to her
40
41 M – Yeah just like Thursday night
42
43 B – I'm sorry
44

1 M – Same thing I bring Thursday night with her house, with my son
2
3 B – Right she wouldn't even listen; she won't even listen to you. And you're not the bad person
4 here, who's the bad person, Don. But here you got a chance to make it right and tell your story.
5 You have a chance to tell the truth about what happened to Linda. And here's a chance for it to be
6 your own words out of your own mouth to tell the truth. That's all anybody wants is the truth. Don
7 already knows he made some mistakes. Misook this is the time to tell the truth, this is not going to
8 go away, Detective Fanelli and I are going to be on working this for a long, long time. This is the
9 time for you to say you know what Detective Barks, what I did was wrong, but this is what
10 happened. If I could change it I would do it in a heartbeat but I can't change it. It happened so
11 quick I didn't know what happened, I didn't know what to do, I got scared. This is the time to say is
12 that what happened, did it happen so quick you didn't know what happened until it was too late, is
13 that what happened? Misook, this is the time to tell the truth.
14
15 M – It doesn't matter I mean
16
17 B – It does matter it does matter because
18
19 M – It doesn't matter
20
21 B – You don't, you don't want to be made to look like this monster
22
23 M – I am monster maybe
24
25 B – I don't think so do you, do you really believe that? Do you really believe that, you don't
26 believe that for one minute do you? This is the time, Linda you, you loved her as a mother didn't
27 you.
28
29 M – I do, he tell you that too?
30
31 B – Yes he did
32
33 M – Yeah he tell you that?
34
35 B – Yeah and I'm gonna tell you something, wouldn't you want your mom t 11:43:30 dn't
36 you want her to be buried?
37
38 M – What?
39
40 B – Wouldn't you want your mother to be buried? I know you do. We need to know where you
41 took her so we can get her so she can be buried. You don't want things to happen to her. She needs
42 to be in heaven with all her faults she needs to be in heaven. If you do that she'll probably forgive
43 you, if you don't do that she might not ever forgive you. You need to tell us where you put her; this
44 is the time to tell us...

1
2 M – Yeah give me some chance yeah give me a minute
3
4 B – A minute
5
6 M – Yeah can you, I have to think about it, can you?
7
8 B – Can I get you something to drink?
9
10 M – No I'm fine I got a Coke here. So Don's already left?
11
12 B – No Don's here
13
14 M – He still here, okay.
15
16 B – I would like to be able to tell him the truth, okay.
17
18 M – Can I talk to him then?
19
20 B – Um I don't know if I can do that I, I, I don't know right now if I can do that but I'll see okay.
21
22 M – Okay
23
24 B – But we need to be, hey we need the truth. It's not gonna go away, you understand that right?
25 Misook you understand that right?
26
27 M – Mm-hmm
28
29 B – It's not gonna go away but I want you to be able to say your story.
30
31 M – You already know all the story why ask me to say?
32
33 B – But there's parts of it that I don't know. You know that. We need to find Linda and put her to
34 bed. Will you help us do that? Misook will you help us do that? Remember she's your mother.
35 Your mom wants to be properly buried, you know that. Only you can help us do that.
36
37 M – What happen to my son then? 11:45:31
38
39 B – I, we you know what we can't worry about Donovan right now, we have to think about you.
40
41 M – Oh I don't care about me I mean I can't even some happen to me maybe I have to die or
42 something I don't care but I worry about Donovan you know I don't want he think something you
43 know. You understand?
44

1 B – Let me think about that okay but right now right now what will happen is everybody will make
2 you out to be a monster. And you're no monster
3
4 M – Don't tell me that
5
6 B – I'm telling you that I, I've talked to you for how long today okay. My point is it's your story
7 you tell it the way you want it to be. And that's the story that everybody will know. Did you mean
8 to kill her, did you mean to kill Linda or was it an accident?
9
10 M – Actually the you know those things it's nothing to meaning to oh I kill Linda either
11
12 B – Trust me, okay
13
14 M – Yeah those yellow things whatever, garbage's.
15
16 B – Just listen to me all right
17
18 M – If I can ask (inaudible) can you, can you little bit give me some moment please okay?
19
20 B – Okay we're gonna give you a minute okay
21
22 M – She tried to choking me first you know. She tried to, you see my neck?
23
24 B – I see a mark, I see it right here?
25
26 M – Yeah, yeah
27
28 B – Okay
29
30 M – She tried to kill me first you know
31
32 B – Okay
33
34 M – In her car
35
36 B – When you were in the car?
37
38 M – Yeah
39
40 B – When you were in the backseat of the car?
41
42 M – No what happened is she left the Cubs Food, I follow her and you know I bom bom bom bom
43 (supposed to be a car horn noise) and she come to my office side. I go there
44

11:48:45

1 B – Your office?
2
3 M – Yeah
4
5 B – Um on Washington Street?
6
7 M – Yeah
8
9 B – Okay
10
11 M – Yeah she come there okay. Then uh we parking there together car then I talked to her you
12 know. I don't know why she come down there I don't understand. If she wants she can left there
13 that day then nothing happen really.
14
15 B – Okay
16
17 M – Isn't it?
18
19 B – Yeah
20
21 M – What you think?
22
23 B – Um tell me when, just slow down a minute
24
25 M – Yeah
26
27 B – What did you just say?
28
29 M – She just that day she first left okay Cub Food
30
31 B – She left
32
33 M – Yeah I follow her okay
34
35 B – You did, okay
36
37 M – Then you know I just go to myself to the office you know
38
39 B – To your, to your office okay
40
41 M – Yeah then she supposedly follow me
42
43 B – And then she follows you, okay
44

11:49:29

1 M – Yeah, yeah then uh she tried to tell me uh give to more money
2
3 B – Okay
4
5 M – Yeah so I say uh I don't have it right now but I can write for a check
6
7 B – Okay
8
9 M – You know but please talk to me second. Then you know she tried to scream like you know
10
11 B – She starts screaming
12
13 M – Yeah uh you, you make, makes my life, my son life uh lost my sons job and whatever scream
14
15 B – Right with Raymond
16
17 M – Yeah then she tried to uh you know
18
19 B – Moving her arms around?
20
21 M – Yeah, yeah so I tried to calm down her then she tried to choking me first
22
23 B – Okay
24
25 M – You know
26
27 B – All right
28
29 M – So I tell mom you know I, somehow I push her down to you know ground
30
31 B – Okay
32
33 M – You know then we got fighting each other there
34
35 B – Okay
36
37 M – Then you know I choking her neck, she choking my neck you know and then she scratch me
38 everywhere like you know can see my scratch here you know. And I do, I do that to her too.
39
40 B – Okay
41
42 M – Then she choke, trying to choking me
43
44 B – Okay

11:50:20

1
2 M – With her um hand
3
4 B – Okay
5
6 M – And I'm laid down on the floor
7
8 B – Now are you in the business or are you outside in the parking lot?
9
10 M – Outside the parking lot
11
12 B – Okay
13
14 M – You know
15
16 B – All right
17
18 M – Then she tried to choking me first you know she say, she ask me do I die you know
19
20 B – Okay
21
22 M – She tell me you die, you die, you not good for my son something like that.
23
24 B – Okay
25
26 M – That makes me I mean I try to survive there too. So you know I choking her too
27
28 B – Okay
29
30 M – You know
31
32 B – Now are you are is she
33
34 M – I don't using any weapon, anything
35
36 B – No I understand but is she on the ground on her back
37
38 M – Yeah
39
40 B – Where she's reaching up choking you?
41
42 M – No I laid down
43
44 B – You're on your

11:51:04

1
2 M – Yeah
3
4 B – You’re on your back
5
6 M – Yeah
7
8 B – Okay
9
10 M – And she tried to choking me
11
12 B – Now is she on top of your body
13
14 M – Yeah
15
16 B – Or just off to the side?
17
18 M – Yeah top of my body
19
20 B – Okay
21
22 M – And so we got a little bit fighting, fighting each other too really
23
24 B – Okay
25
26 M – And harder fighting each other. That’s all my scratch coming out then all you know
27
28 B – Okay
29
30 M – And uh that’s when I, that moment I get afraid you know
31
32 B – Okay
33
34 M – She tried to kill me something
35
36 B – Okay
37
38 M – That’s so I tried to kill her too I mean tried to push her like you know
39
40 B – Okay
41
42 M – So basically its power, power, power thing you know
43
44 B – Okay

11:51:37

1
2 M – She tried to do that to the exactly you know you see that right (points to her neck)
3
4 B – Okay yeah I see that, I see it
5
6 M – You see that
7
8 F – Mm-hmm
9
10 M – You know
11
12 B – And we and we have pictures of that
13
14 M – Yeah
15
16 B – Remember the detective came in, okay
17
18 M – So I can I can't help that time you know I don't even have no mind that time you know. I don't
19 try, really I just want apologize from her and I tried to make it just like what you say. Then I don't
20 even know she follow me either
21
22 B – Okay
23
24 M – She, I don't know why she follow me that time
25
26 B – Okay
27
28 M – You know cuz I just want to go to you know office and let, put down Donovan there and you
29 know little bit relax. Donovan was still asleep in my car you know
30
31 B – All right, mm-hmm
32
33 M – Then we fighting each other like that happen you know
34
35 B – Okay so then what happened?
36
37 M – Then maybe I push her so hard maybe. Then I don't know what to do that time so I putting her
38 inside my office.
39
40 B – Okay when you put her in did you have to drag her inside your office?
41
42 M – Yeah very heavy I cannot even hold her anything you know
43
44 B – Yeah

11:52:18

1
2 M – It's so hard for me to do that really.
3
4 B – So once she's inside your office then what?
5
6 M – That time I thought she still alive something I tried to you know I mean I don't she's like
7 (makes gargle noises) like this
8
9 B – Okay
10
11 M – Like I know she still alive I don't but I don't know what to do that time, I'm so afraid you
12 know
13
14 B – Okay
15
16 M – Because really, really I don't mean to that but she tried to kill me first you know
17
18 B – Okay so now you're in your office, what happened next?
19
20 M – Then I have to think when, what I'm gonna do you know. So and can I ask you something too
21 I really I don't think I throw away that stuff in my office you know. I don't know how that
22 happened really
23
24 B – Okay
25
26 M – Yeah
27
28 B – Well maybe you just weren't thinking clearly and just thought you might of moved it someplace
29 else, I don't know.
30
31 M – That's what I keep asking you I'm not stupid to throw it away there to my garbage can in my
32 office with my garbage sac together you know.
33
34 B – Okay and it might have been I'll be, and Misook Detective Fanelli and I haven't been down, out
35 there so where the detectives might of found this might have been down a little bit now,
36 from your office okay. 11:53:43
37
38 M – That's why it very stranger too, I don't, I don't think I throw it away there.
39
40 B – Okay
41
42 M – Maybe I throw at my house, I don't know.
43
44 B – And that's a possibility too. But so, she's in your office

1
2 M – Yeah
3
4 B – Now I, I, I've seen your office just a very little bit of time today, right inside? So she's on the
5 floor right inside your door?
6
7 M – Yeah, yeah
8
9 B – Or was she back by where you do your work and stuff did you drag all the way back?
10
11 M – Behind all yeah behind all that uh whatever clothes area I just down there a little bit.
12
13 B – And then what happened?
14
15 M – That I don't know that time I just, I just go out really. Sit down couch I don't know maybe
16 hour something like that I don't know. Just hope my body get the (inaudible) and everything
17
18 B – Okay, was she wearing the Snoopy shirt?
19
20 M – Yeah
21
22 B – Yeah
23
24 M – You seen my leg
25
26 B – Yeah I saw it
27
28 M – How much, yeah how much her did, did
29
30 B – That looked painful
31
32 M – Yeah I mean
33
34 B – I didn't think that happened just from a fall
35
36 M – Yeah that's what I think about it how much I tried to you know do something get up, get up her
37 from me too I mean she's very powerful too I mean she 70 year old but you know probably she
38
39 B – She's in good shape
40
41 M – Yeah so
42
43 B – So where, so now your back in the back of the shop with her, she's heavy to move, how did you
44 get her moved, where's she at now?

11:54:56

1
2 M – (Sighs) this is gonna be all people gonna know everybody right
3
4 B – People will know but they’ll also know that there’s a story behind it. Where is she now?
5
6 M – I bury her
7
8 B – Where’d you bury her at?
9
10 M – Exit two hundred forty one, some exit there have some kind of you know rest area
11
12 B – 241?
13
14 M – Yeah
15
16 B – So when you left to go to Chicago um Monday morning with Donovan
17
18 M – Yeah
19
20 B – That’s when you buried her?
21
22 M – No I do it Tuesday
23
24 B – Tuesday
25
26 M – Yeah
27
28 B – Okay exit 241, if we take you up there can you show us where?
29
30 M – Yeah
31
32 B – Okay where’s her car?
33
34 M – Car in Chicago
35
36 B – Where at in Chicago
37
38 M – It’s almost by the airport, the Midway Airport
39
40 B – Is it at Midway Airport?
41
42 M – Yeah
43
44 B – Off of Cicero? Is it off of Cicero Avenue?

11:56:29

1
2 M – Somewhere around there, yeah
3
4 B – Okay
5
6 M – Did you find the car?
7
8 B – No I just know the area. How'd you, did you take a shovel and everything or?
9
10 M – Yeah
11
12 B – Where'd you get the shovel?
13
14 M – Lowes
15
16 B – Lowes
17
18 M – Yeah
19
20 B – Okay the purse and stuff was that hers?
21
22 M – What purse?
23
24 B – That little change purse, is that what she had with her?
25
26 M – Yeah
27
28 B – Um did, do you have the keys to the car?
29
30 M – Yeah
31
32 B – Where's the keys at?
33
34 M – It's my office
35
36 B – In your office?
37
38 M – Yeah
39
40 B – Is it hidden anywhere or?
41
42 M – Yeah
43
44 B – Where are hid, where are they hidden?

11:57:22

1
2 M – Can I go with you maybe later?
3
4 B – I can see, I, I can try but can you try and tell me where they're at though?
5
6 M – Uh it's in the registry, register
7
8 B – Register
9
10 M – Open the door
11
12 B – Okay
13
14 M – They have a lot of my uh business cards and stuff, behind over there
15
16 B – Behind the, the uh register drawer?
17
18 M – Yeah
19
20 B – Behind it?
21
22 M – Yeah
23
24 B – Okay is it just one key or is it a bunch of keys?
25
26 M – No just one key and I think mom's house key too, I don't know what is key. And then have
27 mom's cell phone too
28
29 B – Okay now when you buried her, how, how does some of the clothes get here I mean did you
30 bury her with some clothes on or no clothes on?
31
32 M – No clothes
33
34 B – No clothes on, so the underwear, the beige colored underwear those were hers also?
35
36 M – Yeah
37
38 B – Okay how'd you get her clothes off did you cut them off or did you?
39
40 M – No I just took it off
41
42 B – You just took them off
43
44 M – Yeah

11:58:42

1
2 B – You um and I know things were going crazy for you probably but it looks like this Snoopy shirt
3 looks like it was cut, see here's the inside of it so
4
5 M – Oh yeah that one maybe I cut because
6
7 B – Okay
8
9 M – Hard to take it off so
10
11 B – And you see these panties, these are panties here
12
13 M – Yeah underwear yeah
14
15 B – Those are hers?
16
17 M – Yeah
18
19 B – Okay the scissors
20
21 M – No that nothing to do with her yeah
22
23 B – Okay
24
25 M – That one
26
27 B – Go ahead
28
29 M – That one I just put in to bury her then you know I cut off the uh the tree you know
30
31 B – Okay
32
33 M – So I don't do anything for kill her or something though
34
35 B – No, no, no, no
36
37 M – Basically
38
39 B – No I understand
40
41 M – We choking each other you know
42
43 B – Right, so what was the rope for?
44

11:59:44

1 M – Rope, I don't wanna, I don't using anything for rope either
2
3 B – Okay
4
5 M – Cuz I don't want people thinking you know I do something you know I mean you can find the
6 body and you an autopsy then you can see then you know nothing to do with this thing really.
7
8 B – Okay so these scissors did these scissors have anything to do with it?
9
10 M – No
11
12 B – But these are your scissors
13
14 M – Yeah
15
16 B – And where did you get the rope from?
17
18 M – Rope I already have long time ago. My father got for me, my house you know yeah
19
20 B – Okay anything else in this bag because I don't
21
22 M – No
23
24 B – I don't know if we know what else is in here do we?
25
26 F – Hmm-mm
27
28 B – Maybe some clean up, some rags or something I, I don't recall
29
30 M – I don't remember anything
31
32 B – So let me make sure I get this right. After she leaves Cubs you leave Cubs
33
34 M – Yeah
35
36 B – You turn to go to your office also she follows you
37
38 M – Yeah and how she gonna come to my office for I mean she don't just like you watch she don't
39 even (inaudible) for me. She don't even want to see me
40
41 B – Right
42
43 M – She mad at me right
44

12:00:30

1 B – Right she wanted more money
2
3 M – I don't get why she follow me that time. Then she ask me to some money you know
4
5 B – Okay whatever happened to that 500 dollar check
6
7 M – I give it to her, yeah
8
9 B – But now she's no longer with us so what happened did you get it back from her or I mean did
10 you
11
12 M – I throw it away
13
14 B – Take it back you tore it
15
16 M – Yeah
17
18 B – Okay so that checks not anywhere floating around you tore it up
19
20 M – Yeah
21
22 B – Okay
23
24 M – Probably that's in the garbage can too
25
26 B – That might be in the garbage sac also
27
28 M – Yeah and actually 3,000 dollar too
29
30 B – And a 3,000 dollar check
31
32 M – Yeah she ask me another 3,000 dollar
33
34 B – Okay so did you write another check then?
35
36 M – Yeah 2 check yeah
37
38 B – Okay so you guys are fighting choking each other. You probably over powered her
39
40 M – Yeah
41
42 B – She quits moving
43
44 M – Yeah

12:01:28

1
2 B – You drag her into your business
3
4 M – Yeah
5
6 B – You hear a little bit of noise and you just don't know what to do and you just left her be
7
8 M – Yeah at that time I there I mean I don't, I don't have no power and I just mind is just gone. So
9 I just laid down couch almost like an hour I don't do anything.
10
11 B – Okay
12
13 M – I cannot do anything really my mind is so gone
14
15 B – Okay
16
17 M – You know
18
19 B – All right
20
21 F – When did you write that other 3,000 dollar check?
22
23 M – The same time yeah, yeah
24
25 F – Was that at Cub Foods or was that at
26
27 M – No I already write down 2 different check already before I see her I wanna give to money you
28 know. One is 500 dollar one is 3,000 dollar you know I tell, I tell, uh I tell her my, my father gonna
29 maybe send us some money so I give some money. Then she said then at first I give her 500 dollar
30 check then another one 3,000 dollar she come to my, following my office, I give to her.
31
32 B – Okay
33
34 M – No actually you can looking through the garbage's somehow, I threw away same time you
35 know
36
37 B – Okay we, we might have that. (To Detective Fanelli) I need to step out 12:02:44, (to
38 Misook) let me step out a minute and I'll be right back okay.
39
40 M – Don't tell Don yet okay
41
42 B – Okay all right, all right
43
44 M – I'm sorry

1
2 B – I know that
3
4 (12:03:10 Detective Barkes and Fanelli exit the room)
5 (12:12:10 Detective Barkes and Fanelli enter the room)
6
7 B – Misook
8
9 M – Yeah
10
11 B – Um you asked if you think, show us at your business where the key is for the car and everything
12 so we, we worked that out okay. We're gonna take you to your business and let you do that for us.
13 Um couple questions I did have though um when you got up the 2, when you got off the 241 did
14 you drive your, did you drive her vehicle back aways?
15
16 M – No that's my car
17
18 B – You drove your car and then you came back?
19
20 M – Yeah
21
22 B – Then how did her car get up to
23
24 M – No that morning time um Monday morning
25
26 B – Monday morning okay
27
28 M – I take that to Chicago
29
30 B – Okay you took her car to Chicago with Donovan
31
32 M – Yeah
33
34 B – Okay and then what, and then you dropped it off
35
36 M – Yeah
37
38 B – At Midway
39
40 M – Yeah and then I come back with the bus
41
42 B – On the bus?
43
44 M – Yeah

12:13:03

1
2 B – Where'd you get the bus at?
3
4 M – At the Midway
5
6 B – At Midway
7
8 M – Yeah
9
10 B – You know was it like Peoria Charter
11
12 M – Peoria, Peoria, yeah
13
14 B – Okay, okay do you know about what time that was?
15
16 M – Uh I got the uh there at 5:30
17
18 B – 5:30
19
20 M – Yeah
21
22 B – So you got the bus at 5:30?
23
24 M – Yeah
25
26 B – So did you leave in time to make sure you get the car dropped off and then get on the bus or did
27 you actually go
28
29 M – Actually no we waited 5 hour
30
31 B – You waited about 5 hours, okay. So then, then you came back and then I'm assuming while
32 Donovan was at school you went and took Linda up and buried her?
33
34 M – No, no, no, that is uh that's Tuesday night very late night
35
36 B – Very late
37
38 M – Yeah it's uh probably around I left home probably around 10 o'clock
39
40 B – Okay
41
42 M – It's nighttime
43
44 B – Okay

12:13:42

1
2 M – Monday morning
3
4 B – Okay so and so what, where was Donovan then?
5
6 M – Donovan with me
7
8 B – With you
9
10 M – Yeah but he don't know
11
12 B – Now you're
13
14 M – He actually asleep time
15
16 B – Okay so you're in your car where, how did Linda get in your car because she, she's gotta be
17 heavy
18
19 M – Yeah
20
21 B – How'd she
22
23 M – I, I have to get a container
24
25 B – What kind of container
26
27 M – Uh in my office a big one
28
29 B – A big like a basket or
30
31 M – It's more like a plastic container
32
33 B – A plastic container
34
35 M – Yeah
36
37 B – Is it still in your office?
38
39 M – (Nods head yes)
40
41 B – So you'd be able to show us that
42
43 M – (Nods head yes)
44

12:14:34

1 B – Okay and so then um did anybody help you lift it in the car or?
2
3 M – No
4
5 B – Is that how you hurt your knee or was that from the struggle?
6
7 M – No, no I mean this is I fight with a mom
8
9 B – Okay, okay um now did you put in the back of your car?
10
11 M – Yeah
12
13 B – Or was it, okay and then um so now you drove your car up there
14
15 M – Yeah
16
17 B – Did you drive back aways or I mean
18
19 M – No I don't know what to do that time I don't I really go down the whole Chicago area really I
20 don't know what to do this what I have to throw it away, dump it somehow I don't know, I don't
21 know what to do really.
22
23 B – Okay
24
25 M – Cuz I know Don gonna come the next day
26
27 B – Okay
28
29 M – And I have to do something about it
30
31 B – That's right
32
33 M – But I think so I don't know what to do and just keep thinking, thinking that, that, that night
34 probably gotta will stop to bury for her somewhere you know.
35
36 B – Right
37
38 M – Cuz I cannot throw away garbage can or something you know so
39
40 B – Right
41
42 M – And I really go around lot, whole, whole lot long, until 5 o'clock morning you know I don't, I
43 don't know what to do really just go around go around different place you know. I don't know just
44

12:15:20

1 B – Okay um so Monday morning you, you drag Linda back into your business, into your business
2 okay. She's just laying back where you work not moving, did you do anything else to her at that
3 time?
4
5 M – That time I lay down little bit because I don't have no power and I mean after that all this
6 happened I, I don't know what to do and I just laid on couch for like an hour.
7
8 B – Okay on the couch, on the couch in your business?
9
10 M – Yeah
11
12 B – And she just laid there
13
14 M – Yeah
15
16 B – Then what did you do?
17
18 M – Then I realize that she die there so I don't know what to do that time I take all my, her clothes
19 off you know cuz I don't want get you know any trouble for my you know hair, whatever you know
20 thing so. I don't know I should of that time just called the cop but I was afraid everything happen
21 you know. I don't even mean to that happen that's why I say she should of not follow me that day.
22
23 B – I understand
24
25 M – She should have just go back to home you know
26
27 B – I understand
28
29 M – I don't know why she, it doesn't have to happen you know. And she try to kill me first you
30 know I mean I didn't do anything wrong just like you were just saying. I just tried to give her
31 money you know.
32
33 B – So now on Monday then you leave your business and you drive her car up to Midway. You
34 stay about 5 hours and you and Donovan take the bus back home.
35
36 M – Yeah
37
38 B – Did anybody meet you at the bus stop to take you back to your apartment or?
39
40 M – No I, I get the, I get the taxi
41
42 B – And did you go back to your apartment or did you go back to your shop?
43
44 M – No my shop with my car's at the shop so.

12:17:17

1
2 B – Okay and then you get your car and you go home?
3
4 M – Yeah
5
6 B – And then you wait til late, the next day
7
8 M – Next day yeah
9
10 B – Now did you open
11
12 M – Tuesday
13
14 B – Right, did you open your shop for business on Tuesday?
15
16 M – Yeah
17
18 B – Where was uh Linda while you were open?
19
20 M – She in my office
21
22 B – Still in your office?
23
24 M – Yeah
25
26 B – Out of, out of sight obviously
27
28 M – Yeah I cover her with a blanket and stuff so
29
30 B – Okay, back where you sew and stuff
31
32 M – Yeah
33
34 B – And you, you, we'll probably, when you get to your office Misook you j
35 where everything was okay 12:18:20
36
37 M – Do you hate me?
38
39 B – Do I hate you?
40
41 M – (Shakes head yes)
42
43 B – No I respect you for telling the truth
44

1 M – Yeah but do you hate me now?
2
3 B – I have no reason to hate you
4
5 M – Cuz I murder her so
6
7 B – You took somebody's life
8
9 M – I know
10
11 B – But it's not my job to hate people it's my job to be able to say to Larry, Linda's husband, what
12 happened to her okay. Now we're gonna step out of here a minute and we'll go ahead
13
14 M – What time is right now?
15
16 B – I don't even know what time it is
17
18 F – Um it's 1:45 a.m.
19
20 M – Morning?
21
22 B – Yeah
23
24 F – Yes
25
26 B – We're gonna, we're gonna go to your shop
27
28 M – Where's Don?
29
